SUBTITLE O. TEEN PREGNANCY PREVENTION FUND

Sec. 5151. Short title.

This subtitle may be cited as the “Teen Pregnancy Prevention Fund Establishment Emergency Act of 2014”.

(c) The Fund is designed to provide subgrants to nonprofits in health services for teens, reproductive health education, professional development and training, research and policy development, and public education and awareness. The funds shall be available for conveyance to a grant-managing entity for the purposes identified in subsection (b) of this section.

SUBTITLE P. UNITED MEDICAL CENTER TRANSFORMATION INITIATIVE

Sec. 5161. Short title.

This subtitle may be cited as the "United Medical Center Transformation Initiative Emergency Act of 2014".

Sec. 5162. Findings and policy.

(a) It is the policy of the District government that there shall be an enduring, full service hospital east of the Anacostia River. To effect this policy the government is committed to improving the United Medical Center ("UMC") with the expectation that its improved financial condition (i.e., solvency) will enable eventual divestiture of UMC from District ownership and management.

(b) The government recognizes and supports the proposition that maintaining full hospital service may likely entail more than renovation of the current facility on Southern Avenue, SE.

(c) Substantial funding has been made available to UMC in the Capital Improvement Plan accompanying the fiscal year 2015 budget. Although most of these dollars are strategic

investment in facilities, equipment, and information technology, the Council would be supportive of utilizing these dollars toward a viable proposal, which may involve a public-private-partnership, to construct a new hospital facility rather than renovation of the existing facility.

(d) The Council affirmatively approved a contract in 2012 with Huron Consulting Group in part to improve the operations of UMC and to assist with the divestiture of UMC from District ownership and management. Huron is urged to solicit bidders for ownership and management without constraint as to a particular business model or financing structure other than to obtain an offer that is both in the best interest of the District government and the policy to maintain an enduring, full service hospital east of the Anacostia River.

(e) The Executive is urged to move forward expeditiously with improving UMC operations and soliciting proposals for private sector takeover of the ownership and management of the United Medical Center.
