9 insert in lieu thereof the following:

10 K-12 schools of the state provide proactive
11 strategies that promote the mental
12

13 On page 4, delete lines 17 and 18, and renumber the
14 subsequent sections accordingly
15

16 On page 7, delete line 27, and insert in lieu
17 thereof the following:

18 family focused interventions, or referrals to the
19 local community mental health center.
20

21 On page 8, after line 7, insert the following:

22 (5) For students who are identified as higher risk
23 than the general population or who need more intensive
24 intervention strategies, the department shall coordinate with
25 the Alabama Department of Mental Health to deliver
26 trauma-informed care. The mental health service coordinator
27 shall refer the student to the local community mental health

1 center as part of the school-based mental health
2 collaboration.

3
4 On page 10, line 2, after "providers" insert the
5 following:

6 , including the local community mental health center

7
8 On page 11, line 14, after "for" insert the
9 following:

10 partnership with the Alabama Department of Mental
11 Health or local community mental health centers,

12
13 On page 11, line 22, after "system." insert the
14 following:

15 Coordinators may not deliver intensive intervention
16 strategies or services for the population of high risk
17 students served by the local community mental health center as
18 part of the school-based mental health collaboration with the
19 Alabama Department of Mental Health.
