

**HOUSE . . . . . No. 2380**

---

**The Commonwealth of Massachusetts**

PRESENTED BY:

***Frank A. Moran***

*To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:*

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act relative to firearm industry accountability and gun violence victims' access to justice.

PETITION OF:

| NAME:                    | DISTRICT/ADDRESS:    | DATE ADDED:      |
|--------------------------|----------------------|------------------|
| <i>Frank A. Moran</i>    | <i>17th Essex</i>    | <i>1/13/2023</i> |
| <i>David Paul Linsky</i> | <i>5th Middlesex</i> | <i>1/19/2023</i> |

**HOUSE . . . . . No. 2380**

---

By Representative Moran of Lawrence, a petition (accompanied by bill, House, No. 2380) of Frank A. Moran and David Paul Linsky relative to firearm industry accountability and access to justice by allowing for civil actions by victims of gun violence. Public Safety and Homeland Security.

---

**The Commonwealth of Massachusetts**

**In the One Hundred and Ninety-Third General Court  
(2023-2024)**

An Act relative to firearm industry accountability and gun violence victims’ access to justice.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 TITLE XV of Part 1 of the General Laws is hereby amended by inserting after Chapter  
2 110H a new Chapter 110I, commencing with Section 1, as follows:

3 Section 1. Short Title.

4 This Act shall be known and may be cited as the Gun Violence Victims’ Access to  
5 Justice Act.

6 Section 2. Findings and Declarations.

7 The General Court hereby finds and declares that:

8 (a) The Commonwealth of Massachusetts has a compelling interest in protecting its  
9 residents’ life, health, safety, and wellbeing from gun violence and related harms.

10 (b) Unlawful and irresponsible conduct by members of the firearm industry pose  
11 significant risks to the life, health, safety, and wellbeing of Massachusetts residents.

12 (c) Our Commonwealth and nation have a longstanding tradition of prescribing standards  
13 of responsible conduct and accountability for industries whose business practices may cause  
14 harm to the public, including the firearm industry.

15 (d) The federal Protection of Lawful Commerce in Arms Act preserves states' critical  
16 authority to enact laws prescribing and enforcing standards of responsible conduct and  
17 accountability for the firearm industry.

18 (e) It shall be the policy of the Commonwealth of Massachusetts that firearm industry  
19 members have a lawful duty and responsibility to take reasonable precautions to prevent  
20 foreseeable risks to life, health, safety, and wellbeing, including but not limited to the  
21 requirements of this Chapter.

22 (f) It shall be the policy of the Commonwealth of Massachusetts that persons and entities  
23 harmed by firearm industry members' wrongful and unlawful conduct, and public officials acting  
24 in the public interest, shall not be barred from pursuing civil actions seeking appropriate justice,  
25 fair compensation, and other remedies for those harms in court, consistent with any limitations or  
26 immunities otherwise provided in Massachusetts or federal law.

27 Section 3. Definitions.

28 As used in this Chapter:

29 (a) “Firearm industry member” means a person, firm, corporation, or any other entity  
30 engaged in the manufacture, distribution, importation, marketing, or wholesale or retail sale of a  
31 firearm industry product.

32 (b) “Firearm industry product” means:

33 (1) A firearm;

34 (2) Ammunition;

35 (3) A completed or unfinished frame or receiver;

36 (4) A firearm component or magazine;

37 (5) A device that is designed or adapted to be inserted into, affixed onto, or used in  
38 conjunction with a firearm, if the device is marketed or sold to the public, or reasonably designed  
39 or intended, to be used to increase a firearm’s rate of fire, concealability, magazine capacity, or  
40 destructive capacity, or to increase the firearm’s stability and handling when the firearm is  
41 repeatedly fired.

42 (6) Any machine or device that is marketed or sold to the public, or reasonably designed  
43 or intended, to be used to manufacture or produce a firearm or any other firearm industry product  
44 listed in this paragraph.

45 (c) “Firearm trafficker” means a person who acquires, transfers, or attempts to acquire or  
46 transfer a firearm industry product for purposes of unlawful commerce, including but not limited  
47 to subsequent transfer to a person who is prohibited from possessing the firearm industry product  
48 under Massachusetts or federal law.

49 (d) “Reasonable controls” means reasonable procedures, safeguards, and business  
50 practices that are designed to do all of the following:

51 (1) Prevent the sale or distribution of a firearm industry product to:

52

53 (i) A straw purchaser or firearm trafficker;

54 (ii) A person who is prohibited from possessing the firearm industry product under  
55 Massachusetts or federal law;

56 (iii) A person the firearm industry member has reasonable cause to believe is at  
57 substantial risk of using a firearm industry product to harm themselves or unlawfully harm  
58 another, or of otherwise unlawfully possessing or using a firearm industry product.

59 (2) Prevent the loss or theft of a firearm industry product from a firearm industry  
60 member.

61 (3) Ensure the firearm industry member does not promote or facilitate the unlawful  
62 manufacture, sale, possession, marketing, or use of a firearm industry product.

