10 appropriated for Transitional Aid to Localities shall be allocated to provide short-term
11 financial assistance where needed to help a municipality which is in serious fiscal distress
12 to meet immediate budgetary needs and regain financial stability. A municipality shall be
13 deemed to be eligible for transitional aid if the municipality is identified by the Director of
14 the Division of Local Government Services (Director) as experiencing serious fiscal distress
15 where the Director determines that, despite local officials having implemented substantive

37 Consolidated Municipal Property Tax Relief Aid pursuant to this provision that municipality
is not relieved from compliance with the requirements for transitional aid.

39 The amount hereinabove appropriated for Transitional Aid to Localities is subject to the
40 following condition: notwithstanding the provisions of R.S.43:21-14 or any other law or

45 municipal government units, at reasonable interest rates based on current market conditions,
46 and on such other terms and conditions as may be determined to be appropriate by the
47 Commissioner of Labor and Workforce Development. Any municipality that enters into an
48 individualized payment plan agreement pursuant to this section shall be required to expend
49 all funds budgeted for this activity remaining as of the last day of its budget year for the

15 a calendar fiscal year, 5% of the total amount due; and June 1 for municipalities operating

21 received from the appropriation to the Consolidated Municipal Property Tax Relief Aid
23 program and received from amounts transferred from Consolidated Municipal Property Tax
25 Relief Aid to the Energy Tax Receipts Property Tax Relief Fund account, each municipality
27 shall be required to distribute to each fire district within its boundaries the amount received

2006, fiscal year 2007, fiscal year 2008, fiscal year 2009, fiscal year 2010, fiscal year 2012,
and fiscal year 2013 pursuant to subsection e. of section 2 of P.L.1997, c.167
(C.52:27D-439) as amended by P.L.1999, c.168; and except that, the amount of
Consolidated Municipal Property Tax Relief Aid received by a municipality shall be
increased by such amounts of Transitional Aid to Localities deemed to constitute
Consolidated Municipal Property Tax Relief Aid by the Director of the Division of Local
Government Services in the previous fiscal year.

Notwithstanding the provisions of any law or regulation to the contrary, the Director of the
Division of Local Government Services shall take such actions as may be necessary to
ensure that proportional amounts of the Consolidated Municipal Property Tax Relief Aid
and the amounts transferred from Consolidated Municipal Property Tax Relief Aid to the
Energy Tax Receipts Property Tax Relief Fund account, appropriated to offset losses from
business personal property tax that would have otherwise been used for the support of public
schools, will be used to reduce the school property tax levy for those affected school
districts with the remaining State Aid used as municipal property tax relief. The chief
financial officer of the municipality shall pay to the school districts such amounts as may
be due by December 31.

Notwithstanding the provisions of any law or regulation to the contrary, the release of the final
5% or \$500, whichever is greater, of the total annual amount due for the current fiscal year
from Consolidated Municipal Property Tax Relief Aid to municipalities is subject to the
following condition: the municipality shall submit to the Director of the Division of Local
Government Services a report describing the municipality's compliance with the "Best
Practices Inventory" established by the Director of the Division of Local Government

1 Services and shall receive at least a minimum score on such inventory as determined by the
2 Director of the Division of Local Government Services; provided, however, that the Director
3 may take into account the particular circumstances of a municipality in computing such
4 score. In preparing the Best Practices Inventory, the Director shall identify best municipal
5 practices in the areas of general administration, fiscal management, and operational
6 activities, as well as the particular circumstances of a municipality, in determining the
7 minimum score acceptable for the release of the final 5% or \$500, whichever is greater, of
8 the total annual amount due for the current fiscal year, but in no event shall amounts be
9 withheld with respect to municipal practices occurring prior to the issuance of the Best
10 Practices Inventory unless related to a municipal practice identified in the Best Practices
11 Inventory established in the previous fiscal year.

12 The Director of the Division of Local Government Services may permit any municipality that
13 received Regional Efficiency Aid Program funds pursuant to the annual appropriations act
14 for fiscal year 2010, P.L.2009, c.68, to use a portion of Consolidated Municipal Property
15 Tax Relief Aid to provide Regional Efficiency Aid Program benefits pursuant to P.L.1999,
16 c.61 (C.54:4-8.76 et seq.).

17 Notwithstanding the provisions of any law or regulation to the contrary, payments to
18 municipalities in lieu of taxes for lands acquired by the State and non-profit organizations
19 for recreation and conservation purposes shall be provided only to municipalities whose
20 payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds
21 of the payment amount provided in fiscal year 2010.

22 Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29)
23 or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to
24 the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State
25 and non-profit organizations for recreation and conservation purposes shall be retained by
26 the municipality and not apportioned in the same manner as the general tax rate of the
27 municipality.

