An act to add Section 30009 to the Penal Code, relating to ~~domestic violence~~ firearms.

LEGISLATIVE COUNSEL'S DIGEST

SB 38, as amended, De León. ~~Domestic violence: fees. Firearms: prohibited persons.~~

*Existing law requires the Attorney General to establish and maintain an online database, known as the Prohibited Armed Persons File, to cross-reference persons who have ownership or possession of a firearm and who, subsequent to the date of that ownership or possession, became a person who is prohibited from owning or possessing a firearm.*

*This bill would, no later than July 1, 2014, require the Department of Justice to establish a 15-day amnesty period during which a person prohibited from possessing a firearm may surrender his or her firearms to a local law enforcement agency without being charged with illegal possession of a firearm, except as specified. The bill would require a local law enforcement agency that receives a firearm from a prohibited person during the amnesty period to report specified information to the department. The bill would require the department to use the specified information to create a record of each surrendered firearm in the Prohibited Armed Persons File. The bill would also impose a civil fine up to \$2,500 per firearm on a person prohibited from possessing a firearm who still maintains possession of his or her firearms after the amnesty period. The bill would authorize the department to conduct a*

*public awareness campaign in conjunction with local law enforcement to promote the amnesty period, as specified.*

*The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.*

*This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.*

~~Existing law imposes a fee of \$500 on every person who is granted probation for a crime of domestic violence. Two-thirds of the fee is deposited in the county's domestic violence programs special fund, to be expended in support of domestic violence shelter programs, as specified.~~

~~This bill would state the intent of the Legislature to enact legislation that would clarify whether the assessment on domestic violence probationers is a fine or a fee and clarify the allocation of the collected funds.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.  
State-mandated local program: ~~no~~-yes.

*The people of the State of California do enact as follows:*
