13 subsection.

5 (b) The report shall include a complete operating and financial statement
 6 covering the operations of the Trust and summarize the activities of the Trust for the

8 DRAFTER’S NOTE:

9 The requirement that the Maryland Venture Capital Trust submit a report that
 10 includes the operating and financial statement covering the operations of the Trust and
 11 summarizing the activities of the Trust for the preceding fiscal year is repealed. In 1991,
 12 the Trust was established to invest in local venture capital funds. As of January 2013, all
 13 investments have been realized and have been distributed to the beneficial owners leaving
 14 nothing left to report and making the reporting requirement obsolete and unnecessary.

15 14–102.

16 The [Department, the] Maryland State Office of Minority Business Enterprise, the
 17 Division of Labor and Industry of the Department of Labor, Licensing, and Regulation, and
 18 the Public Service Commission shall summarize their efforts to promote the policies related
 19 to broadening the ownership of capital in their respective annual reports as required by
 20 law.

21 DRAFTER’S NOTE:

22 In this section, the reference to the Department of Business and Economic
 23 Development (DBED) is deleted as obsolete. As a matter of course, DBED does not
 24 participate in negotiations pertaining to the broadening of ownership capital. DBED was
 25 formed in 1995 and since that time has had one such transaction – and that transaction
 26 involved a program that the Department no longer administers.

27 **Article – Education**

28 16–106.

29 (d) (1) For purposes of this subsection, “displaced homemaker” is an individual
 30 who:

31 (i) Is 30 years of age or older;

32 (ii) Has worked for the family in the family home;

1 (iii) Is not gainfully employed;

2 (iv) Has had, or would have, difficulty finding employment;

3 (v) 1. Has depended on the income of a family member and has
4 lost that income as the result of separation, divorce, or the death or disability of that family
5 member; or

6 2. Has depended on government assistance as the parent of
7 dependent children and is no longer eligible for such assistance; and

8 (vi) Has an annual income that does not exceed:

9 1. The federal Office of Management and Budget poverty
10 income guidelines; or

11 2. The United States Department of Labor, Bureau of Labor
12 Statistics, 70 percent lower living standard income level.

13 (2) (i) Any resident of this State who is a displaced homemaker and who
14 enrolls in any class which is eligible under § 16–305 of this title for State support at the
15 community college:

16 1. Shall be exempt from payment of tuition; and

17 2. Shall be counted in computing full-time equivalent
18 enrollment under § 16–305 of this title if enrolled in any class that is eligible for State
19 support.

20 (ii) The exemption of tuition under this section is contingent on the
21 availability of funds under the federal Workforce Investment Act.

22 (3) The Department of Labor, Licensing, and Regulation shall coordinate
23 funds for this Displaced Homemakers Program according to the provisions of Title II of the
24 federal Workforce Investment Act, with the funds to be provided by service delivery areas.

25 (4) The Secretary of Higher Education shall:

26 (i) Allocate a minimum of 200 positions for the Displaced
27 Homemakers Program among the community colleges of the State that are located in
28 geographic areas that have been designated by the Governor as service delivery areas in
29 accordance with Section 101 of the federal Workforce Investment Act; and

30 (ii) Base the allocation of positions on the number of displaced
31 homemakers in the service delivery area.

1 (7) Projections as to future funding requirements.]

2 DRAFTER'S NOTE:

3 This section is repealed as redundant and unnecessary since information relating to
4 the Water Pollution Control Fund is included in the annual report of the Department of the
5 Environment to the General Assembly.

6 **Article – Family Law**

7 5–1309.

8 (f) (1) The Department shall enter into a memorandum of understanding with
9 an entity with expertise in child welfare best practices to collect and maintain information
10 necessary to conduct a local department self–assessment and statewide assessment.

11 (2) [On or before January 1, 2008, and annually thereafter, the entity that
12 enters into a memorandum of understanding with the Department, as required by this
13 subtitle, subject to § 2–1246 of the State Government Article, shall report to the General
14 Assembly on:

15 (i) the measurement of performance of the local departments and
16 the Administration, as provided in subsection (a) of this section; and

17 (ii) the information collected and maintained under paragraph (1) of
18 this subsection.

19 (3) Any unit of State government substantively involved with abused or
20 neglected children may contribute information to the entity provided in paragraph (1) of
21 this subsection.

22 DRAFTER'S NOTE:

23 Senate Bill 792 (Ch. 31) / House Bill 799 (Ch. 475) of 2006 includes an uncodified
24 provision of law (Section 6) that requires the Department of Human Resources (DHR) to
25 enter into a memorandum of understanding with the University of Maryland School of
26 Social Work to “implement a local department self–assessment process to monitor the
27 quality of casework services and to collect and maintain child welfare services data.”
28 Section 6, however, is no longer in effect, having sunset on June 30, 2012. Accordingly, the
29 DHR Social Services Administration states that the memorandum of understanding also is
30 no longer in effect.

31 However, under § 5–1309(f)(2) of the Family Law Article as enacted in Chapter 31 /
32 Chapter 475, the “entity that enters into a memorandum of understanding with the
33 Department [of Human Resources]” is still required to issue an annual report to the
34 General Assembly annually on January 1. Since that entity (University of Maryland School

1 of Social Work) has no memorandum of understanding in effect with DHR, there is a
2 “phantom reporting requirement” under the current law. Furthermore, no report has been
3 submitted since 2012. Consequently, the reporting requirement under § 5–1309(f)(2) of the
4 Family Law Article is repealed.

5 **Article – Health – General**

6 10–207.

7 (a) By January 1, 1992, within existing resources, the Director shall update the
8 current Mental Hygiene Administration 3–year plan for mental health, which was
9 submitted to the federal government in response to § 1925 of the Public Health Service Act,
10 in order to plan for those individuals who:

11 (1) Have a serious mental disorder as defined in the plan; and

12 (2) Are not receiving the appropriate array of community–based services
13 described in the “total need” section of the 3–year mental health plan that expired on June
14 30, 1991.

15 (b) (1) By October 1, 1993, within existing resources and in concert with local
16 core service agencies, the Director shall prepare a comprehensive mental health plan which
17 identifies the needs of all individuals who have a serious mental disorder and who are
18 targeted for services in the “Comprehensive Mental Health Services Plan” submitted by the
19 State to the federal government in accordance with § 1925 of the Public Health Service Act.

20 (2) The comprehensive mental health plan shall:

21 (i) Include annual strategic projections, through the year 2000, of
22 resources needed;

23 (ii) Plan for those individuals who have a serious mental disorder,
24 including those who are presently not being served by the public mental health system,
25 those who are homeless, and those children, adults, and elderly individuals living without
26 services in the community with their families or on their own who are at risk of further
27 institutionalization;

28 (iii) Plan for individuals who have a serious mental disorder and who
29 are presently residing in a State facility, nursing home, or jail who could appropriately be
30 served in the community if the proper community–based services were available to them;

31 (iv) Plan for individuals who have a serious mental disorder and who
32 are unable or unwilling to obtain community–based services from existing State–supported
33 programs or from the private sector and assess their need for additional, flexible,
34 individualized, or otherwise more appropriate services;

1 (v) Plan for the extent of need for the development of additional
2 community-based housing and related support services;

3 (vi) Plan for the extent of the need for additional community-based
4 support services, including rehabilitation, clinical treatment, case management, crisis and
5 emergency services, mobile treatment, in-home intervention services, school-based,
6 after-school services, respite and family support services, and vocational services in order
7 to implement the orderly transfer of institutionalized individuals who can live in the
8 community and to serve those individuals presently in the community who are now
9 underserved or unserved and at risk of institutionalization;

10 (vii) Evaluate the role of existing State hospitals and plan for the
11 reallocation to the community of any funds saved through hospital downsizing,
12 consolidation, or closure; and

13 (viii) Be consistent with the goal of providing comprehensive,
14 coordinated community-based housing and support services for every individual who has
15 a serious mental disorder and who is appropriate for and in need of such services.

16 (c) [The Director, within existing resources, shall submit each plan and any
17 updates to the Governor and, as provided in § 2-1246 of the State Government Article, to
18 the General Assembly.

19 (d)] The Director shall, in concert with local core service agencies, implement each
20 plan to the extent that resources are available.

21 DRAFTER'S NOTE:

22 Subsection (c) of this section does not specify a date certain for the Behavioral Health
23 Administration to report "updates" on the State Comprehensive Plan to the Governor and
24 the General Assembly. Moreover, the Behavioral Health Administration includes this
25 information in its annual report that is readily available to the public. Consequently, at the
26 request of the Department of Health and Mental Hygiene, the reporting requirement under
27 subsection (c) of this section is repealed.

28 13-1002.

29 (g) No later than January [15] 31 of each year, the Department shall report to
30 the Governor and, subject to § 2-1246 of the State Government Article, the Senate Budget
31 and Taxation Committee, Senate Finance Committee, House Appropriations Committee,
32 and House Health and Government Operations Committee:

33 (1) The amount of money that was allocated to each component of the
34 Program during:

1 (i) The prior fiscal year that remained unspent and unobligated at
2 the end of that year; and

3 (ii) The current fiscal year that remained unspent and unobligated
4 as of December 31 of the preceding calendar year; and

5 (2) The amount of money that was distributed to a county as a Local Public
6 Health Tobacco Grant during:

7 (i) The prior fiscal year that remained unspent and unobligated at
8 the end of that year; and

9 (ii) The current fiscal year that remained unspent and unobligated
10 as of December 31 of the preceding calendar year.

11 DRAFTER'S NOTE:

12 Under subsection (g) of this section, the Department of Health and Mental Hygiene
13 (DHMH) is required to report to the Governor and General Assembly on expenditures of
14 funds under the Cigarette Restitution Fund Program on or before January 15 of each year.
15 The reporting requirement stipulates that amounts reported shall be current through
16 December 31 of the preceding year. Given the tight intervening timeframe between the end
17 of the reporting period and the date the report currently is due, at the request of DHMH,
18 the report due date is moved to January 31 for efficiency and practicality.

19 13-1004.

20 (d) On or before [September 1] **DECEMBER 31** of each even-numbered fiscal
21 year, beginning in fiscal year 2008, the Department shall submit a report to the Governor
22 and, subject to § 2-1246 of the State Government Article, the General Assembly on the
23 results of the Biennial Tobacco Study.

24 DRAFTER'S NOTE:

25 Under subsection (d) of this section, the Department of Health and Mental Hygiene
26 (DHMH) is directed to produce a biennial report on the results of the Biennial Tobacco
27 Study and submit it to the Governor and General Assembly by September 1 of each
28 even-numbered fiscal year. However, data for the report is not received from various
29 surveys and the Centers for Disease Control and Prevention until late spring or early
30 summer immediately preceding the due date. Once received, the data must be tabulated,
31 analyzed, reviewed, and incorporated into the report. In light of the need to synthesize a
32 vast amount of data to produce the report, at the request of DHMH, the report due date is
33 moved to December 31 for efficiency and practicality.

34 13-1013.

35 (a) There is a Counter-Marketing and Media Component in the Program.

