37 each such participating employer to pay all liabilities which shall exist or
38 accrue under the system, including amortization of the actuarial accrued
39 liability as determined by the board. The board shall determine the
40 actuarial cost method to be used in annual actuarial valuations, to

42 board. Such certified rate of contribution, amortization methods and

1 in ~~subsection (3)(a)~~ of K.S.A. 74-4908(3)(a), and amendments thereto, and
2 shall not be based on any other purpose outside of the needs of the system.

3 (b) (i) For employers affiliating on and after January 1, 1999, upon

5 conducted in the manner provided for in K.S.A. 74-4908, and amendments
6 thereto, the board shall certify, on or before July 15 of each year to each
7 such employer an actuarially determined estimate of the rate of
8 contribution which shall be required to be paid by each such employer to

13 additional liability shall be amortized as determined by the board. For all
14 participating employers described in this section, the board shall determine
15 the actuarial cost method to be used in annual actuarial valuations to

17 board.

18 (ii) The board shall determine for each such employer separately an
19 amount sufficient to amortize all liabilities for prior service costs which
20 shall have accrued at the time of entry into the system. On the basis of
21 such determination the board shall annually certify to each such employer
22 separately an actuarially determined estimate of the rate of contribution
23 which shall be required to be paid by that employer to pay all of the
24 liabilities for such prior service costs. Such rate shall be termed the
25 employer's prior service contribution.

12 for approval, may levy a tax sufficient to allow the participating employer
13 to make its contributions under this act, which tax, together with any other