28 In addition to the amounts hereinabove appropriated for the Department of Community Affairs,
29 in the case of municipalities that consolidate pursuant to any law, including but not limited
30 to P.L.2007, c.63 (C.40A:65-25 et seq.) or a municipality that is wholly annexed by another
31 municipality pursuant to N.J.S.40A:7-1 et seq., there is appropriated such additional sums
32 for non-recurring costs that the Director of the Division of Local Government Services
33 determines necessary to implement such consolidation or annexation, subject to the approval
34 of the Director of the Division of Budget and Accounting.

35 Notwithstanding the provisions of any law or regulation to the contrary, whenever funds are
36 appropriated as State Aid and payable to any municipality, which municipality requests and
37 receives the approval of the Local Finance Board, such funds may be pledged as a guarantee
38 for payment of principal and interest on any bond anticipation notes issued pursuant to
39 section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant
40 to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available
41 by the State Treasurer upon receipt of a written notification by the Director of the Division
42 of Local Government Services that the municipality does not have sufficient funds available
43 for prompt payment of principal and interest on such notes, and shall be paid by the State
44 Treasurer directly to the holders of such notes at such time and in such amounts as specified
45 by the Director, notwithstanding that payment of such funds does not coincide with any date
46 for payment otherwise fixed by law.

47 The State Treasurer, in consultation with the Commissioner of Community Affairs, is
48 empowered to direct the Director of the Division of Budget and Accounting to transfer
49 appropriations from any State department to any other State department as may be necessary
to provide a loan for a term not to exceed 30 days to a municipality faced with a fiscal crisis,

1 including but not limited to a potential default on tax anticipation notes. Extension of the
3 term of the loan shall be conditioned on the municipality being an “eligible municipality”
5 pursuant to P.L.1987, c.75 (C.52:27D-118.24 et seq.).

28 The unexpended balance at the end of the preceding fiscal year in the Support of Patients in
29 County Psychiatric Hospitals account is appropriated for the same purpose.

30 Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State
31 share of payments from the Support of Patients in County Psychiatric Hospitals account to
32 the several county psychiatric facilities on behalf of the reasonable cost of maintenance of
33 patients deemed to be county indigents shall be at the rate of 125% of the established State
34 House Commission rate for the period July 1, 2012 to December 31, 2012 and at the rate of
35 45% of the rate established by the Commissioner of Human Services for the period January
36 1, 2013 to June 30, 2013 such that the total amount to be paid by the State on behalf of
37 county indigent patients for fiscal year 2013 shall not exceed 85% of the total reasonable per
38 capita cost; and further provided that the rate at which the State will reimburse the county
39 psychiatric hospitals shall not exceed 100% of the per capita rate at which each county pays
40 to the State for the reasonable cost of maintenance and clothing of each patient residing in
41 a State psychiatric facility, excluding the depreciation, interest, and carry-forward adjustment
42 components of this rate, and including the depreciation, interest, and carry-forward
43 adjustment components of each individual county psychiatric hospital’s rate established for
44 the period July 1, 2012 to December 31, 2012 by the State House Commission and for the
45 period January 1, 2013 to June 30, 2013 by the Commissioner of Human Services.

46 Notwithstanding the provisions of any other law or regulation to the contrary, the amount
47 hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
48 conditioned upon the following provision: payments to county psychiatric hospitals will only
49

1 be made after receipt of their claims by the Division of Mental Health and Addiction
2 Services. County psychiatric hospitals shall submit such claims no less frequently than
3 quarterly and within 15 days of the close of each quarter.

4 With the exception of all past, present, and future revenues representing federal financial
5 participation received by the State from the United States that is based on payments to
6 hospitals that serve a disproportionate share of low-income patients, which shall be retained
7 by the State, the sharing of revenues received to defray the State Aid appropriation for the
8 costs of maintaining patients in State and county psychiatric hospitals shall be based on the
9 same percent as costs are shared between the State and counties.

10 The amount hereinabove appropriated for State Aid reimbursement payments for maintenance
11 of patients in county psychiatric facilities shall be limited to inpatient services only, except
12 that such reimbursement shall be paid to a county for outpatient and partial hospitalization
13 services as defined by the Department of Human Services, if outpatient and/or partial
14 hospitalization services had been previously provided at the county psychiatric facility prior
15 to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed
16 the amount of State Aid funds paid to reimburse outpatient and partial hospitalization
17 services provided during calendar year 1997. In addition, any revision or expansion to the
18 number of inpatient beds or inpatient services provided at such hospitals which will have a
19 material impact on the amount of State Aid payments made for such services, must first be
20 approved by the Department of Human Services before such change is implemented.

