time for the secretary to prepare recommendations to the court for a suitable reentry program for the patient and allow adequate time for the ~~county or district~~ prosecuting attorney to provide victim notification. The reentry program shall be specifically designed to facilitate the return of the patient to the community as a functioning, self-supporting citizen, and may include appropriate supportive provisions for assistance in establishing residency, securing gainful employment, undergoing needed vocational rehabilitation, receiving marital and family counseling, and such other outpatient services that appear beneficial. If the court finds from the evidence at the hearing that the conditional provisions of release should be modified or vacated, it shall so order. If at any time during the transitional period the designated medical officer or supervisory personnel or the

treatment facility informs the court that the patient is not satisfactorily complying with the provisions of the conditional release, the court, after a hearing for which notice has been given to the ~~county or district~~ prosecuting attorney and the patient, may make orders: ~~(a)~~ (1) For additional conditions of release designed to effect the ends of the reentry program; ~~(b)~~ (2) requiring the ~~county or district~~ prosecuting attorney to file a petition to determine whether the patient is a mentally ill person as provided in K.S.A. 59-2957, and amendments thereto; or ~~(e)~~ (3) requiring that the patient be committed to the appropriate secure facility, state security hospital or any state hospital.