1 (b) The purpose of the Counter-Marketing and Media Component is to coordinate
2 a statewide counter-marketing and media campaign to counter tobacco advertisements and
3 discourage the use of tobacco products.

4 [(h) On or before September 1 of each year, the Department shall submit an
5 annual report to the Governor and, subject to § 2-1246 of the State Government Article,
6 the General Assembly on the results of the Counter-Marketing and Media Component.]

7 DRAFTER'S NOTE:

8 Under subsection (h) of this section, the Department of Health and Mental Hygiene
9 (DHMH) is directed to produce an annual report on or before September 1 of each year on
10 the results of the Counter-Marketing and Media Component of the Cigarette Restitution
11 Fund Program on or before September 1 of each year.

12 The Local Public Health Component, the Statewide Public Health Component, and
13 the Counter-Marketing Component are designed in accordance with Centers for Disease
14 Control and Prevention best practice recommendations to work synergistically with each
15 other to produce the desired outcome – reduced tobacco use. The requirement for separate
16 reporting on the counter-marketing activities is counterintuitive to the purpose and
17 process of tobacco control.

18 Even though some counter-marketing activities occur, this specific component has
19 not received dedicated funding since FY 2010. Accordingly, at the request of DHMH the
20 mandate for this separate report is repealed and in its stead a summary of programmatic
21 activities, including those of the Counter-Marketing Component, can be included as a part
22 of the annual outcomes and expenditure report for the Cigarette Restitution Fund required
23 under § 7-317 of the State Finance and Procurement Article.

24 13-1102.

25 (h) No later than January ~~[15]~~ **31** of each year, the Department shall report to
26 the Governor and, subject to § 2-1246 of the State Government Article, Senate Budget and
27 Taxation Committee, Senate Finance Committee, House Appropriations Committee, and
28 House Health and Government Operations Committee:

29 (1) The amount of money that was allocated to each component of the
30 Program during:

31 (i) The prior fiscal year that remained unspent and unobligated at
32 the end of that year; and

33 (ii) The current fiscal year that remained unspent and unobligated
34 as of December 31 of the preceding calendar year; and

1 (2) The amount of money that was distributed to a county as a Local Public
2 Health Cancer Grant during:

3 (i) The prior fiscal year that remained unspent and unobligated at
4 the end of that year; and

5 (ii) The current fiscal year that remained unspent and unobligated
6 as of December 31 of the preceding calendar year.

7 DRAFTER'S NOTE:

8 Under subsection (h) of this section, the Department of Health and Mental Hygiene
9 (DHMH) is required to report to the Governor and General Assembly on or before January
10 15 of each year on expenditures under the Cigarette Restitution Fund Program for cancers
11 targeted under the Cancer Prevention, Education, Screening and Treatment Program. The
12 reporting requirement stipulates that amounts reported shall be current through December
13 31 of the preceding year. Given the tight intervening timeframe between the end of the
14 reporting period and the date the report currently is due, at the request of DHMH, the
15 report due date is moved to January 31 for efficiency and practicality.

16 13–1104.

17 (a) Beginning in fiscal year 2004 and biennially thereafter, the Department shall
18 conduct a Biennial Cancer Study.

19 (b) The Biennial Cancer Study shall:

20 (1) Measure the same factors that are set forth in § 13–1103(d) of this
21 subtitle; and

22 (2) Use the same methodology or model that is used to conduct the Baseline
23 Cancer Study.

24 (c) The Department may:

25 (1) Conduct the Biennial Cancer Study or any part of the Study; or

26 (2) Contract with a higher education institution or private entity to conduct
27 the Biennial Cancer Study or any part of the Study.

28 (d) (1) If the Department chooses to have a higher education institution or
29 private entity conduct the Biennial Cancer Study or any part of the Study, the Department
30 shall issue a request for proposal to select the entity that will conduct the Study or the
31 relevant part of the Study.

32 (2) The Department may contract with an entity to conduct one or more
33 biennial cancer studies or a part of one or more biennial cancer studies.

1 (e) On or before [September 1] **DECEMBER 31** of each odd numbered fiscal year,
2 beginning in fiscal year 2005, the Department shall submit a report to the Governor and,
3 subject to § 2–1246 of the State Government Article, the General Assembly, on the results
4 of the Biennial Cancer Study.

5 **DRAFTER’S NOTE:**

6 Under this section, the Department of Health and Mental Hygiene (DHMH) is
7 directed to produce a biennial report on the cancers targeted under the Cigarette
8 Restitution Fund Cancer Prevention, Education, Screening and Treatment Program.
9 Maryland law mandates that DHMH submit this biennial report on or before September
10 1 of each odd numbered fiscal year.

11 United States cancer mortality data is obtained from the National Center for Health
12 Statistics (NCHS) through the publication of the U.S. SEER Cancer Statistics Review,
13 information that is needed for the report required under this section. Once obtained,
14 DHMH must tabulate, analyze, and incorporate the extensive mortality data into the
15 report. There is no set timeframe for data release by NCHS; however, historically the data
16 is not made available until after the September 1 statutory deadline of the report required
17 under this section. Accordingly, at the request of DHMH, the due date of the report required
18 under this section is moved from September 1 of each odd numbered fiscal year to December
19 31 of each odd numbered fiscal year. With this change, DHMH expects to meet the reporting
20 deadline without difficulty.

21 13–2105.

22 The Advisory Board shall:

- 23 (1) Investigate the needs of citizens with traumatic brain injuries;
- 24 (2) Identify gaps in services to citizens with traumatic brain injuries;
- 25 (3) Facilitate collaboration among State agencies that provide services to
26 individuals with traumatic brain injuries;
- 27 (4) Facilitate collaboration among organizations and entities that provide
28 services to individuals with traumatic brain injuries;
- 29 (5) Encourage and facilitate community participation in program
30 implementation;
- 31 (6) Issue an annual report to the Governor and, in accordance with §
32 2–1246 of the State Government Article, the General Assembly on or before November 30,
33 2005, and each November 30 thereafter [summarizing]:

1 **(I) SUMMARIZING** the actions of the Advisory Board and containing
2 recommendations for:

3 **[(i)] 1.** Providing oversight in acquiring and utilizing State and
4 federal funding dedicated to services for individuals with traumatic brain injuries;

5 **[(ii)] 2.** Building provider–capacity and provider–training that
6 address the needs of individuals with traumatic brain injuries; and

7 **[(iii)] 3.** Improving the coordination of services for individuals with
8 traumatic brain injuries; and

9 **(II) INCLUDING INFORMATION CONCERNING THE NUMBER OF**
10 **INDIVIDUALS SERVED AND THE SERVICES PROVIDED IN THE PRECEDING FISCAL**
11 **YEAR TO INDIVIDUALS WITH TRAUMATIC BRAIN INJURY; AND**

12 (7) Disseminate copies of the annual report to the President of the Senate,
13 Speaker of the House, and the secretary of each department represented on the Advisory
14 Board.

15 **DRAFTER’S NOTE:**

16 Item (6) of this section is amended to require the State Traumatic Brain Injury
17 Advisory Board to include information in its annual report to the Governor and the General
18 Assembly concerning individuals served and services provided to individuals with
19 traumatic brain injury. Under § 13–21A–02(i) of the Health – General Article, the Secretary
20 of the Department of Health and Mental Hygiene or the Secretary’s designee is required to
21 report this information annually to the Governor and the General Assembly. Elsewhere
22 under this bill, the reporting requirement under § 13–21A–02(i) of the Health – General
23 Article is repealed and the reporting requirement is transferred to the State Traumatic
24 Brain Injury Advisory Board under this section, for efficiency.

25 13–21A–02.

26 (a) There is a State Brain Injury Trust Fund.

27 (b) (1) The purpose of the Fund is to assist in the provision of the following
28 services to eligible individuals who have sustained brain injuries:

29 (i) Individual case management services; and

30 (ii) Neuropsychological evaluation.

31 (2) The Fund may be used to support:

32 (i) Prevention, education, and awareness programs;

- 1 (ii) Rehabilitation services;
- 2 (iii) Medical services;
- 3 (iv) Durable medical equipment;
- 4 (v) Assistive technology assessment and equipment;
- 5 (vi) Services to assist in the return to driving;
- 6 (vii) Evaluation and training related to the brain injury;
- 7 (viii) Neurobehavioral health services;
- 8 (ix) Nursing home transition services;
- 9 (x) Community reentry services;
- 10 (xi) Educational needs;
- 11 (xii) Housing and residential services; and
- 12 (xiii) Transportation services.

13 [(i) On or before December 1 of each year, the Secretary or the Secretary's
14 designee shall submit a report to the Governor and, in accordance with § 2-1246 of the
15 State Government Article, the General Assembly on the number of individuals served and
16 the services provided in the preceding fiscal year using the Fund.]

17 DRAFTER'S NOTE:

18 Subsection (i) of this section requires the Secretary of the Department of Health and
19 Mental Hygiene or the Secretary's designee to submit an annual report to the Governor
20 and the General Assembly concerning the number of individuals served and services
21 provided to individuals with traumatic brain injury. However, there is no dedicated funding
22 for this purpose. Consequently, the requirement to report information concerning the
23 number of individuals served and services provided to individuals with traumatic brain
24 injury under subsection (i) of this section is repealed and the responsibility to report this
25 information is transferred to the State Traumatic Brain Injury Advisory Board under §
26 13-2105(6) of the Health – General Article, for efficiency.

27 13-2504.

28 (a) (1) The Office of Oral Health shall conduct an annual evaluation of the
29 Program.

- 1 (2) The evaluation required under this subsection shall include:
- 2 (i) Data on any progress resulting from each grant awarded under
3 this subtitle;
- 4 (ii) Data on any progress of the overall Program;
- 5 (iii) Data demonstrating any increase in the use of restorative dental
6 care among underserved populations; and
- 7 (iv) Data from any statewide survey conducted by the Department
8 that demonstrates any progress of the Program.

9 (b) The Department, in conjunction with the Office of Oral Health, shall report to
10 the Governor and, in accordance with § 2-1246 of the State Government Article, the
11 General Assembly on or before [~~September 30~~] **NOVEMBER 1** of each year on:

- 12 (1) The results of the Program;
- 13 (2) Findings and recommendations for the Oral Health Program and any
14 other oral health programs established under Title 18, Subtitle 8 of this article;
- 15 (3) The availability and accessibility of dentists throughout the State
16 participating in the Maryland Medical Assistance Program;
- 17 (4) The outcomes that managed care organizations and dental managed
18 care organizations under the Maryland Medical Assistance Program achieve concerning
19 the utilization of targets required by the Five Year Oral Health Care Plan, including:
- 20 (i) Loss ratios that the managed care organizations and dental
21 managed care organizations experience for providing dental services; and
- 22 (ii) Corrective action by managed care organizations and dental
23 managed care organizations to achieve the utilization targets; and
- 24 (5) The allocation and use of funds authorized for dental services under the
25 Maryland Medical Assistance Program.