21 The amount hereinabove appropriated for the Division of Mental Health and Addiction Services
22 for State facility operations and the amount appropriated as State Aid for the costs of county
23 facility operations are first charged to the federal Disproportionate Share Hospital (DSH)
24 reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues
25 earned by the State related to services provided by county psychiatric hospitals which are
26 supported through this State Aid appropriation shall be considered as the first source
27 supporting the State Aid appropriation.

28 In addition to the amounts hereinabove appropriated for the Support of Patients in County
29 Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental
30 Health and Addiction Services determines that, in order to provide the least restrictive setting
31 appropriate, a patient should be admitted to a county psychiatric hospital in a county other
32 than the one in which the patient is domiciled rather than to a State psychiatric hospital, there
33 are hereby appropriated such additional sums as may be required, as determined by the
34 Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred
35 in connection with the care of such patient in a county psychiatric hospital which exceeded
36 the cost of care which would have been incurred had the patient been placed in a State
37 psychiatric hospital, subject to the approval of the Director of the Division of Budget and
38 Accounting.

39 The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
40 conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and
41 continue to maintain enrollment as providers in the State's Medicaid program; (2) complete
42 or pursue in good faith the completion of eligibility applications for patients who could be
43 Medicaid eligible; (3) bill the Medicaid program for all applicable services; and (4) neither
44 admit nor discharge patients based upon Medicaid eligibility.

45 Notwithstanding the provisions of any other law or regulation to the contrary, the amount
46 hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
47 conditioned upon the county psychiatric hospitals providing and certifying all information
48 that is required by the State to prepare a complete, accurate, and timely claim to federal
49 authorities for Medicaid Disproportionate Share (DSH) claim revenues.

Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the

1 amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
 2 conditioned upon the following provisions: for rates effective January 1, 2013, and any prior
 3 year rate adjustments that may be required beginning January 1, 2013, the approval of the
 4 State House Commission shall not be required for the setting of such rates and the
 5 Commissioner of Human Services shall set the per capita cost rates to be paid by the State
 6 to the several counties on behalf of the reasonable cost of maintenance of State and county
 7 patients in any county psychiatric facility, including outpatient psychiatric services, the per
 8 capita rates which each county shall pay to the Treasurer for the reasonable cost of
 9 maintenance and clothing of each patient residing in a State psychiatric facility having a legal
 10 settlement in such county ("County Patients"), the rates to be paid for the reasonable cost of
 11 maintenance and clothing of the convict and criminal mentally ill in any State psychiatric
 12 facility and the cost of maintenance of County Patients residing in State developmental
 13 centers or receiving other residential functional services for the developmentally disabled.
 14 Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates
 15 shall be provided by the Commissioner of Human Services to the clerk of the respective
 16 boards of chosen freeholders.

17 In the event that the Division of Mental Health and Addiction Services is notified that a county
 18 psychiatric hospital will cease operations for the current fiscal year, or any portion thereof,
 19 in order to assure continuity of care for patients who otherwise would have been served by
 20 the county hospital, as well as to preserve patient and public safety, the Division shall have
 21 the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals
 22 account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health
 23 and Addiction Services, in amounts not to exceed \$33,200,000 for the fiscal year, subject to
 24 a plan approved by the Director of the Division of Budget and Accounting.

17 recovery.

18 All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194

40 the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold
41 Prescription Discount Program are conditioned upon the Department of Human Services
42 coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy
43 in a Medicare Part D provider network or private third party liability plan network for
44 beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary
45 prescription coverage that requires use of mail order. The mail-order program may waive,
46 discount, or rebate the beneficiary copayment and mail-order pharmacy providers may
47 dispense up to a 90-day supply on prescription refills with the voluntary participation of the
48 beneficiary, subject to the approval of the Commissioner of Human Services and the Director
49 of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove

1 appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
2 to the Aged and Disabled (PAAD) programs are conditioned upon the Department of Human
3 Services coordinating the benefits of the PAAD programs with the prescription drug benefits
4 of the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003”
5 as the primary payer due to the current federal prohibition against State automatic enrollment
6 of PAAD recipients in the federal program. The PAAD program benefit and reimbursement
7 shall only be available to cover the beneficiary cost share to in-network pharmacies and for
8 deductible and coverage gap costs (as determined by the Commissioner of Human Services)
9 associated with enrollment in Medicare Part D for beneficiaries of the PAAD and Senior
10 Gold Prescription Discount programs, and for Medicare Part D premium costs for PAAD
11 beneficiaries.

