1580 “(7) “Shared work benefits” means the unemployment benefits payable to a
1581 participating employee in an affected unit under a shared work plan, as distinguished from the

1588 (b) Section 4 (D.C. Official Code § 51-173) is amended to read as follows:

1609 application is approved, including how the employer will notify those employees in a collective
1610 bargaining unit as well as any employees in the affected unit who are not in a collective
1611 bargaining unit. If the employer will not provide advance notice of the shared work plan to
1612 employees in the affected unit, the employer shall explain in a statement in the application why it
1613 is not feasible to provide such notice;

1614 “(3) Identify the usual weekly hours of work for employees in the affected unit

1624 been reduced or to the same extent as employees not participating in the shared work plan. For
1625 defined benefit retirement plans, the hours that are reduced under the shared work plan shall be
1626 credited for purposes of participation, vesting, and accrual of benefits as though the participating
1627 employee’s usual weekly hours of work had not been reduced. The dollar amount of employer
1628 contributions to a defined contribution plan that are based on a percentage of compensation may

1631 is equally applicable to employees who are not participating in the plan and to participating
1632 employees does not violate a certification made pursuant to this paragraph;

1633 “(5) Certify that the aggregate reduction in work hours under the shared work
1634 plan is in lieu of temporary or permanent layoffs, or both, and provide a good faith estimate of
1635 the number of employees who would be laid off in the absence of the proposed shared work

1641 to all records necessary to approve or disapprove the application for a shared work plan;

1642 “(C) Allow the Director to monitor and evaluate the shared work plan; and

1810 “(A) If the combined hours of work in a week for both employers results
1811 in a reduction of less than 10% of the usual weekly hours of work the participating employee

1813 benefits;

1814 “(B) If the combined hours of work for both employers results in a
1815 reduction equal to or greater than 10% of the usual weekly hours worked for the shared work
1816 employer, the shared work benefit payable to the participating employee is determined by
1817 multiplying the weekly unemployment benefit amount for a week of total unemployment by the
1818 percentage by which the combined hours of work have been reduced. A week for which benefits
1819 are paid under this subparagraph shall be reported as a week of shared work benefits.

1820 “(C) If an individual worked the reduced percentage of the usual weekly
1821 hours of work for the shared work employer and is available for all the participating employee’s
