An act to add Chapter 6.4 (commencing with Section 30030) to Division 3 of Title 3 of the Government Code, relating to criminal justice realignment, and making an appropriation therefor.

## LEGISLATIVE COUNSEL'S DIGEST

SB 144, as introduced, Cannella. 2013 Realignment Legislation addressing justice reinvestment.

(1) Existing law, the 2011 Realignment Legislation addressing public safety and related statutes, requires that certain specified felonies be punished by a term of imprisonment in a county jail for 16 months, or 2 or 3 years, and provides for postrelease community supervision by county officials for persons convicted of certain specified felonies upon release from prison or county jail. As part of the realignment of public safety services to local agencies, existing law establishes the Local Revenue Fund 2011 into which specified tax revenues are deposited and are continuously appropriated for the provision of public safety services, as defined.

This bill, the 2013 Realignment Legislation addressing justice reinvestment, would establish the Realignment Reinvestment Fund in the State Treasury as a continuously appropriated fund. The bill would require the Director of Finance, in consultation with the Legislative Analyst, to annually calculate the net savings to the state for the prior fiscal year and an estimate of the net current fiscal year savings resulting from the 2011 Realignment Legislation addressing public safety, as specified. The bill would require the Controller to transfer \$819,857,000 from the General Fund to the Realignment Reinvestment Fund for the 2013–14 fiscal year, thereby making an appropriation. The bill would,

beginning in the 2014–15 fiscal year, and each fiscal year thereafter, require the Controller to transfer an amount equal to the estimate of net current fiscal year savings resulting from the 2011 Realignment Legislation addressing public safety, adjusted by the difference between the preceding year’s estimate and the calculated prior fiscal year net savings, thereby making an appropriation.

The bill would require the Controller to annually allocate moneys in the Realignment Reinvestment Fund to each county for deposit in the county’s Realignment Reinvestment Services Account proportionally, based on the average daily population of realigned offenders under each county’s supervision for the preceding fiscal year. The bill would require the Controller to consult with the Board of State and Community Corrections to determine the average daily population for each county.

The bill would require a Realignment Reinvestment Services Account to be established in each county treasury. The bill would require the moneys to implement a comprehensive, locally run, supplemental community-based corrections plan, as specified. The bill would require the supplemental community-based corrections plan to be developed by each county’s local Community Corrections Partnership and to be voted on by an executive committee of each county’s Community Corrections Partnership, as specified. The bill would deem the supplemental community-based corrections plan accepted by the county board of supervisors unless the board rejects the plan by a  $\frac{4}{5}$  vote. The bill would require each county or city and county to annually report to the county board of supervisors and the Board of State and Community Corrections on the programs funded pursuant to these provisions, as specified. By imposing additional duties on local officials, this bill would impose a state-mandated local program.

The bill would require the Director of Finance, in consultation with the Legislative Analyst, to develop a yearly estimate of the cost avoidances expected to be realized by the Department of Corrections and Rehabilitation that are a result of the 2011 Realignment Legislature, and would require the director to report those estimates to the Legislature, as provided.

The bill would require that moneys allocated from a Realignment Reinvestment Services Account be expended exclusively for purposes of the bill’s provisions. The bill would require that funds received pursuant to its provisions be expended or encumbered no later than June 30 the following year, and would require unspent moneys to be remitted for deposit in the Realignment Reinvestment Fund.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote:  $\frac{2}{3}$ . Appropriation: yes. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. This act shall be known and may be cited as the  
2 2013 Realignment Legislation addressing justice reinvestment.

3 SEC. 2. The Legislature finds and declares all of the following:

4 (a) The Legislature is committed to reducing recidivism among  
5 criminal offenders, ensuring that local governments have adequate  
6 funding to achieve this goal, and facilitating the responsible  
7 implementation of the criminal justice polices contained in the  
8 2011 Realignment Legislation addressing public safety.

9 (b) California must continue to reinvest its criminal justice  
10 resources to support community-based corrections programs,  
11 evidence-based practices, and local correctional facilities in order  
12 to achieve improved public safety returns on this state's substantial  
13 investment in its criminal justice system.