26 **DRAFTER'S NOTE:**

27 Under this section, the Maryland Medicaid Program and the Office of Oral Health
28 at the Department of Health and Mental Hygiene (DHMH) are required to submit a
29 comprehensive oral health legislative report to the Governor and the General Assembly by
30 September 30 of each year. Medicaid requires managed care organizations to submit data
31 required for the report by June 30 every year. Once obtained, Medicaid must tabulate,
32 analyze, review, and incorporate the data for the report. Accordingly, at the request of
33 DHMH, the due date for the report required under this section is moved from September

1 30 of each odd-numbered fiscal year to November 1 of each year, for efficiency and
2 practicality.

3 15-102.4.

4 [(e) If there is money held in trust under this section, on or before June 1 of each
5 year, the Secretary shall submit to the General Assembly, in accordance with § 2-1246 of
6 the State Government Article, a report on:

7 (1) The number of managed care organizations for which the Secretary has
8 designated money to be held in trust under this section; and

9 (2) The amount of money held in trust by the Secretary that has been paid
10 out in cases of insolvency or impairment of managed care organizations.]

11 DRAFTER'S NOTE:

12 Subsection (e) of this section is repealed as obsolete and unnecessary. The
13 requirement for a report concerning the number of managed care organizations for which
14 the Secretary of Health and Mental Hygiene has designated money to be held in trust and
15 the amount paid out by the Secretary in cases of insolvency took effect in 1995; however,
16 no report has ever been submitted.

17 15-124.2.

18 [(i) On or before December 1, 2001, and annually thereafter, the Department and
19 Medbank of Maryland, Inc. shall report to the Governor and, in accordance with § 2-1246
20 of the State Government Article, to the General Assembly, on the status of the Maryland
21 Medbank Program established under this section, including:

22 (1) The number and demographic characteristics of the State residents
23 served by the Program;

24 (2) The types and retail value of prescription drugs accessed through the
25 Program;

26 (3) The nature and extent of outreach performed to inform State residents
27 of the assistance available through the Program; and

28 (4) The total volume and retail value of each brand name drug, by
29 manufacturer, accessed through the Program.]

30 DRAFTER'S NOTE:

1 Subsection (i) of this section is repealed as obsolete. State funding for the Maryland
2 Medbank Program was discontinued after 2009, and the Department of Health and Mental
3 Hygiene no longer receives information on the program.

4 19–310.1.

5 (f) On or before ~~[March 1, 2008,]~~ **SEPTEMBER 1, 2015**, and each year thereafter,
6 the Department shall report to the General Assembly, in accordance with § 2–1246 of the
7 State Government Article, on the implementation of this section, including:

8 (1) The percentage and amount of the assessment charged to each nursing
9 facility subject to this section;

10 (2) The number of nursing facilities subject to this section with a net loss;
11 and

12 (3) A comparison of the total amount provided in the Medicaid budget for
13 nursing home reimbursement in the current fiscal year to the **ACTUAL** amount ~~[proposed~~
14 ~~for the upcoming]~~ **RECEIVED IN THE IMMEDIATELY PRIOR** fiscal year.

15 **DRAFTER’S NOTE:**

16 Under subsection (f) of this section, the date for the annual report concerning the
17 implementation of the nursing home quality assessment is moved from March 1 to
18 September 1 for efficiency and practicality. The report currently requires the Department
19 of Health and Mental Hygiene to collect and analyze a vast amount of data and the March
20 1 reporting date is extremely problematic.

21 In addition, the reporting period to be covered by the report is revised in item (3) of
22 this subsection for consistency with the revised due date for the report.

23 **Article – Housing and Community Development**

24 4–215.

25 (a) The Administration shall administer a home buyer assistance program that:

26 (1) assists home buyers to receive low–interest mortgage loans, with down
27 payment and closing cost assistance options, for the purchase of homes near their place of
28 employment; and

29 (2) coordinates with, and matches where appropriate, similar programs
30 offered by private employers and county and municipal governments so as to maximize the
31 total amount that home buyers can receive under the program.

32 (b) With reference to loans under this program, the Administration shall:

1 (1) allow home buyers to utilize the loans for the purchase of newly
2 constructed or existing homes; and

3 (2) require a home purchased under this program to be occupied by the
4 home buyer as a principal residence.

5 (c) The Administration shall facilitate the marketing of the program with private
6 employers and county and municipal governments, and, where appropriate, other units of
7 State government and nonprofit organizations.

8 (d) The Administration shall adopt regulations to implement the program
9 established under this section.

10 **(E) THE DEPARTMENT SHALL REPORT TO THE GENERAL ASSEMBLY ON OR**
11 **BEFORE DECEMBER 31 EACH YEAR, IN ACCORDANCE WITH § 2-1246 OF THE STATE**
12 **GOVERNMENT ARTICLE, ON THE PROGRAM ESTABLISHED UNDER THIS SECTION.**

13 DRAFTER'S NOTE:

14 The reporting requirement under Chapter 551 of the Acts of 2005, Section 3 is
15 repealed and instead codified under this section for efficiency and transparency.

16 **Article – Human Services**

17 [6-708.

18 Each year the Department shall submit a report to the Governor and, subject to §
19 2-1246 of the State Government Article, to the General Assembly regarding the status and
20 effectiveness of the Program.]

21 DRAFTER'S NOTE:

22 This section is repealed as obsolete. According to the Department of Human
23 Resources Office of Refugees and Asylees, the “Citizens Promotion Program” is defunct.

24 10-208.

25 (f) The Commission shall:

26 (1) exercise the powers and perform the duties specified in this title;

27 (2) review:

28 (i) ongoing statewide programs and activities for seniors; and

1 (ii) new statewide programs for seniors before the programs are
2 implemented; **AND**

3 (3) make recommendations to the Secretary about statewide programs and
4 activities for seniors]; and

5 (4) prepare and submit an annual report to the Governor and the Secretary
6 that includes recommendations for legislative or other actions to strengthen statewide
7 programs and activities for seniors].

8 **DRAFTER'S NOTE:**

9 The reporting requirement under subsection (f)(4) of this section is repealed as
10 redundant since, as part of the annual budget process, the Commission on Aging routinely
11 makes recommendations regarding and provides justification for departmental legislation
12 to the Secretary of Aging.

13 10-306.

14 (a) (1) The Interagency Committee shall develop and update annually a plan
15 for providing coordinated health services, social services, transportation, housing, and
16 employment services to seniors in the State consistent with the priorities that the
17 Department establishes.

18 (2) If the members of the Interagency Committee cannot agree on a plan,
19 the chair shall refer the matter to the Governor for resolution.

20 (b) [Annually on or before a date that the Governor sets, the Interagency
21 Committee shall develop and present to the Governor and the General Assembly a
22 consolidated operating budget for services to seniors that:

23 (1) sets forth the relevant portions of the operating budget of any unit
24 responsible for services to seniors; and

25 (2) is consistent with the plan developed under subsection (a) of this
26 section.

27 (c)] The Interagency Committee shall establish interagency agreements and adopt
28 regulations to:

29 (1) implement and coordinate services to seniors consistent with the plan
30 developed under subsection (a) of this section;

31 (2) maximize the sharing of resources among units of State government for
32 services to seniors;

1 (3) consolidate planning and evaluation efforts at the State and local levels;
2 and

3 (4) coordinate and expedite the delivery of services to seniors by providing
4 technical assistance to local agencies.

5 **[(d)] (C)** (1) The Interagency Committee shall assist county agencies to
6 establish local interagency committees composed of:

7 (i) the directors of the local health department, local department of
8 social services, and area agency; and

9 (ii) officials from housing, transportation, mental health,
10 employment, and economic development agencies.

11 (2) Local interagency committees shall coordinate and expedite the
12 delivery of services to seniors at the local level.

13 **DRAFTER'S NOTE:**

14 The reporting requirement under subsection (b) of this section is repealed as obsolete
15 inasmuch as it is administratively unworkable and impractical for the Department of Aging
16 to develop a working budget for services for seniors; consequently it is not being done.

17 **Article – Insurance**

18 11–326.

19 (a) **[(1)]** Notwithstanding any other provision of law, any data, documents, or
20 other information filed with the Commissioner under Part IV of this subtitle about a
21 particular insurer or that insurer's market share or plan:

22 **[(i)] (1)** shall be considered confidential commercial information;

23 **[(ii)] (2)** shall be kept confidential by the Commissioner; and

24 **[(iii)] (3)** may not be made public or be subject to subpoena, other
25 than by the Commissioner for the purpose of enforcement of Part IV of this subtitle by the
26 Commissioner.

27 **[(2)] (B)** The Commissioner:

28 **[(i)] (1)** may release a list of the names of all insurers designated
29 as major insurers; and

1 [(ii)] (2) may not release the particular market share of a major
2 insurer in Baltimore City unless authorized by the insurer.

3 [(b) (1) On or before July 1, 1997, the Commissioner shall submit a report to
4 the Governor and, subject to § 2–1246 of the State Government Article, the General
5 Assembly about the availability and affordability of private passenger motor vehicle
6 insurance in Baltimore City.

7 (2) The report shall provide information on:

8 (i) the number of insurers actively engaged in providing coverage in
9 Baltimore City;

10 (ii) the market shares of insurers in the market in Baltimore City;

11 (iii) the changes in market shares of insurers in the market in
12 Baltimore City; and

13 (iv) whether insurance is available from insurers other than the
14 Maryland Automobile Insurance Fund.]

15 DRAFTER'S NOTE:

16 The reporting requirement under subsection (b) of this section regarding the
17 availability and affordability of private passenger motor vehicle insurance in Baltimore
18 City is repealed as obsolete.

19 14–102.

20 (e) On or before [December 1, 2005.] **MAY 31, 2015**, and annually thereafter, the
21 Commissioner shall report to the Governor, and, in accordance with § 2–1246 of the State
22 Government Article, the Senate Finance Committee and the House Health and
23 Government Operations Committee, on the compliance of a nonprofit health service plan
24 subject to § 14–115(d) of this subtitle with the provisions of this subtitle.

25 DRAFTER'S NOTE:

26 The information for the annual report required under subsection (c) of this section is
27 filed with the Maryland Insurance Administration after March 31 each year. Consequently,
28 the date for the submission of the annual report to the Governor and General Assembly
29 committees is changed from December 1 to May 31 each year for efficiency and practicality.

30 **Article – Labor and Employment**

31 5–608.

1 (a) Except as provided in § 24–505 of the Health – General Article, an individual
2 may not smoke in an indoor place of employment.

3 (b) (1) The Department shall adopt regulations that prohibit environmental
4 tobacco smoke, as defined in § 24–501 of the Health – General Article, in indoor places of
5 employment not normally open to the general public.

6 (2) Subject to subsection (c) of this section, a person who violates a
7 regulation adopted under this subtitle:

8 (i) for a first violation, shall be issued a written reprimand by the
9 Commissioner or the Commissioner’s designee;

10 (ii) for a second violation, is subject to a civil penalty of \$100; and

11 (iii) for each subsequent violation, is subject to a civil penalty not less
12 than \$250.

13 (c) The Commissioner may waive a penalty established under subsection (b) of
14 this section, giving consideration to factors that include:

15 (1) the seriousness of the violation; and

16 (2) any demonstrated good faith measures to comply with the provisions of
17 this subtitle.

18 (d) A penalty collected by the Commissioner under this section shall be paid to
19 the Cigarette Restitution Fund established under § 7–317 of the State Finance and
20 Procurement Article.

