AMENDED IN SENATE APRIL 3, 2013

SENATE BILL

No. 396

**Introduced by Senators Hancock and Steinberg
(Coauthor: Senator Jackson)**

February 20, 2013

An act to amend Sections 16350, 16740, 32310, 32400, 32405, ~~and~~ 32435, *and* 32450 of the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL'S DIGEST

SB 396, as amended, Hancock. Firearms: magazine capacity.

(1) Existing law, for purposes pertaining to the ammunition capacity of certain assault weapons, defines "capacity to accept more than 10 rounds" to mean capable of accommodating more than 10 rounds, but specifies that this term does not apply to a feeding device that has been permanently altered so that it cannot accommodate more than 10 rounds.

This bill would revise that definition to mean capable of holding more than 10 rounds, but not applying to a feeding device that has been permanently altered so that it cannot hold more than 10 rounds.

(2) Existing law prohibits the sale, gift, and loan of a large-capacity magazine. Existing law defines "large-capacity magazine" to mean any ammunition feeding device with the capacity to accept more than 10 rounds, but provides that the definition may not be construed to include a feeding device that has been permanently altered so that it cannot accommodate more than 10 rounds.

This bill would include within that definition of large-capacity magazine a feeding device that had a capacity of more than 10 rounds but has been permanently modified to hold no more than 10 rounds of ammunition, and would exclude from that definition a magazine that

is only of sufficient length to hold no more than 10 rounds of ammunition.

This bill, commencing July 1, 2014, would make it an offense for any person to possess any large-capacity magazine, regardless of the date the magazine was acquired, punishable by imprisonment in a county jail not exceeding one year. The bill would authorize various methods by which a person in lawful possession of a large-capacity magazine may dispose of the magazine prior to the July 1, 2014, prohibition on possession.

(3) Existing law creates various exceptions to that crime, which include, but are not limited to, the sale of, giving of, lending of, importation into this state of, or purchase of, any large-capacity magazine to or by *the holder of a special weapons permit for use as a prop for a motion picture, or any federal, state, county, city and county, or city agency that is charged with the enforcement of any law, for use by agency employees in the discharge of their official duties, whether on or off duty, and where the use is authorized by the agency and is within the course and scope of their duties.*

This bill would make conforming changes by adding possession to those provisions.

By creating a new crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