14 (c) Realigning low-level felony offenders who do not have prior  
15 convictions for serious, violent, or sex offenses to locally run,  
16 community-based corrections programs, which are strengthened  
17 through community-based punishment, evidence-based practices,  
18 improved supervision strategies, and enhanced secured capacity,  
19 has the potential to improve public safety outcomes for adult felons  
20 and facilitate their reintegration back into society. However, local  
21 governments have indicated that current resources provided by the  
22 state to achieve these goals are inadequate. This lack of resources  
23 has resulted in an increase in criminal activity throughout the state  
24 that indicates that realignment is failing to achieve its stated goals.  
25 As a result, community-based corrections programs require  
26 additional funding to meet the level of need and provide an  
27 appropriate level of service for offender populations shifted as a

1 result of the 2011 Realignment Legislation addressing public  
2 safety.

3 (d) By enacting the 2011 Realignment Legislation addressing  
4 public safety, the Legislature affirmed its commitment to justice  
5 reinvestment and stated that the purpose of justice reinvestment  
6 is to manage and allocate criminal justice populations more  
7 cost-effectively, generating savings that can be reinvested in  
8 evidence-based strategies that increase public safety while holding  
9 offenders accountable.

10 (e) In order to properly implement the 2011 Realignment  
11 Legislation addressing public safety, it is the intent of the  
12 Legislature to fully commit to justice reinvestment by using  
13 identified state savings generated by the 2011 Realignment  
14 Legislation addressing public safety and any other necessary funds  
15 to provide local governments with maximum flexibility and  
16 adequate funding to manage these new offenders in the manner  
17 that is in the best interest of public safety, most appropriate to each  
18 county, and consistent with principles of justice reinvestment.

19 SEC. 3. Chapter 6.4 (commencing with Section 30030) is added  
20 to Division 3 of Title 3 of the Government Code, to read:

21

22 CHAPTER 6.4. REALIGNMENT REINVESTMENT FUND

23

24 30030. For purposes of this chapter, “realigned offenders”  
25 means offenders sentenced to a county jail or to mandatory  
26 supervision, or to both county jail and mandatory supervision,  
27 pursuant to subdivision (h) of Section 1170 of the Penal Code,  
28 offenders subject to postrelease community supervision pursuant  
29 to Title 2.05 (commencing with Section 3450) of Part 3 of the  
30 Penal Code, and any other offenders under county supervision  
31 whose supervision would have been the responsibility of the state  
32 if the 2011 Realignment Legislation addressing public safety had  
33 not been enacted.

34 30031. (a) (1) The Realignment Reinvestment Fund is hereby  
35 established in the State Treasury. Moneys in the fund are  
36 continuously appropriated and shall be used exclusively for the  
37 purposes of this chapter.

38 (2) (A) Beginning in 2014, on or after July 1, and no later than  
39 August 31 of each year, the Director of Finance shall, in

1 consultation with the Legislative Analyst, annually calculate both  
2 of the following:

3 (i) The actual net savings to the state for the immediately  
4 preceding fiscal year resulting from the 2011 Realignment  
5 Legislation addressing public safety.

6 (ii) An estimate of the net savings to the state for the current  
7 fiscal year resulting from the 2011 Realignment Legislation  
8 addressing public safety.

9 (B) Provided there are savings, the calculations shall be made  
10 for each fiscal year by subtracting the amount calculated pursuant  
11 to subparagraph (D) from the amount calculated pursuant to  
12 subparagraph (C) for each fiscal year.

13 (C) (i) For the calculation pursuant to clause (i) of subparagraph  
14 (A), the sum of all expenditure reductions, less cost increases,  
15 affecting the Department of Corrections and Rehabilitation in the  
16 fiscal year for which the calculation is being made that are a result  
17 of the 2011 Realignment Legislation addressing public safety.

18 (ii) For the calculation pursuant to clause (ii) of subparagraph  
19 (A), the projected sum of all expenditure reductions, less cost  
20 increases, affecting the Department of Corrections and

22 made that are a result of the 2011 Realignment Legislation  
23 addressing public safety.

24 (D) (i) For the calculation pursuant to clause (i) of subparagraph  
25 (A), the sum of the allocations made from the Community  
26 Corrections Subaccount, the Community Corrections Growth  
27 Special Account, the District Attorney and Public Defender  
28 Subaccount, and the District Attorney and Public Defender Growth  
29 Special Account in the fiscal year for which the calculation is being  
30 made, less four hundred fifty-three million dollars (\$453,000,000).