21 (e) [On or before September 30 of each year, the Department shall report, in
22 accordance with § 2–1246 of the State Government Article, to the General Assembly on:

23 (1) the enforcement efforts of the Department to eliminate environmental
24 tobacco smoke, as defined in § 24–501 of the Health – General Article, in indoor places of
25 employment during the prior year; and

26 (2) the results of these enforcement efforts.

27 (f) An employer who discharges or discriminates against an employee because
28 that employee has made a complaint under this section, has given information to the
29 Department in accordance with this section, has caused to be instituted or is about to cause
30 to be instituted a proceeding under this section, or has testified or is about to testify in a
31 proceeding, shall be deemed in violation of this section and shall be subject to a civil penalty
32 of at least \$2,000 but not more than \$10,000 for each violation.

- 1 **[(g) (F)** (1) An employee may not:
- 2 (i) make a groundless or malicious complaint to the Commissioner
- 3 or an authorized representative of the Commissioner;
- 4 (ii) in bad faith, bring an action under this subtitle; or
- 5 (iii) in bad faith, testify in an action under this subtitle or a
- 6 proceeding that relates to the subject of this subtitle.
- 7 (2) The Commissioner may bring an action for injunctive relief and
- 8 damages against a person who violates the provisions of paragraph (1) of this subsection.

9 **DRAFTER'S NOTE:**

11 Department of Labor, Licensing, and Regulation now has broad enforcement authority with

12 regard to the indoor smoking ban in the State.

13 8-422.

14 **[(g) (1)** Beginning December 31, 2007, and each year thereafter, the Secretary

15 shall report to the Governor and, in accordance with § 2-1246 of the State Government

17 House Appropriations Committee, and the House Economic Matters Committee.

18 (2) The report shall include:

19 (i) the financial status of the Special Administrative Expense Fund

20 and a summary of its activity for the preceding fiscal year; and

22 Administrative Expense Fund in the preceding fiscal year.]

23 **DRAFTER'S NOTE:**

24 The report to the General Assembly committees under subsection (g) of this section

25 is unnecessary and redundant since information concerning the uses of the Special

26 Administrative Expense Fund is included in the annual General Assembly Budget Books

27 and on request as needed.

28 9-312.

29 (a) As soon as practicable after the end of the fiscal year, the Chairman of the

30 Commission shall submit an annual report to the Governor **AND, IN ACCORDANCE WITH**

31 **§ 2-1246 OF THE STATE GOVERNMENT ARTICLE, THE GENERAL ASSEMBLY.**

- 1 (b) The annual report shall include:
- 2 (1) any suggestions to improve the administration of this title;
- 3 (2) a detailed statement of receipts and disbursements of the Commission;
- 4 and
- 5 (3) statistical analyses of:
- 6 (i) the costs of workers' compensation;
- 7 (ii) experiences; and
- 8 (iii) industrial injuries.

9 DRAFTER'S NOTE:

10 Stylistic change in subsection (a) of this section; boiler-plate bill drafting language
11 is added regarding the submission of an annual report by the Chairman of the Workers'
12 Compensation Commission to the General Assembly, for clarity.

13 10-219.

14 (b) On or before October 1 of each year, the Board shall submit to the Governor
15 **AND, SUBJECT TO § 2-1246 OF THE STATE GOVERNMENT ARTICLE, THE GENERAL**
16 **ASSEMBLY** an annual report that includes a detailed statement of the balances and
17 expenses of the Fund.

18 DRAFTER'S NOTE:

19 Stylistic change in subsection (b) of this section; boiler-plate bill drafting language
20 is added regarding the submission of an annual report by the Subsequent Injury Fund
21 Board to the General Assembly, for clarity.

22 10-320.

23 (b) On or before October 1 of each year, the Board shall submit to the Governor

27 DRAFTER'S NOTE:

1 Stylistic change in subsection (b) of this section; boiler-plate bill drafting language
2 is added regarding the submission of an annual report by the Uninsured Employers' Fund
3 Board to the General Assembly, for clarity.

4 **Article – Natural Resources**

5 1–104.

6 (e) The Secretary shall publish for [fiscal year 1994 and each alternate fiscal year
7 thereafter] **CALENDAR YEAR 2015 AND EACH SUBSEQUENT CALENDAR YEAR** a
8 [printed] report which shall include, but not be limited to, the following:

9 (1) A review of studies, deliberations, conclusions, and recommendations of
10 the Department;

11 (2) The annual reports submitted by the separate units within the
12 Department which shall be edited by the Secretary's staff; and

13 (3) A review of other natural resources activities of interest or concern to
14 the State and its citizens.

15 **DRAFTER'S NOTE:**

16 The reporting requirement under subsection (e) of this section is revised for clarity
17 and efficiency. An annual report provides more timely information and putting a .pdf report
18 online will eliminate printing costs. Notably, numerous Department of Natural Resources
19 reports currently are available only online in a .pdf format.

20 1–706.

21 (a) On or before [August 31] **SEPTEMBER 30** of each year, the Secretary shall
22 submit a report to the General Assembly, pursuant to § 2–1246 of the State Government
23 Article, on the administration of the Chesapeake Bay and Endangered Species Fund.

24 **DRAFTER'S NOTE:**

25 The reporting requirement under subsection (a) of this section is revised for clarity
26 and efficiency. Establishing the annual reporting date as September 30 allows the
27 Department of Natural Resources finance department more time after the fiscal year
28 close-out to complete the report. (It usually takes the department 6–8 weeks after June 30
29 to declare the previous fiscal year closed.)

30 [3–3A–04.

31 (a) Not later than January 1, 1987, and biennially thereafter, the departments,
32 with the advice of the participating agencies and interested private parties, shall prepare

1 and submit a report to the Governor, and subject to § 2–1246 of the State Government
2 Article, to the General Assembly.

3 (b) The report shall include:

4 (1) A description of activities undertaken in accordance with this subtitle;

5 (2) The costs of the activities undertaken in accordance with this subtitle;

6 (3) The findings of the research and monitoring program, including the
7 current levels and anticipated significant adverse effects and future trends of acid
8 deposition in the State;

9 (4) Recommended State responses, when appropriate, to federal legislative
10 or regulatory initiatives; and

11 (5) Potential options to evaluate acid deposition and its potential adverse
12 effects in the State.]

13 DRAFTER'S NOTE:

14 This section is repealed as obsolete. Acid deposition is no longer a relevant issue and
15 subsequent amendments to the federal Clean Air Act resolved many of the issues that are
16 the subject of the report required of the Department of Natural Resources and the
17 Department of the Environment under this section.

18 4–210.

19 (h) (1) The fee for a limited fishing guide license under subsection (g) of this
20 section shall be:

21 (i) For a resident, \$50; and

22 (ii) For a nonresident, \$100.

23 (2) All fees collected by the Department under this subsection shall be used
24 for monitoring the freshwater fishery.

25 [(3) The Department shall publicly report annually the amounts collected
26 under this subsection.]

27 DRAFTER'S NOTE:

28 The report required under subsection (h)(3) of this section is impractical and
29 unnecessary. The dollar amounts for the fees are small and there is no apparent reason to
30 require reporting of this narrow source of revenue. Moreover, the underlying statute does

1 not specify the entity to which the Department of Natural Resources is required to report
2 this information. Nonetheless, even with the repeal of this provision of law, the information
3 will still readily and publicly be available in budget documents, reports to the Tidal
4 Fisheries Advisory Commission and the Sport Fisheries Advisory Commission, and various
5 annual reports.

6 4-210.1.

7 (d) [(1)] All fees collected by the Department pursuant to this section shall be
8 used for monitoring the freshwater fishery, including the capture and tagging of black bass
9 in order to develop information and methods to sustain a healthy black bass population.

10 [(2) The Department shall publicly report annually the amounts collected
11 and the expenditures under this section.]

12 DRAFTER'S NOTE:

13 The report required under subsection (d)(2) of this section is impractical and
14 unnecessary. The dollar amounts for the fees are small and there is no apparent reason to
15 require reporting of this narrow source of revenue. Moreover, the underlying statute does
16 not specify the entity to which the Department of Natural Resources is required to report
17 this information. Nonetheless, even with the repeal of this provision of law, the information
18 will still readily and publicly be available in budget documents, reports to the Tidal
19 Fisheries Advisory Commission and the Sport Fisheries Advisory Commission, and in
20 various annual reports.

21 4-2A-04.

22 [(g) (1) For any species of fish that the Secretary has determined to be
23 endangered or threatened under subsection (b) of this section and on which the Secretary
24 has declared a moratorium on catching, sale, or possession, the Secretary shall make an
25 annual status report on or before December 1 to the General Assembly, as provided in §
26 2-1246 of the State Government Article, and to the Governor.

27 (2) The Secretary's report shall contain:

28 (i) Field studies on spawning stock size;

29 (ii) Measurement of egg deposition on spawning grounds;

30 (iii) Measurements of mortality rates of fish eggs, larvae, and
31 juveniles on spawning grounds, nursery areas and spawning rivers;

32 (iv) Bioassays on eggs and larvae collected from spawning fish;

1 (v) Measurements of heavy metals, PCBs, acid rain leachates,
2 sediments, and other distresses to the habitat;

3 (vi) Studies on acid rain;

4 (vii) Studies on the role of fish diseases;

5 (viii) Trend analyses and recommendations for future management
6 actions; and

7 (ix) A recommendation to continue for 1 year or to discontinue the
8 moratorium on the catching, sale, or possession of the fish.]

9 DRAFTER'S NOTE:

10 Subsection (g) of this section is repealed. The report required under this subsection
11 is obsolete and impractical; it also is overbroad and extremely burdensome and was last
12 completed in 2006.

13 4-746.

14 [(a)] The Department shall conduct annually a scientific survey to determine the
15 relative abundance of striped bass or rockfish of approximately 18 inches in length that are
16 in the Chesapeake Bay and its tributaries. The survey shall be conducted in areas that are
17 used by the Department to determine its young-of-the-year index of striped bass or
18 rockfish.

19 [(b)] The Department shall complete the survey and report its results, subject to §
20 2-1246 of the State Government Article, to the General Assembly not later than December
21 1 of each year.]

22 DRAFTER'S NOTE:

23 The report required under subsection (b) of this section is redundant; the information
24 required under this report is included in the annual report required of the Department of
25 Natural Resources under § 4-215(g) of the Natural Resources Article on the striped bass
26 fishery management plan.

27 5-103.

28 (h) On or before [July 1] **SEPTEMBER 30** of each year, the Department or local
29 authority shall submit to the Senate Education, Health, and Environmental Affairs
30 Committee and the House Environmental Matters Committee a report on:

31 (1) The number and location of each construction activity subject to the
32 requirements of this section;

1 (2) The amount and location of acres cleared, conserved, and planted in
2 connection with the activity; and

3 (3) The amount of reforestation fees collected and expended.

4 DRAFTER'S NOTE:

5 The reporting requirement under subsection (h) of this section is revised for clarity
6 and efficiency. Establishing the annual reporting date as September 30 allows the
7 Department of Natural Resources finance department more time after the fiscal year
8 close-out to complete the report. (It usually takes the department 6–8 weeks after June 30
9 to declare the previous fiscal year closed.)

