7

11 Section 123. A license granted under section one hundred and twenty-two shall be
12 expressed to be and shall be subject to the following conditions:—

13 First, That the provisions in regard to the nature of the license and the building in which
14 the business may be carried on under it shall be strictly adhered to.

15 Second, That the license or a copy thereof, certified by the official issuing the same, shall
16 be displayed on the premises in a position where it can easily be read.

17 Third, That the licensee shall submit a record of all sales, rentals and leases forthwith at
18 the time of such sale, rental or lease via electronic communication link to the commissioner of
19 the department of criminal justice information services.

20 Fourth, That every firearm, rifle or shotgun shall be unloaded when delivered.

21 Fifth, That no weapon shall be sold, rented or leased to a minor or a person who has not a
22 permit then in force to purchase, rent or lease the same.

23 Sixth, That upon the sale, rental or lease of a firearm, subject to a permit to purchase
24 issued under the provisions of section one hundred and thirty-one A, the licensee under section
25 one hundred and twenty-two shall take up such permit to purchase and shall endorse upon it the
26 date and place of said sale, rental or lease, and shall transmit the same to the executive director of
27 the criminal history systems board; and that upon the sale, rental or lease of a machine gun shall
28 endorse upon the license to possess the same the date and place of said sale, rental or lease, and
29 shall within seven days transmit a notice thereof to said executive director. In case of a sale

36 Seventh, That this license shall be subject to forfeiture as provided in section one hundred
37 and twenty-five for breach of any of its conditions, and that, if the licensee hereunder is
38 convicted of a violation of any such conditions, this license shall thereupon become void.

39 Eighth, That the third condition shall not apply to a gunsmith with regard to repair or
40 remodeling or servicing of firearms, rifles or shotguns unless said gunsmith has manufactured a
41 firearm, rifle or shotgun for the purchaser, but said gunsmith shall keep records of the work done
42 by him together with the names and addresses of his customers. Such records shall be kept open
43 for inspection by the police at all times.

44 Ninth, That any licensee shall keep records of each sale, rental or lease of a rifle or

55 DEVICE OR IS STORED OR KEPT IN A SECURELY LOCKED CONTAINER.”, and that

63 firearms record bureau forthwith. Such report shall include a complete description of the
64 weapon, including the make, model, serial number and caliber and whether such weapon is a
65 large capacity weapon.

66 Fourteenth, That no licensee shall sell, rent, lease, transfer or deliver or offer for sale,
67 lease, transfer or delivery, any firearm to any purchaser in the commonwealth unless such sale is
68 to a business entity that is primarily a firearm wholesaler, and the sale, by its terms, prohibits the
69 purchaser from reselling such firearm to a firearm retailer or consumer in the commonwealth if
70 such firearm is prone to: (i) firing more than once per pull of the trigger; or (ii) explosion during
71 firing.

72 No person licensed under the provisions of section 122 or section 122B shall sell, rent,
73 lease, transfer or deliver any rifle, shotgun or firearm or ammunition or ammunition feeding
74 device contrary to the provisions of section 130 or section 131E; and no such licensee shall sell,
75 rent, lease, transfer or deliver any rifle, shotgun or firearm or ammunition or ammunition feeding

76 device to any person who does not have in his possession the required firearm identification card
77 or proof of exemption therefrom, license to carry firearms or permit to purchase, rent or lease
78 firearms and who does not present such card, proof, license or permit to the licensee in person at
79 the time of purchase, rental or lease.

80 No person licensed under the provisions of section 122 or section 122B shall fill an order
81 for such weapon, ammunition or ammunition feeding device that was received by mail,
82 facsimile, telephone or other telecommunication unless such transaction or transfer includes the
83 in-person presentation of the required card, proof, license or permit as required herein prior to
84 any sale, delivery or any form of transfer of possession of the subject weapon, ammunition or
85 ammunition feeding device. Transactions between persons licensed under section 122 or between
86 federally licensed dealers shall be exempt from the provisions of this paragraph.

87 The licensing authority shall enter, one time per calendar year, during regular business
88 hours, the commercial premises owned or leased by any licensee, wherein such records required
89 to be maintained under this section are stored or maintained, and inspect, in a reasonable manner,
90 such records and inventory for the purpose of enforcing the provisions of this section. If such
91 records and inventory contain evidence of violations of this section, the inspecting officer shall
92 produce and take possession of copies of such records and, in the event that the licensee subject
93 to inspection does not possess copying equipment, the inspecting officer shall arrange to have
94 copied, in a reasonable time and manner, such records that contain evidence of such violations
95 and the costs for such copying shall be assessed against the owner of such records. Licensees
96 found to be in violation of this section shall be subject to the suspension or permanent revocation
97 of such license issued under section 122 and to the provisions of section 128. Nothing herein

98 shall prohibit the licensing authority or the department of state police from conducting such
99 inspections pursuant to a valid search warrant issued by a court of competent jurisdiction.

100 Notwithstanding the provisions of this section, a person licensed under the provisions of
101 section one hundred and twenty-two, or section one hundred and twenty-two B, may sell or
102 transfer firearms, rifles, shotguns, machine guns or ammunition at any regular meeting of an
103 incorporated collectors club or at a gun show open to the general public; provided, however, that
104 all other provisions of this section are complied with and that such sale or transfer is in
105 conformity with federal law or regulations applicable to the transfer or sale of firearms, rifles,
106 shotguns, machine guns or ammunition, including the restrictions imposed upon firearm
107 identification cards issued under section 129B, licenses to carry firearms issued under section
108 131 and permits to purchase, lease or rent firearms issued under section 131A.