31 (ii) For the calculation pursuant to clause (ii) of subparagraph  
32 (A), the sum of the allocations projected to be made from the  
33 Community Corrections Subaccount, the Community Corrections  
34 Growth Special Account, the District Attorney and Public Defender  
35 Subaccount, and the District Attorney and Public Defender Growth  
36 Special Account in the fiscal year for which the calculation is being  
37 made, less four hundred fifty-three million dollars (\$453,000,000).

38 (3) For the 2013–14 fiscal year, the Controller shall transfer  
39 eight hundred nineteen million eight hundred fifty-seven thousand

1 dollars (\$819,857,000) from the General Fund to the Realignment  
2 Reinvestment Fund for allocation pursuant to paragraph (5).

3 (4) Beginning with the 2014–15 fiscal year, and each fiscal year  
4 thereafter, the Controller shall transfer an amount equal to the  
5 difference between the amount identified in subparagraph (A) and  
6 the amount identified in subparagraph (B) from the General Fund  
7 to the Realignment Reinvestment Fund for allocation pursuant to  
8 paragraph (5).

9 (A) The estimate of net savings for the current fiscal year  
10 calculated pursuant to clause (ii) of subparagraph (A) of paragraph  
11 (2).

12 (B) An adjustment for the immediately preceding fiscal year  
13 that is the result of subtracting the amount calculated pursuant to  
14 clause (i) of subparagraph (A) of paragraph (2) for that fiscal year  
15 from the amount estimated pursuant to clause (ii) of subparagraph  
16 (A) of paragraph (2) for that fiscal year.

17 (5) The Controller shall annually allocate moneys in the  
18 Realignment Reinvestment Fund to each county and city and  
19 county, for deposit in the county’s or city and county’s  
20 Realignment Reinvestment Services Account proportionally, based  
21 on the average daily population of realigned offenders under each  
22 county’s supervision for the preceding fiscal year. The Controller  
23 shall consult with the Board of State and Community Corrections  
24 to determine the average daily population for each county.

25 (b) There shall be established in each county or city and county  
26 treasury a Realignment Reinvestment Services Account to receive  
27 all amounts allocated to a county or city and county for purposes  
28 of implementing this chapter.

29 (c) (1) Each county local Community Corrections Partnership  
30 established pursuant to subdivision (b) of Section 1230 of the Penal  
31 Code shall recommend a comprehensive, locally run supplemental  
32 community-based corrections plan to the county board of  
33 supervisors. The purpose of the plan shall be to improve the  
34 outcomes of the 2011 public safety realignment. The plan may  
35 include, but shall not be limited to, mental health programs,  
36 substance abuse programs, transitional housing programs, job  
37 placement programs, improved supervision strategies,  
38 community-based punishment programs, increased law

4 pursuant to Section 3451 of the Penal Code.

5 (A) The supplemental community-based corrections plan shall  
6 include, but not be limited to, all of the following components:

7 (i) An assessment of existing law enforcement, probation,  
8 education, mental health, health, social services, drug and alcohol,  
9 and other services that specifically target realigned offenders, and  
10 their families.

11 (ii) An identification and prioritization of the neighborhoods  
12 and other areas in the community that face a significant public  
13 safety risk from realigned offenders and associated crimes,  
14 including, but not limited to, gang activity, burglary, robbery,  
15 vandalism, controlled substances sales, firearm-related violence,  
16 and substance abuse.

17 (iii) A local action strategy that provides for a continuum of  
18 responses to crime and demonstrates a collaborative and integrated  
19 approach for implementing a system of swift, certain, and  
20 graduated responses for realigned offenders.

21 (iv) A schedule of programs identified in clause (iii) that are  
22 proposed to be funded pursuant to this subparagraph, including  
23 the projected amount of funding for each program.

24 (v) An accounting of the number of new crimes or violations  
25 committed by realigned offenders.

26 (B) Programs proposed to be funded shall satisfy all of the  
27 following requirements:

28 (i) Be based on evidence-based programs and approaches that  
29 have been demonstrated to be effective in reducing crime.

31 and city actions are fully coordinated and designed to provide data  
32 for measuring the success of programs and strategies.