63 (4) Ensure the firearm industry member complies with all provisions of Massachusetts  
64 and federal law.

65 (e) “Short-barreled rifle” means any of the following:

66 (1) A rifle having a barrel or barrels of less than 16 inches in length.

67 (2) A rifle with an overall length of less than 26 inches.

68 (3) Any weapon made from a rifle, whether by alteration, modification, or otherwise, if  
69 that weapon, as modified, has an overall length of less than 26 inches or a barrel or barrels of less  
70 than 16 inches in length.

71 (4) Any device that may be readily restored to fire a fixed cartridge which, when so  
72 restored, is a device defined in this subdivision (e).

73 (5) Any part, or combination of parts, designed and intended to convert a device into a  
74 device defined in this subdivision (e), or any combination of parts from which a device defined  
75 in this subdivision (e) may be readily assembled if those parts are in the possession or under the  
76 control of the same person.

77 (f) “Straw purchaser” means an individual who conceals, or intends to conceal, from a  
78 seller or transferor that the individual is purchasing or obtaining a firearm industry product on  
79 behalf of a third party. This term does not apply to an individual obtaining a firearm industry  
80 product as a bona fide gift to a person who is not prohibited by law from possessing or receiving  
81 a firearm industry product. For the purposes of this paragraph, a gift is not a bona fide gift if the  
82 transferee has offered or given the transferor a service or thing of value to acquire the firearm  
83 industry product on the transferee’s behalf.

84 (g) “Unfinished frame or receiver” means any forging, casting, printing, extrusion,  
85 machined body or similar article that has reached a stage in manufacture where it may readily be  
86 completed, assembled or converted to be used as the frame or receiver of a functional firearm, or  
87 that is marketed or sold to the public to become or be used as the frame or receiver of a  
88 functional firearm once completed, assembled, or converted.

89 (h) The following terms shall have the same meaning provided in Section 121 of Chapter  
90 140 of the General Laws and the Attorney General’s Enforcement Notice of July 20, 2016  
91 governing the definition of “Assault weapon”:

92 (1) “Assault weapon”

93 (2) “Bump stock”

94 (3) “Large capacity feeding device”

95 (4) “Large capacity weapon”

96 (5) “Machine gun”

97 (6) “Sawed-off shotgun”

98 (7) “Trigger crank”

99 (i) “.50 caliber rifle” means a centerfire rifle capable of firing a .50 caliber cartridge. The  
100 term does not include any antique firearm, any shotgun including a shotgun that has a rifle barrel,  
101 or any muzzle-loader which uses black powder for hunting or historical re-enactments.

102 (j) “.50 caliber cartridge” means a cartridge in .50 BMG caliber, either by designation or  
103 actual measurement, that is capable of being fired from a centerfire rifle. The term “.50 caliber  
104 cartridge” does not include any memorabilia or display item that is filled with a permanent inert  
105 substance or that is otherwise permanently altered in a manner that prevents ready modification  
106 for use as live ammunition or shotgun ammunition with a caliber measurement that is equal to or  
107 greater than .50 caliber.

108 Section 4. Firearm Industry Standard of Responsible Conduct.

109 (a) A firearm industry member shall:

110 (1) Establish and implement reasonable controls, as defined in Section 3 of this Chapter,  
111 regarding the manufacture, distribution, importation, marketing, and sale of firearm industry  
112 products; and

113 (2) Take reasonable precautions to ensure the firearm industry member does not sell or  
114 distribute a firearm industry product to a downstream distributor or retailer of firearm industry  
115 products that fails to establish and implement reasonable controls.

116 (b) A firearm industry member shall not manufacture, distribute, import, market, offer for  
117 wholesale, or offer for retail sale a firearm industry product that is:

118 (1) Designed, sold, or marketed in a manner that foreseeably promotes conversion of  
119 legal firearm industry products into illegal firearm industry products; or

120 (2) Designed, sold, or marketed in a manner that is targeted at minors or individuals who  
121 are legally prohibited from purchasing or possessing firearms;

122 (c) A firearm industry member shall not manufacture, distribute, import, market, offer for  
123 wholesale, or offer for retail sale a firearm industry product that is abnormally dangerous and  
124 likely to create an unreasonable risk of harm to public health or safety, except for use solely by  
125 members of the armed forces, national guard, or law enforcement agencies. For the purposes of  
126 this paragraph, the following shall apply:

127 (1) A firearm industry product shall not be considered abnormally dangerous and likely  
128 to create an unreasonable risk of harm to public health and safety based upon the inherent  
129 potential of a firearm or ammunition to cause injury, damage, or death when discharged.

130 (2) The following firearm industry products shall be considered abnormally dangerous  
131 and likely to create an unreasonable risk of harm to public health and safety:

132 (i) Assault weapons;

133 (ii) Bump stocks;

134 (iii) Fifty caliber rifles;

135 (iv) Large capacity feeding devices;

136 (v) Large capacity weapons;

137 (vi) Machine guns;

138 (vii) Sawed-off shotguns;

139 (viii) Short-barreled rifles;

140 (ix) Trigger cranks.