10 5–307.

11 (j) On or before **[June] SEPTEMBER 30** of each year, the Department shall report
12 to the Senate Education, Health, and Environmental Affairs Committee and the House
13 Environmental Matters Committee, in accordance with § 2–1246 of the State Government
14 Article, on the use of funds credited to the Fund, including an identification of and the
15 reasons for those revenues derived from forestry practices on designated lands owned and
16 managed by the Department that were not credited to the Fund.

17 DRAFTER'S NOTE:

18 The reporting requirement under subsection (j) of this section is revised for clarity
19 and efficiency. Establishing the annual reporting date as September 30 allows the
20 Department of Natural Resources finance department more time after the fiscal year
21 close-out to complete the report. (It usually takes the department 6–8 weeks after June 30
22 to declare the previous fiscal year closed.)

23 5–1613.

24 On or before **[July 1] SEPTEMBER 30** of each year, the Department shall submit,
25 subject to § 2–1246 of the State Government Article, to the Senate Education, Health, and
26 Environmental Affairs Committee and the House Environmental Matters Committee a
27 statewide report, compiled from local authorities' reports to the Department, on:

28 (1) The number, location, and type of projects subject to the provisions of
29 this subtitle;

30 (2) The amount and location of acres cleared, conserved, and planted,

9 DRAFTER'S NOTE:

10 The reporting requirement under this section is revised for clarity and efficiency.
11 Altering the annual reporting date to September 30 allows the Department of Natural
12 Resources finance department more time after the fiscal year close-out to complete the
13 report. (It usually takes the department 6–8 weeks after June 30 to declare the previous
14 fiscal year closed.)

15 8–1808.1.

16 (e) [(3) (i) Each local jurisdiction shall:

17 1. Maintain records of all building permits issued under this
18 subsection for additional dwelling units considered part of a primary dwelling unit; and

19 2. Provide this information on a quarterly basis to the
20 Commission.

21 (ii) Beginning on November 1, 2004 and annually thereafter, the
22 Commission shall report, subject to § 2–1246 of the State Government Article, to the Senate
23 Education, Health, and Environmental Affairs Committee, the House Environmental
24 Matters Committee, and the Joint Committee on the Chesapeake and Atlantic Coastal
25 Bays Critical Area regarding the construction of additional dwelling units considered part
26 of a primary dwelling unit under this subsection.]

27 [(4) (3) The provisions of this subsection:

28 (i) Apply to density calculations only; and

29 (ii) May not be construed to authorize a local jurisdiction to grant a
30 variance, unless the variance is granted in accordance with the requirements of § 8–1808(d)
31 of this subtitle.

1 DRAFTER'S NOTE:

2 The reporting requirement under subsection (e)(3) of this section is obsolete and
3 unnecessary. Under the critical area law, the maximum housing density in a resource
4 conservation area is one dwelling per 20 acres. Before 2004, a trend was developing where
5 landowners in a resource conservation area would build an accessory dwelling unit (often
6 called an "in-law suite" or "servants quarters") on the land. These accessory dwelling units
7 often served as an additional primary dwelling unit, undermining the resource
8 conservation area density standard.

9 Chapter 546 of 2004 addressed this problem by establishing strict standards related
10 to size, location, and waste disposal for the construction of lawful accessory dwelling units
11 (assuming the critical area jurisdiction allows accessory dwelling units in these areas in
12 the first place). That legislation also required local jurisdictions to record any permitted
13 accessory dwelling units in resource conservation areas and report this information
14 quarterly to the Critical Area Commission. The Commission in turn was required to report
15 this information annually to the General Assembly.

16 Since that legislation was enacted, only 4 jurisdictions (Charles, Kent, Talbot, and
17 Worcester counties) have authorized lawful accessory dwelling units in resource
18 conservation areas. In that same time period only twice has a critical area jurisdiction
19 approved construction of an accessory dwelling unit (both in Talbot County), and none have
20 been approved in at least 6 years.

21 The Commission believes that, given the above circumstances, the 2004 legislation
22 achieved its purposes and ended the prior practices that undermined the density standard
23 for resource conservation areas. As a result, the Commission believes that the above
24 reporting requirements under subsection (c) of this section have "outlived their usefulness"
25 and supports the repeal of the requirement.

26 8-2103.

27 (a) (1) The Department shall study and analyze the effectiveness of the cost
28 sharing program in the Department that assists landowners in paying for the cost of the
29 management and control of the spread of phragmites.

30 (2) The analysis required in paragraph (1) of this subsection shall include
31 information on how assistance under the cost sharing program is allocated.

32 (b) The Department of Natural Resources shall ascertain on a per-acre basis the
33 statewide extent of infestation of phragmites, when necessary data is available, and shall
34 study and analyze the progress made in the management and control of the spread of
35 phragmites on:

36 (1) Lands that the Department of Natural Resources owns or controls; and

1 (2) Any real property on which the Department of Natural Resources
2 assists landowners with the control of phragmites.

3 [(c) (1) The Department shall annually submit a report under subsections (a)
4 and (b) of this section to:

5 (i) The Environmental Matters Committee of the House of
6 Delegates of Maryland; and

7 (ii) The Education, Health, and Environmental Affairs Committee of
8 the Senate of Maryland.

9 (2) Beginning in 2000, the Department shall submit every 5 years a report
10 on the extent of infestation of phragmites to:

11 (i) The Environmental Matters Committee of the House of
12 Delegates of Maryland; and

13 (ii) The Education, Health, and Environmental Affairs Committee of
14 the Senate of Maryland.]

15 DRAFTER'S NOTE:

16 The reporting requirement for the Department of Natural Resources under
17 subsection (c) of this section is repealed as obsolete and impractical; while some small
18 efforts continue in very localized areas, there is no hope of eradicating phragmites from
19 Maryland.

23 of the General Assembly, local government officials, and the general public.]

24 DRAFTER'S NOTE:

25 Subsection (d) of this section is repealed as obsolete and redundant. Local
26 jurisdictions list infrastructure needs associated with development in their Priority
27 Funding Areas (PFAs) within their Comprehensive Plans as part of their Water Resources
28 and Transportation Elements. In addition, the Smart Growth Coordinating Committee,
29 chaired by the Maryland Department of Planning, has taken on the role of interagency
30 review of projects and programs related to smart growth and State expenditures on these
31 projects.

10 [(3)] (2) An executive agency may depart from these guidelines as needed,
11 upon approval of the Legislative Policy Committee.

12 DRAFTER'S NOTE:

13 This section is revised so that the reports currently required of the Department of
14 Business and Economic Development under subsections (g) and (j) of this section are
15 combined in subsection (g), for efficiency.

16 7-317.

17 (a) There is a Cigarette Restitution Fund.

18 (f) (1) The Cigarette Restitution Fund shall be used to fund:

19 (i) the Tobacco Use Prevention and Cessation Program established
20 under Title 13, Subtitle 10 of the Health – General Article;

21 (ii) the Cancer Prevention, Education, Screening, and Treatment
22 Program established under Title 13, Subtitle 11 of the Health – General Article; and

23 (iii) other programs that serve the following purposes:

24 1. reduction of the use of tobacco products by minors;

25 2. implementation of the Southern Maryland Regional
26 Strategy–Action Plan for Agriculture adopted by the Tri–County Council for Southern
27 Maryland with an emphasis on alternative crop uses for agricultural land now used for
28 growing tobacco;

29 3. public and school education campaigns to decrease tobacco
30 use with initial emphasis on areas targeted by tobacco manufacturers in marketing and
31 promoting cigarette and tobacco products;

1 4. smoking cessation programs;

2 5. enforcement of the laws regarding tobacco sales;

3 6. the purposes of the Maryland Health Care Foundation
4 under Title 20, Subtitle 5 of the Health – General Article;

6 targeted by tobacco manufacturers in marketing and promoting cigarette and tobacco
7 products;

8 8. prevention, treatment, and research concerning cancer,
9 heart disease, lung disease, tobacco product use, and tobacco control, including operating
10 costs and related capital projects;

11 9. substance abuse treatment and prevention programs; and

12 10. any other public purpose.

13 (2) The provisions of this subsection may not be construed to affect the
14 Governor's powers with respect to a request for an appropriation in the annual budget bill.

15 (h) For each program, project or activity receiving funds appropriated under
16 subsection (g)(3) of this section, the Governor shall:

17 (1) develop appropriate statements of vision, mission, key goals, key
18 objectives, and key performance indicators and report these statements in a discrete part
19 of the State budget submission, which shall also provide data for key performance
20 indicators; and

21 (2) report annually, subject to § 2–1246 of the State Government Article,
22 to the General Assembly no later than ~~[October]~~ **NOVEMBER** 1 on:

24 fiscal year from the Fund established under this section; and

25 (ii) the specific outcomes or public benefits resulting from that
26 expenditure.

27 **DRAFTER'S NOTE:**

28 Under this section, the Department of Health and Mental Hygiene (DHMH) is
29 required to submit information to the Department of Budget and Management (DBM) on
30 funds expended by programs funded by the Cigarette Restitution Fund (CRF) and the
31 outcomes of those expenditures. DBM submits this report to the Governor and General
32 Assembly each year on October 1. In light of DBM's due date, DHMH ideally should submit
33 its information for the report to DBM by September 1 each year. However, with the fiscal

1 year closing on June 30, DHMH does not have sufficient time to obtain all of the necessary
2 data to submit the required information to DBM by the September 1 deadline.
3 Consequently, at the request of DHMH, subsection (h)(2) of this section is revised to change
4 the due date for the CRF report from October 1 to November 1. DBM concurs with DHMH's
5 request for this change in the reporting date.

7 Committee has ever made a recommendation to the Legislative Policy Committee
8 concerning the more effective operation of the branches of State government.

31 research and development expenses, is revised to reflect the reporting requirement under
32 § 2–123 of the Economic Development Article.

2 (h) [(1) On or before January 10 of each year, the Department shall report to
3 the Governor and, subject to § 2-1246 of the State Government Article, to the General

5 calendar year.]

6 (1) **IN ACCORDANCE WITH § 2-123 OF THE ECONOMIC DEVELOPMENT**
7 **ARTICLE, THE DEPARTMENT SHALL REPORT ON THE INITIAL TAX CREDIT**
8 **CERTIFICATES AWARDED UNDER THIS SECTION FOR THE CALENDAR YEAR.**

9 DRAFTER'S NOTE:

10 Subsection (h)(1) of this section, relating to biotechnology investment tax credits, is
11 revised to reflect the reporting requirement under § 2-123 of the Economic Development
12 Article. The reference to "prior" calendar year is deleted to keep the reporting requirement
13 substantively the same because the new reporting requirement under § 2-123 of the
14 Economic Development Article is required on or before December 31 of the current calendar
15 year.

16 10-730.

