

OFFICE OF THE  
MAYOR

MURIEL BOWSER  
MAYOR  
SEP 17 2016

The Honorable Phil Mendelson  
Chairman  
Council of the District of Columbia  
1350 Pennsylvania Avenue, NW, Suite 504  
Washington, DC 20004

Dear Chairman Mendelson:

Enclosed for the consideration of the Council of the District of Columbia is the "Ghost Guns Prohibition Emergency Amendment Act of 2018," and the accompanying emergency declaration, temporary, and permanent versions. The bill amends the Firearms Control Regulations Act of 1975 and An act to control the possession, sale, transfer, and use of pistols and other dangerous weapons in the District of Columbia. Specifically, the legislation would prohibit the registration and possession of ghost guns in the District of Columbia. Ghost guns are defined as firearms that, after the removal of all parts other than a receiver, cannot be detected by a metal detector.

Earlier this year, the federal government reached a settlement allowing for the uploading of electronic files that enable individuals to make printed ghost guns. Recently, court actions have enjoined ghost gun blueprints from being published online. Blueprints, however, can be obtained by direct purchase through sale and shipment via flash drives.

As part of its common sense gun regulation policy, the District of Columbia prohibits the manufacturing of firearms. However, readily available ghost gun blueprints will allow anyone, regardless of whether they are legally disqualified from possessing a firearm, to create and transport these undetectable firearms into and within the District. Because ghost guns can be made of plastic, they often cannot be detected by metal detectors used at security checkpoints such as those located at the District's schools, museums, sports complexes, and government buildings, which increases their threat to public safety. While unregistered firearms are already illegal, this legislation would give law enforcement the possibility of a charging an additional offense, specific to ghost guns, in view of the unique risks such undetectable, and often home-made, weapons pose.

If you have any questions on this matter, please contact Kevin Donahue, Deputy Mayor for Public Safety and Justice at (202) 286-5028.

Sincerely,

  
Muriel Bowser

  
Chairman Phil Mendelson  
at the request of the Mayor