141 (3) There shall be a presumption that any other firearm industry product is abnormally  
142 dangerous and likely to create an unreasonable risk of harm to public health and safety if the  
143 firearm industry product's features render the product most suitable for assaultive purposes  
144 instead of lawful self-defense, hunting, or other legitimate sport and recreational activities.

145

146 (d) A firearm industry member shall comply with the provisions of all of the following  
147 when engaged in the manufacture, distribution, importation, marketing, or wholesale or retail  
148 sale of a firearm industry product:

149 (1) The Massachusetts Antitrust Act, Sections 1 to 14A, inclusive, of Chapter 93 of the  
150 General Laws;

151 (2) The Regulation of Business Practice and Consumer Protection Act, Chapter 93A of  
152 the General Laws;

153 (3) Sections 91 and 92 of Chapter 266 of the General Laws; and

154 (4) Sections 10 to 12, inclusive, of Chapter 269 of Title 1 of the General Laws.

155

156 (e) This section shall apply to a firearm industry member engaged in the manufacture,  
157 distribution, importation, marketing, or wholesale or retail sale of a firearm industry product that  
158 meets any of the following conditions:

159 (1) The firearm industry product was sold, made, distributed, or marketed in this state.

160 (2) The firearm industry product was intended to be sold, made, distributed, or marketed  
161 in this state.

162 (3) The firearm industry product was used or possessed in this state, and it was  
163 reasonably foreseeable that the product would be used or possessed in this state.

164 Section 5. Cause of Action for Violations of Firearm Industry Standard of Responsible  
165 Conduct.

166 (a) A person or entity who has suffered harm as a result of a firearm industry member's  
167 acts or omissions in violation of any provision of Section 4 may bring a civil action under this  
168 section in a court of competent jurisdiction.

169

170 (b) The Attorney General, or the Attorney General's designee, may bring a civil action in  
171 a court of competent jurisdiction to enforce this Act and remedy harms caused by any acts or  
172 omissions in violation of any provision of Section 4.

173 (c) In an action brought under this section, if the court determines that a firearm industry  
174 member engaged in conduct in violation of Section 4, the court shall award just and appropriate  
175 relief, including any or all of the following:

176

177 (1) Injunctive relief sufficient to prevent the firearm industry member and any other  
178 defendant from further violating the law;

179

180 (2) Compensatory and punitive damages;

181

182 (3) Reasonable attorney's fees, filing fees, and reasonable costs of action; and

183

184 (4) Any other just and appropriate relief necessary to enforce this Act and remedy the  
185 harm caused by the violation.

186 (d) In an action brought under this section:

187

188 (1) An intervening act by a third party, including but not limited to the unlawful misuse  
189 of a firearm industry product, shall not preclude a firearm industry member from liability for  
190 harms caused by the firearm industry member's violation of any provision of Section 4.

191

192 (2) Notwithstanding any intervening act by a third party, there shall be a presumption that  
193 a firearm industry member's violation of Section 4 was the proximate cause of harms suffered by  
194 the plaintiff from a firearm industry product involved in the violation, if the firearm industry  
195 member's violation of Section 4 created a reasonably foreseeable risk that the harm would occur.

196 (e) An action under this Act may be commenced within 5 years from the date that the  
197 violation occurred or the harm was incurred.

198 (f) A civil action brought under this section may be brought in:

199 (1) The county in which all or a substantial part of the events or omissions giving rise to  
200 the claim occurred;

201 (2) The county of residence of any natural person defendant at the time the cause of  
202 action accrued;

203 (3) The county of the principal office in this state of any defendant that is not a natural  
204 person; or

205 (4) The county of residence for the plaintiff if the plaintiff is a natural person residing in  
206 this State.

207 Section 6. Limitations.

208 (a) Nothing in this Act shall be construed or implied to limit or impair in any way the  
209 right of the Attorney General, or any person or entity, to pursue a legal action under any other  
210 law, cause of action, tort theory, or other authority.

211 (b) Nothing in this Act shall be construed or implied to limit or impair in any way an  
212 obligation or requirement placed on a firearm industry member by any other authority.

213 (c) This Act shall be construed and applied in a manner that is consistent with the  
214 requirements of the Constitutions of Massachusetts and the United States.

215 Section 7. Severability.

216

217 If any provision of this Act, or part of this Act, any clause within this Act, any  
218 combination of words within this Act, or the application of any provision or part or clause or  
219 combination of words of this Act to any person or circumstance, is for any reason held to be  
220 invalid or unconstitutional, the remaining provisions, clauses, words, or applications of  
221 provisions, clauses, or words shall not be affected, but shall remain in full force and effect, and  
222 to this end the provisions of this Act are severable.

223 Section 8. Effective date.

224

225 This Act shall take effect 120 days after the date of enactment.

226