17 (e) [On or before January 1 of each year, the Department shall report to the
18 Governor and, subject to § 2-1246 of the State Government Article, the General Assembly,

20 **THE DEPARTMENT SHALL SUBMIT A REPORT THAT INCLUDES:**

21 (1) the number of film production entities submitting applications under
22 subsection (c) of this section;

23 (2) the number and amount of tax credit certificates issued under
24 subsection (d) of this section;

25 (3) the number of local technicians, actors, and extras hired for film
26 production activity during the reporting period;

27 (4) a list of companies doing business in the State, including hotels, that
28 directly provided goods or services for film production activity during the reporting period;
29 and

30 (5) any other information that indicates the economic benefits to the State
31 resulting from film production activity during the reporting period.

32 DRAFTER'S NOTE:

1 Subsection (e) of this section, relating to film production activity tax credits, is
2 revised to reflect the reporting requirement under § 2–123 of the Economic Development
3 Article.

4 10–732.

5 [(f) On or before December 31 of each year, the Department shall report to the
6 Governor and, in accordance with § 2–1246 of the State Government Article, the General
7 Assembly on the number of credits certified in the previous calendar year.]

8 **(F) IN ACCORDANCE WITH § 2–123 OF THE ECONOMIC DEVELOPMENT**
9 **ARTICLE, THE DEPARTMENT SHALL SUBMIT A REPORT ON THE NUMBER OF CREDITS**
10 **CERTIFIED IN THE PREVIOUS CALENDAR YEAR.**

11 DRAFTER’S NOTE:

12 Subsection (f) of this section, relating to security clearance administrative expenses
13 and construction and equipment costs tax credits, is revised to reflect the reporting
14 requirement under § 2–123 of the Economic Development Article.

15 10–733.

16 (i) [(1) On or before January 10 of each year, the Department shall report to
17 the Governor and, subject to § 2–1246 of the State Government Article, the General
18 Assembly, on the initial tax credit certificates awarded under this section for the prior
19 calendar year.]

20 **(1) IN ACCORDANCE WITH § 2–123 OF THE ECONOMIC DEVELOPMENT**
21 **ARTICLE, THE DEPARTMENT SHALL SUBMIT A REPORT ON THE INITIAL TAX CREDIT**
22 **CERTIFICATES AWARDED UNDER THIS SECTION FOR THE CALENDAR YEAR.**

23 DRAFTER’S NOTE:

24 Subsection (i)(1) of this section, relating to cybersecurity investment incentive tax
25 credits, is revised to reflect the reporting requirement under § 2–123 of the Economic
26 Development Article.

27 Also in this subsection, the reference to “prior” calendar year is deleted to keep the
28 reporting requirement substantively the same. Because the new reporting requirement
29 under § 2–123 of the Economic Development Article is required on or before December 31,
30 the reference should be to the current calendar year.

31 **Article – Tax – Property**

1 (d) (3) The Department shall report to the General Assembly, in accordance
2 with § 2–1246 of the State Government Article, **ON OR BEFORE DECEMBER 31, 2015,**
3 **AND EVERY 2 YEARS THEREAFTER,** on the promotion of the property tax relief program
4 under paragraph (1) of this subsection.

5 DRAFTER'S NOTE:

6 Subsection (d) of this section is revised to clarify the reporting frequency by the
7 Department of Taxation and Assessments concerning its marketing campaign for the
8 Maryland Renters Tax Credit Program.

9 **Article – Transportation**

10 6–201.2.

11 (c) (1) Subject to § 2–1246 of the State Government Article, the Commission
12 shall report by January 15 of each year to the General Assembly on the activities of the
13 Port Commission during the previous year.

14 (2) The report shall include a review of the port's competitive position
15 during the previous year and any recommendations of the Commission for future changes
16 in legislation, capital funding, or operational flexibility for consideration by the General
17 Assembly.

18 (3) The report shall also include any substantive changes in its regulations
19 for procurement and personnel.

4 DRAFTER'S NOTE:

5 This section is revised to include the Report on Port Vulnerability and Funding
6 Concerns required under § 6–210 of the Transportation Article with the report required of
7 the Maryland Department of Transportation under this section. Consequently, § 6–210 of
8 the Transportation Article is repealed.

9 [6–210.

10 (a) Subject to subsection (b) of this section, on or before December 1 of each year,
11 the Administration, in accordance with § 2–1246 of the State Government Article, shall
12 provide an annual report to the General Assembly based on the vulnerability assessment
13 information concerning public terminals submitted by the Administration to the United
14 States Coast Guard under the federal Maritime Transportation Security Act of 2002.

15 (b) With respect to any vulnerability concerns reported by the Administration to
16 the United States Coast Guard, the report to the General Assembly required under this
17 section:

18 (1) Shall provide an estimate of the costs of addressing the vulnerability
19 concerns;

20 (2) Shall state the amount of any grants or other federal funds received or
21 requested by the Administration to address the vulnerability concerns and shall include
22 information on the status of any pending requests for federal funds; and

23 (3) May not include the specific details of any vulnerability concerns the
24 disclosure of which could compromise, in any way, transportation security.】

25 DRAFTER'S NOTE:

26 This section is repealed as redundant; all of the information for the Report on Port
27 Vulnerability Funding Concerns required under this section is included in the annual
28 Maryland Port Commission report required under § 6–201.2 of the Transportation Article.
29 Nonetheless, § 6–201.2 of the Transportation Article is revised to explicitly require the
30 Department of Transportation to include information concerning port vulnerability in the
31 report it submits to the General Assembly under that section.

32 8–309.

33 (e) (1) Notwithstanding any other provision of this section, the Administration
34 may convey land from an abandoned or completed transportation project by exchanging the

1 land for privately or publicly owned land of substantially equal value when the land to be
2 acquired by the exchange is needed for a current State highway purpose that has been
3 identified within the current consolidated transportation program as approved by the
4 General Assembly, or has otherwise received prior legislative approval for planning.

5 (2) In the case of an abandoned or completed project, the person from whom
6 the land was acquired, or the successor in interest of that person, shall have the first right
7 of refusal to reacquire the land, except that the offer and acceptance shall be as follows:

8 (i) The Administration shall notify the person from whom the land
9 was acquired, or the successor in interest of that person, in writing, by certified mail, return
10 receipt requested of the proposed exchange and the value of the property;

11 (ii) Within 90 days from the date of the notice, the person from whom
12 the land was acquired, or the successor in interest of that person, shall notify the
13 Administration in writing of its intent to exercise its right to reacquire the land; and

14 (iii) Within 90 days from the date of notifying the Administration of
15 its intent to reacquire the land, the person from whom the land was acquired, or the
16 successor in interest of that person, must tender payment of an amount equal to the lesser
17 of:

18 1. The appraised value of the land; or

19 2. The consideration that the Administration or Commission
20 originally paid for the land, plus simple interest at the fair market rate calculated from the
21 time of acquisition to the time of disposition and administrative costs.

22 (3) The person from whom the land was acquired, or the successor in
23 interest of that person, is deemed to have waived its right of first refusal if the person or
24 the successor in interest fails to follow the procedures set forth in paragraph (2) of this
25 subsection.

26 (4) In the case of a completed project or an abandoned project for which the
27 right of first refusal was waived, the procedure for the exchange shall be as follows:

28 (i) If the exchange is not one proposed by a county or municipality,
29 the Administration shall:

30 1. Notify by registered mail any affected county or
31 municipality of the offer for an exchange of a parcel;

32 2. Allow 60 days after notification for any affected county or
33 municipality to make a request to acquire the parcel or part of the parcel located within the
34 borders of the county or municipality and for the Administration to consider any such
35 request; and

1 3. If any affected county or municipality makes an offer to
2 acquire the parcel, or part thereof within that jurisdiction's borders, that is equal to or
3 greater than, or includes land of an equal or greater value than, the appraised value of the
4 parcel or applicable portion thereof, the Administration shall accept that offer;

5 (ii) Before making an exchange under this subsection, the exchange
6 must be approved by the Board of Public Works; and

7 (iii) If the Administrator and the Board of Public Works approved the
8 terms and conditions of the exchange and all deeds, the Administrator may execute and
9 accept deeds effecting the conveyances necessary to complete the exchange.

10 (5) Before the exchange:

11 (i) The Administration shall appraise all parcels of land to be
12 exchanged; and

13 (ii) If the Administration believes that any parcel of land in the
14 exchange has a value of more than \$25,000, the parcels of land also shall be appraised by
15 at least one independent, qualified real estate appraiser.

16 (6) In the event that the properties to be exchanged are determined to be
17 of unequal value, the Administrator may agree to accept or pay an amount necessary to
18 substantially equalize the value of land conveyed by the State.

19 (7) The owner of land exchanged under this subsection is not entitled to
20 first right of refusal if the exchanged land is later offered for sale by the State.

21 **(8) (I) IF THE ADMINISTRATION OBTAINS OR DISPOSES OF**
22 **PARCELS OF LAND UNDER THIS SUBSECTION, IT SHALL ISSUE A REPORT THAT:**

23 **1. LISTS THE PARCELS OF LAND EXCHANGED;**

24 **2. STATES THE VALUE OF EACH PARCEL OF LAND**
25 **EXCHANGED; AND**

26 **3. DESCRIBES EACH PARCEL OF LAND EXCHANGED.**

27 **(II) THE ADMINISTRATION SHALL, IN ACCORDANCE WITH §**
28 **2-1246 OF THE STATE GOVERNMENT ARTICLE, SUBMIT THE REPORT TO THE HOUSE**
29 **ENVIRONMENT AND TRANSPORTATION COMMITTEE, THE HOUSE APPROPRIATIONS**
30 **COMMITTEE, AND THE SENATE BUDGET AND TAXATION COMMITTEE.**

31 DRAFTER'S NOTE:

1 Section 2 of Chapter 597 of the Acts of 1995, which required the State Highway
2 Administration (SHA) to submit a report every 6 months to certain committees of the
3 General Assembly regarding certain land exchanges, is repealed as obsolete and
4 unnecessary because of the very limited activity in this area over the years. However, since
5 such land exchanges could occur in the future, the reporting requirement is retained and
6 modified under this section to require a report when a SHA land exchange would fulfill the
7 intent of the original enactment of the General Assembly; hence, an “as needed” reporting
8 requirement is added under subsection (e)(8) of this section.

9 8–613.

10 (a) [(1) In calendar year 1978, the Administration shall prepare for each county
11 a 6–year construction and reconstruction program for primary and secondary highways,
12 the secondary program to include bicycle trails and sidewalks.

13 (2) The Administration shall submit this program to the General Assembly
14 for its review by January 15, 1979.

15 (3) Subject to § 2–1246 of the State Government Article, the program shall
16 be updated annually and submitted to the General Assembly for its review by January 15
17 of each year.

18 (4) The program shall:

19 (i) Advise on priorities among the projects approved for
20 construction, following completion of the project planning phase; and

21 (ii) As to each item included in it, contain a proposed schedule of
22 property acquisition, detailed engineering, and construction.

23 (b)] Before the annual submission **TO THE GENERAL ASSEMBLY** of the highway
24 construction and reconstruction program [to the General Assembly] **FOR EACH COUNTY**
25 **FOR PRIMARY AND SECONDARY HIGHWAYS, THE SECONDARY PROGRAM TO INCLUDE**
26 **BICYCLE TRAILS AND SIDEWALKS**, the Administration shall consult with the local
27 governing body, municipalities, and local legislative delegation of each county concerning
28 construction priorities.