33 (C) The plan shall also identify the specific objectives of the  
34 programs proposed for funding and specified outcome measures  
35 to determine the effectiveness of the programs and contain an  
36 accounting for all program participants, including those who do  
37 not complete the programs. Outcome measures of the programs  
38 proposed to be funded shall include, but not be limited to, all of  
39 the following:

40 (i) The rate of arrests per 100,000 population.

38 annually and modified as needed.
- 39 (4) The supplemental community-based corrections plan or  
40 modified supplemental community-based corrections plan shall

1 be deemed accepted by the county board of supervisors unless the  
2 board rejects the plan by a vote of four-fifths of the board, in which  
3 case the plan shall go back to the Community Corrections  
4 Partnership for further consideration.

5 (5) The supplemental community-based corrections plan or  
6 modified supplemental community-based corrections plan shall  
7 be submitted to the Board of State and Community Corrections  
8 no later than October 15 of each year.

9 (d) The Controller shall allocate funds to local jurisdictions for  
10 public safety in accordance with this section as described in  
11 subdivision (a).

12 (e) Funds allocated pursuant to subdivision (c) shall be expended  
13 or encumbered in accordance with this chapter no later than June  
14 30 of the following fiscal year. A local agency that has not met  
15 the requirement of this subdivision shall remit the unspent moneys  
16 in the Realignment Reinvestment Services Account to the  
17 Controller for deposit in the Realignment Reinvestment Fund.

18 (f) Beginning in 2014, and no later than May 1 of each year,  
19 the Director of Finance shall, in consultation with the Legislative  
20 Analyst, develop an estimate of the cost avoidances expected to  
21 be realized by the Department of Corrections and Rehabilitation  
22 in the current fiscal year that are a result of the 2011 Realignment  
23 Legislation addressing public safety and report those estimates to  
24 the chairpersons of the committees in each house of the Legislature  
25 that consider appropriations and to the Chairperson of the Joint  
26 Legislative Budget Committee. A report submitted pursuant to  
27 this subdivision shall be submitted in compliance with Section  
28 9795 of the Government Code. The Legislature may consider each  
29 year whether to appropriate funds in augmentation of the moneys  
30 otherwise allocated pursuant to this chapter in an amount up to  
31 and including the amount of cost avoidances reported pursuant to  
32 this subdivision.

33 30032. (a) Moneys allocated from a Realignment Reinvestment  
34 Services Account to a recipient entity shall be expended exclusively  
35 for services included in the county's or city and county's  
36 supplemental community-based corrections plan. These moneys  
37 shall supplement existing services, and shall not be used to supplant  
38 any existing funding for law enforcement services or programs or  
39 activities included in the supplemental community-based  
40 corrections plan provided by that entity.

1 (b) In no event shall any moneys allocated from the county’s  
2 or city and county’s Realignment Reinvestment Services Account  
3 be expended by a recipient entity to fund any of the following:

4 (1) Administrative overhead costs in excess of 1 percent of a  
5 recipient entity’s Realignment Reinvestment Services Account  
6 allocation for that fiscal year.

7 (2) The costs of any capital project or construction project that  
8 does not directly support programs or activities included in the  
9 supplemental community-based corrections plan.

10 (c) For purposes of this section, both of the following shall  
11 apply:

12 (1) A “recipient entity” is that entity that actually incurs the  
13 expenditures of Realignment Reinvestment Services Account funds  
14 allocated pursuant to subdivision (c) of Section 30301.

15 (2) Administrative overhead costs shall only be charged by the  
16 recipient entity, as defined in paragraph (1), up to 1 percent of its  
17 Realignment Reinvestment Services Account allocation.

18 30033. The moneys in the Realignment Reinvestment Services  
19 Account established pursuant to subdivision (b) of Section 30031  
20 in each county or city and county shall be expended exclusively  
21 as required by this chapter. Moneys allocated from the account  
22 shall not be transferred to, or commingled with, the moneys in any  
23 other fund in the county or city and county treasury, except that  
24 moneys may be transferred from the account to the county’s or  
25 city and county’s general fund to the extent necessary to facilitate  
26 the appropriation and expenditure of those transferred moneys in  
27 the manner required by this chapter.

28 SEC. 4. If the Commission on State Mandates determines that  
29 this act contains costs mandated by the state, reimbursement to  
30 local agencies and school districts for those costs shall be made  
31 pursuant to Part 7 (commencing with Section 17500) of Division  
32 4 of Title 2 of the Government Code.