29 [(c)] (B) If the Administration is unable for any reason to perform in accordance
30 with the schedule set forth in the annual primary highway program, it shall, if so requested
31 by resolution of either house of the General Assembly, explain in writing to the next session
32 of the General Assembly any change in the scheduling of a particular project included in
33 the preceding year’s program.

34 [(d)] (C) If there is any change in the scheduling of a particular project in the
35 secondary highway program for which funds have been appropriated in the preceding year,
36 the Administration, on written request of a majority of the local legislative delegation from

1 the county for which the project is programmed, shall explain that change in writing to the
2 members of the General Assembly from that county.

3 [(e) The Administration's budget for Fiscal Year 1981 and for each fiscal year
4 following, as submitted to the General Assembly, shall include funds for projects scheduled
5 for the first year of the highway construction and reconstruction program established under
6 this section.]

7 DRAFTER'S NOTE:

8 The annual report to the General Assembly required under this section is repealed
9 as duplicative since all of the information required to be included in the annual report
10 concerning construction and reconstruction program for primary and secondary highways
11 is included in the annually revised Consolidated Transportation Program prepared by the
12 Maryland Department of Transportation.

13 23-203.

14 [(f) (1) The President of the Senate and the Speaker of the House of Delegates
15 shall appoint a special committee composed of 3 Senators and 3 Delegates who shall
16 regularly consult with the Secretary of Transportation and the Secretary of the
17 Environment on the administration of the emissions control program and any contract in
18 accordance with the terms of these provisions.

19 (2) The special committee shall regularly report to the Legislative Policy
20 Committee of the Maryland General Assembly on the administration of the emissions
21 control program and any contract awarded in accordance with the provisions of this
22 section.]

23 DRAFTER'S NOTE:

24 Subsection (f) of this section is repealed as obsolete. The Special Committee on the
25 administration of the emissions control program is defunct. A review of currently available
26 Maryland Executive Branch and Legislative Branch Web sites shows no evidence that the
27 Special Committee functions or even exists. A review of the list of defunct Executive Branch
28 commissions, committees, task forces, and advisory boards also shows no evidence that the
29 Special Committee existed at some prior time (although there does not appear to be a direct
30 Web link to defunct legislative committees). A search of the General Assembly Web site
31 using the key phrases also results in no obvious mention of the Special Committee.

32 **Chapter 674 of the Acts of 1983, as amended by Chapter 533 of the Acts of 1984**
33 **and Chapters 646 and 741 of the Acts of 1987**

34 [SECTION 2. AND BE IT FURTHER ENACTED, That, subject to Section 2-1312 of
35 the State Government Article, The Department shall prepare and submit to the General
36 Assembly, on or before February 1 of each year, a full report of the operation of the

1 Motorcycle Safety Program for the preceding fiscal year. The General Assembly shall use
2 these reports to evaluate the Motorcycle Safety Program every three years beginning July
3 1, 1988, to determine the cost effectiveness of the Motorcycle Safety Program in Maryland
4 and the validity of continuing financial support of this program by the State. If the General
5 Assembly's evaluation indicates that the Motorcycle Safety Program is not cost effective
6 and continued financial support is not warranted, the General Assembly shall pass
7 legislation to repeal this Act.]

8 DRAFTER'S NOTE:

9 Section 2 of Chapter 674 of 1983, as amended by Chapter 533 of 1984 and Chapters
10 646 and 741 of 1987, is repealed as obsolete and redundant. The Motorcycle Safety Program
11 annual report was mandated by Chapters 646 and 741 of 1987 in conjunction with a \$5
12 surcharge on motorcycle registrations to fund the program. Chapter 107 of the Acts of 1993
13 repealed the separate funding source for the program and established funding for the
14 program through the Motor Vehicle Administration budget. Chapter 107 thus obviated the
15 need for the annual report on the cost effectiveness of the program.

16 **Chapter 791 of the Acts of 1984**

17 [SECTION 2. AND BE IT FURTHER ENACTED, That the Department of Natural
18 Resources shall submit a report to the General Assembly by September 30 of each year,
19 describing its activities for the construction and operation of hatchery facilities.]

20 DRAFTER'S NOTE:

21 Section 2 of Chapter 791 of the Acts of 1984 is repealed as obsolete. Chapter 791
22 allowed a portion of proceeds from waterfowl stamps to be used for the operation of duck
23 hatchery facilities, and required the annual report describing the Department of Natural
24 Resources' (DNR) duck hatchery activities. Subsequently DNR implemented initial efforts
25 to construct a duck hatchery, but a disease annihilated the starter flock of ducks and the
26 hatchery was never built. NR, § 10-308.1, the statute amended by Chapter 791 to finance
27 duck hatcheries, has since been amended to remove all mention of duck hatcheries.
28 However, the obsolete, uncodified reporting requirement under Chapter 791 remains in
29 effect.

30 **Chapter 640 of the Acts of 1991**

31 [SECTION 4. AND BE IT FURTHER ENACTED, That the Department of
32 Environment shall provide the General Assembly with an annual report, in accordance §
33 2-1312 of the State Government Article, on the cumulative environmental impact of the
34 incineration or burning of tires.]

35 DRAFTER'S NOTE:

1 Section 4 of Chapter 640 of the Acts of 1991 is repealed as obsolete; the era of burning
2 tires essentially has passed.

3 **Chapter 111 of the Acts of 1994, as amended by Chapter 471 of the Acts of 1997**

4 [SECTION 5. AND BE IT FURTHER ENACTED, That on or before December 1 of
5 each year, the Maryland Tourism Development Board, together with the Secretary of
6 Business and Economic Development, shall submit to the Legislative Policy Committee of
7 the General Assembly a report addressing the following:

8 (1) The specific use of the tourism advertising funds provided by this Act;

9 (2) Data quantifying the success of Maryland's increased tourism
10 marketing efforts;

11 (3) Tourism marketing strategies used by other states in Maryland's
12 primary market and their impact on Maryland's market share;

13 (4) Efforts by the Board to generate additional revenues for the Maryland
14 Tourism Development Board Fund; and

15 (5) Other short- and long-term strategies for tourism development that, if
16 adopted, could help improve Maryland's competitive position with its neighboring states.]

17 **DRAFTER'S NOTE:**

18 Section 5 of Chapter 111 of the Acts of 1994, as amended by Chapter 471 of the Acts
19 of 1997, is repealed and its reporting requirement is then transferred and combined with
20 the report by the Department of Business and Economic Development to the Governor and
21 the General Assembly required under § 4-216(d) of the Economic Development Article, for
22 transparency and clarity.

23 **Chapter 112 of the Acts of 1994, as amended by Chapter 471 of the Acts of 1997**

24 [SECTION 5. AND BE IT FURTHER ENACTED, That on or before December 1 of
25 each year, the Maryland Tourism Development Board, together with the Secretary of
26 Business and Economic Development, shall submit to the Legislative Policy Committee of
27 the General Assembly a report addressing the following:

28 (1) The specific use of the tourism advertising funds provided by this Act;

29 (2) Data quantifying the success of Maryland's increased tourism
30 marketing efforts;

31 (3) Tourism marketing strategies used by other states in Maryland's
32 primary market and their impact on Maryland's market share;

1 (4) Efforts by the Board to generate additional revenues for the Maryland
2 Tourism Development Board Fund; and

3 (5) Other short- and long-term strategies for tourism development that, if
4 adopted, could help improve Maryland's competitive position with its neighboring states.]

5 DRAFTER'S NOTE:

6 Section 5 of Chapter 112 of the Acts of 1994, as amended by Chapter 471 of the Acts
7 of 1997, is repealed and its reporting requirement is then transferred and combined with
8 the report by the Department of Business and Economic Development to the Governor and
9 the General Assembly required under § 4-216(d) of the Economic Development Article, for
10 transparency and clarity.

11 **Chapter 414 of the Acts of 1994**

12 [SECTION 2. AND BE IT FURTHER ENACTED, That the Department of
13 Agriculture, the Office of the Comptroller, and the Department of the Environment shall
14 study and report to the Environmental Matters Committee and the Economic and
15 Environmental Affairs Committee no later than August 1, 1994, and thereafter on request,
16 on the implementation of coordinated inspection programs for gasoline service stations and
17 for any other consumer and environmental inspections performed by these and other units
18 of State government.]

19 DRAFTER'S NOTE:

20 Section 2 of Chapter 414 of the Acts of 1994 is repealed as duplicative; the
21 Department of Agriculture includes information concerning weights and measures
22 activities in its annual report to the General Assembly.

23 **Chapter 584 of the Acts of 1995**

24 SECTION 2. AND BE IT FURTHER ENACTED, That it is the intent of the General
25 Assembly that the Department of Natural Resources submit to the General Assembly, on
26 January 1 of each year, a report detailing the amount of open space owned in each county
27 by the State [and by local jurisdictions].

28 DRAFTER'S NOTE:

29 The reporting requirement in Section 2 of Chapter 584 of the Acts of 1995 is obsolete
30 and impractical. The Department of Natural Resources does not know how much open
31 space is owned by local jurisdictions on an annual basis, and has not been including this
32 information in the reports. The reporting requirement is revised accordingly.

33 **Chapter 597 of the Acts of 1995**

1 DRAFTER'S NOTE:

2 Section 2 of Chapter 96 of the Acts of 1996 is repealed as obsolete;
3 "video conferencing" by the Office of Administrative Hearings (and other entities) is no
4 longer "novel" technology that warrants monitoring to make sure it works as intended.

5 **Chapter 294 of the Acts of 1997**

6 [SECTION 5. AND BE IT FURTHER ENACTED, That, in accordance with §
7 2-1312 of the State Government Article, the Insurance Commissioner shall report annually
8 to the Senate Finance Committee and the House Economic Matters Committee regarding
9 the effect of this Act on rates in the individual health insurance market, and any proposed
10 changes to existing law. The Commissioner's report shall be made by December 1 of each
11 year, beginning in 1999.]

12 DRAFTER'S NOTE:

13 Section 5 of Chapter 294 of the Acts of 1997 is repealed as obsolete.

14 Under Chapter 294 of the Acts 1997, the Maryland Insurance Administration is
15 required to report annually to the Senate Finance Committee and the House Economic
16 Matters Committee on the effects of the Maryland Health Insurance Portability and
17 Accountability Act on rates in the individual health insurance market and any proposed
18 changes to existing law. This report was to examine how the guarantee issue requirement
19 in State law impacted the rates in the individual market. The report ceased to have
20 meaning once the Maryland Health Insurance Plan (MHIP) was established, and Chapter
21 60 of the Acts of 2004 established MHIP as the alternative to the standard coverage for
22 eligible individuals under the federal Health Insurance Portability and Accountability Act.
23 As Chapter 60 repealed the guarantee issue requirement, the law no longer had an impact
24 on rates.

25 Additionally, the federal Patient Protection and Affordable Care Act (ACA) now
26 requires that all carriers in the individual market guarantee issue all nongrandfathered
27 health benefit plans to any applying individual. The ACA also includes new rating rules
28 that have been incorporated into Maryland law. For all these reasons, the reporting
29 requirement under this section is repealed as obsolete.

30 **Chapter 692 of the Acts of 1999**

31 [SECTION 2. AND BE IT FURTHER ENACTED, That, the Mayor of the City of
32 Baltimore shall report to the General Assembly, in accordance with § 2-1246 of the State
33 Government Article, on or before December 1, 2000, and on or before December 1 of each
34 year thereafter, on the number of homeowners and the number of tenants displaced from
35 occupied dwellings under this Act and the cost and success of relocating persons displaced
36 in alternative, more suitable housing.]

1 DRAFTER'S NOTE:

2 Section 2 of Chapter 692 of the Acts of 1999 is repealed as obsolete; apparently, no
3 report has been submitted by Baltimore City in 15 years.

4 **Chapter 77 of the Acts of 2001**

5 [SECTION 4. AND BE IT FURTHER ENACTED, That the Department of Health
6 and Mental Hygiene shall report to the House Environmental Matters Committee, the
7 House Ways and Means Committee, the Senate Finance Committee, and the Senate Budget
8 and Taxation Committee of the General Assembly, in accordance with § 2–1246 of the State
9 Government Article, when the amount of money in the HealthChoice Performance
10 Incentive Fund reaches \$2.5 million.]

11 DRAFTER'S NOTE:

12 Section 4 of Chapter 77 of the Acts of 2001 is repealed as obsolete. The report
13 required under this section emanates from the early days of HealthChoice Performance
14 Incentive Fund; however, the Department of Health and Mental Hygiene has never
15 submitted a report under this section.

16 **Chapter 103 of the Acts of 2001, as amended by Chapter 46 of the Acts of 2006**

17 [SECTION 12. AND BE IT FURTHER ENACTED, That the Department of
18 Agriculture shall report to the General Assembly on or before October 1 of each year, in
19 accordance with § 2–1246 of the State Government Article, on the implementation and
20 effects of the Southern Maryland Regional Strategy–Action Plan for Agriculture, including
21 the use of general obligation bonds authorized by this Act.]

22 DRAFTER'S NOTE:

23 Section 12 of Chapter 103 of the Acts of 2001, as amended by Chapter 46 of the Acts
24 of 2006, is repealed as an erroneous and misleading requirement: the Department of
25 Agriculture does not implement the Southern Maryland Regional Strategy–Action Plan for
26 Agriculture. Rather, the Southern Maryland Agricultural Development Corporation
27 implements this action plan and each year prepares a report for the Department of Budget
28 and Management.

29 **Chapter 685 of the Acts of 2001, as amended by Chapter 443 of the Acts of 2003**

30 [SECTION 2. AND BE IT FURTHER ENACTED, That, on or before December 31 of
31 each year, the State Board of Education shall report to the Governor and, subject to §
32 2–1246 of the State Government Article, to the General Assembly on the implementation
33 of this Act.]

34 DRAFTER'S NOTE:

1 Section 2 of Chapter 685 of the Acts of 2001, as amended by Chapter 433 of the Acts
2 of 2003, is repealed as obsolete; the underlying statute pertaining to the juvenile justice
3 alternative education pilot program that was the basis for the report and set forth in §
4 7–305.1 of the Education Article was repealed by Chapter 304 of the Acts of 2006.

5 **Chapter 453 of the Acts of 2002, as amended by Chapter 203 of the Acts of 2003**

6 [SECTION 3. AND BE IT FURTHER ENACTED, That:

7 (1) Beginning in fiscal year 2007 and each fiscal year thereafter, each county and
8 Baltimore City shall use the savings resulting from this [Circuit Courts – Rental of Space
9 for Clerks of Court] Act solely to increase local expenditures for the circuit courts or related
10 public safety purposes;

11 (2) In fiscal years 2007 through 2014, each county and Baltimore City shall report
12 to the Department of Budget and Management on or before November 1 on circuit court or
13 related public safety expenditures to which the savings resulting from this Act have been
14 applied. The Department of Budget and Management shall report these expenditures to
15 the Chief Judge of the Court of Appeals and, subject to § 2–1246 of the State Government
16 Article, to the General Assembly; and

17 (3) Circuit court or related public safety expenditures required under this section
18 shall be used to supplement and may not supplant existing local expenditures for the same
19 purpose.]

20 DRAFTER’S NOTE:

21 Section 3 of Chapter 453 of the Acts of 2002, as amended by Chapter 203 of the Acts
22 of 2003, is repealed as obsolete. The reporting requirement pertaining to savings from the
23 Act to fund expenditures for rental of space for clerks of the court for the counties and
24 Baltimore City ended in fiscal 2014.

25 **Chapter 84 of the Acts of 2004, as amended by Chapter 283 of the Acts of 2008**

26 [SECTION 3. AND BE IT FURTHER ENACTED, That on or before September 30,
27 2005, and annually thereafter, the Maryland Department of Transportation shall report to
28 the Governor and, in accordance with § 2–1246 of the State Government Article, to the
29 General Assembly regarding the implementation of this Act by the Department during the
30 immediately preceding fiscal year, including the impact of this Act on small business and
31 minority business enterprises.]

32 DRAFTER’S NOTE:

33 Section 3 of Chapter 84 of the Acts of 2004, as amended by Chapter 283 of the Acts
34 of 2008, is repealed as redundant since all of the information called for under Section 3 is

1 included in other reports on small business and minority business enterprises submitted to
2 the General Assembly.

3 **Chapter 206 of the Acts of 2004**

4 [SECTION 3. AND BE IT FURTHER ENACTED, That the Department of Business
5 and Economic Development shall report, on or before September 1 of each year, in
6 accordance with § 2–1246 of the State Government Article to the Legislative Policy
7 Committee on the results of the implementation of the provisions of this Act.]

8 **DRAFTER'S NOTE:**

9 Section 3 of Chapter 206 of the Acts of 2004 is repealed as impractical. The report
10 required under this section pertains to the implementation of a measure concerning
11 financial assistance awarded under the Economic Development Opportunities Program
12 Fund and the Maryland Economic Development Assistance Authority and Fund and
13 compliance with certain minority business enterprise (MBE) procurement goals. However,
14 Chapter 206 does not provide the Department of Business and Economic Development
15 (DBED) with any means to enforce the requirements of Chapter 206 as State MBE
16 procurement law does not apply to procurement between private businesses. Consequently,
17 DBED has been unable to implement Chapter 206 and has no information to include in a
18 report.

19 **Chapter 551 of the Acts of 2005**

20 [SECTION 3. AND BE IT FURTHER ENACTED, That the Department of Housing
21 and Community Development shall report to the General Assembly on or before December
22 31 each year, in accordance with § 2–1246 of the State Government Article, on the
23 implementation of this Act.]

24 **DRAFTER'S NOTE:**

25 Section 3 of Chapter 551 of the Acts of 2005 is repealed and its requirements codified
26 under § 4–215(e) of the Housing and Community Development Article, for transparency.

27 **Chapter 368 of the Acts of 2007**

28 [SECTION 2. AND BE IT FURTHER ENACTED, That:

29 (1) Prior to awarding financial incentives to the Chief Investment Officer
30 of the State Retirement Agency under Section 1 of this Act, the Board of Trustees of the
31 State Retirement and Pension System shall submit for the review and comment of the
32 Senate Budget and Taxation Committee, the House Appropriations Committee, and the
33 Joint Committee on Pensions, in accordance with § 2–1246 of the State Government Article,
34 a copy of the criteria established by the Board of Trustees for awarding financial incentives

1 to the Chief Investment Officer as provided under § 21–118.1(d) of the State Personnel and
2 Pensions Article, as enacted by Section 1 of this Act; and

3 (2) Within 45 days of receiving the criteria under paragraph (1) of this
4 section, the committees shall submit written comments to the Board of Trustees regarding
5 the criteria.]

6 DRAFTER'S NOTE:

7 Section 2 of Chapter 368 of the Acts of 2007 is repealed as obsolete; this reporting
8 requirement by the State Retirement Agency was intended to be a one-time report.

9 **Chapter 397 of the Acts of 2011**

10 [SECTION 30. AND BE IT FURTHER ENACTED, That the Board of Trustees for
11 the State Retirement and Pension System shall provide an annual report to the Governor
12 and the Joint Committee on Pensions, on or before December 15 of each year, on the funding
13 progress of the several systems. The Secretary of the Department of Budget and
14 Management shall report biennially, beginning on January 1, 2013, to the Governor and
15 the General Assembly, in accordance with § 2–1246 of the State Government Article, on the
16 financial health of the several systems. The Secretary's report shall reflect the State
17 system's progress towards achieving the statutory funding goals, and shall include
18 recommendations concerning modifications to the funding methods or benefits structure.]

19 DRAFTER'S NOTE:

20 Section 30 of Chapter 397 of the Acts of 2011 is repealed as superfluous since the
21 data requested of the Secretary of Budget and Management is available in annual
22 valuations prepared for the State Retirement and Pension System and which are readily
23 available to the public.

24 **Chapter 617 of the Acts of 2013**

25 [SECTION 3. AND BE IT FURTHER ENACTED, That Section 2 of this Act shall
26 take effect on the recognition by the federal government of same-sex marriage for purposes
27 of the federal income tax. Within 5 days after the federal government recognizes same-sex
28 marriage for purposes of the federal income tax, the Office of the Comptroller shall notify
29 the Department of Legislative Services. If Section 2 of this Act takes effect, Section 1 of this
30 Act shall be abrogated and of no further force and effect.]

31 DRAFTER'S NOTE:

32 Section 3 of Chapter 617 of the Acts of 2013 is repealed as obsolete; on August 29,
33 2013, the U.S. Department of the Treasury and the Internal Revenue Service announced
34 IR–2013–72, under which same-sex couples, legally married in jurisdictions that recognize
35 their marriages will be treated as married for federal tax purposes.

1 SECTION 2. AND BE IT FURTHER ENACTED, That, notwithstanding Joint
2 Resolution 5 of 1985, the Department of Health and Mental Hygiene:

3 (1) is not required to report on or before July 1, 1986, and annually
4 thereafter by July 1 of each year on the development and implementation of a
5 comprehensive groundwater protections strategy and on the coordinated efforts by the
6 State agencies in groundwater protection and supply; and

7 (2) include in the annual report an analysis of any contamination or
8 substantial depletion of groundwater supplies and the potential for contamination or
9 depletion of groundwater supplies and the potential for contamination of groundwater in
10 the future.

11 DRAFTER'S NOTE:

12 The requirements under Joint Resolution 5 of 1985 are repealed as obsolete. The
13 report required by Joint Resolution 5 predates the enactment of federal requirements that
14 call for periodic reporting of detailed information about groundwater. Additionally, Joint
15 Resolution 5 predates the establishment of the Department of the Environment and
16 required the Department of Health and Mental Hygiene to submit the annual report.
17 Currently, the federal reports are readily available to the public on the Web site of the
18 Department of the Environment.

19 SECTION 3. AND BE IT FURTHER ENACTED, That this Act shall take effect June
20 1, 2015.

Approved:

Governor.

Speaker of the House of Delegates.

President of the Senate.