12 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
13 in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and
14 Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall
15 be available as payment as a PAAD program or Senior Gold Prescription Discount Program
16 benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy
17 network under Medicare Part D.

18 Consistent with the requirements of the federal “Medicare Prescription Drug, Improvement, and
19 Modernization Act of 2003” and the current federal prohibition against State automatic
20 enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the
21 Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program
22 recipients, no funds hereinabove appropriated to the PAAD program or Senior Gold
23 Prescription Discount Program accounts shall be expended for any individual unless the
24 individual enrolled in the PAAD program or Senior Gold Prescription Discount Program
25 provides all data necessary to enroll the individual in Medicare Part D, including data
26 required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid
27 Services.

28 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
29 appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
30 to the Aged and Disabled programs, and Senior Gold Prescription Discount Program shall
31 be conditioned upon the following provision: no funds shall be appropriated for the refilling
32 of a prescription drug until such time as the original prescription is 85% finished.

33 Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize
34 drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription
35 Discount Program is conditioned on the Senior Gold Prescription Discount Program being
36 designated the authorized representative for the purpose of coordinating benefits with the
37 Medicare drug program, including appeals of coverage determinations. The Senior Gold
38 Prescription Discount Program is authorized to represent program beneficiaries in the pursuit
39 of such coverage. Senior Gold Prescription Discount Program representation shall include,
40 but not to be limited to, the following actions: pursuit of appeals, grievances, and coverage
41 determinations.

42 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
43 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
44 or the Senior Gold Prescription Discount Program shall be expended to cover medications
45 not on the formulary of a PAAD program or Senior Gold Prescription Discount Program
46 beneficiary’s Medicare Part D plan. This exclusion shall not apply to those drugs covered
47 by the PAAD program and Senior Gold Prescription Discount Program which are specifically
48 excluded by the federal “Medicare Prescription Drug, Improvement, and Modernization Act
49 of 2003” (MMA). In addition, this exclusion shall not impact the beneficiary’s rights,
guaranteed by the MMA, to appeal the medical necessity of coverage for drugs not on the

1 formulary of a Medicare Part D plan.

2 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
3 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
4 or the Senior Gold Prescription Discount Program shall be expended for diabetic testing
5 materials and supplies which are covered under the federal Medicare Part B program, or for
6 vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or
7 cosmetic drugs, including but not limited to: drugs used for baldness, weight loss, and skin
8 conditions.

9 From the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged –
10 Claims and Senior Gold Prescription Discount Program, an amount not to exceed \$3,850,000
11 may be transferred to various accounts as required, including Direct State Services accounts,
12 subject to the approval of the Director of the Division of Budget and Accounting.

13 Notwithstanding the provisions of any law or regulation to the contrary, all financial recoveries
14 obtained through the efforts of any entity authorized to undertake the prevention and
15 detection of Medicaid fraud, waste, and abuse, are appropriated to Medical Services for the
16 Aged in the Division of Aging Services.

17 In order to permit flexibility in implementing ElderCare Initiatives appropriated hereinabove as
18 part of Community Based Senior Programs, and the Global Budget for Long Term Care
19 within the Medical Services for the Aged program classification, amounts may be transferred
20 between Direct State Services and Grants-In-Aid accounts, subject to the approval of the
21 Director of the Division of Budget and Accounting. Notice thereof shall be provided to the
22 Legislative Budget and Finance Officer on the effective date of the approved transfer.

23 In order to permit flexibility in implementing the ElderCare Advisory Commission Initiatives,
24 appropriated hereinabove as part of Community Based Senior Programs within the Programs
25 for the Aged program classification, amounts may be transferred between Direct State
26 Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division
27 of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and
28 Finance Officer on the effective date of the approved transfer.

29 Notwithstanding the provisions of section 2 of P.L.1988, c.114 (C.26:2M-10) or any other law
30 or regulation to the contrary, the amount appropriated for Community Based Senior Programs
31 is subject to the following condition: private for-profit agencies shall be eligible grantees for
32 funding from the Community Based Senior Programs account for Alzheimer's Disease
33 activities.

34 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
35 appropriated for Payments for Medical Assistance Recipients - Nursing Homes and Global
36 Budget for Long Term Care are subject to the following condition: nursing facilities shall not
37 receive payments for bed hold or therapeutic leave days for Medicaid beneficiaries; provided
38 that nursing facilities shall continue to reserve beds for Medicaid beneficiaries who are
39 hospitalized or on therapeutic leave as required by N.J.A.C.8:85-1.14.

40 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
41 appropriated for Payments for Medical Assistance Recipients - Nursing Homes and Global
42 Budget for Long Term Care is subject to the following condition: if nursing facility
43 reimbursement is shifted to managed long term care during fiscal year 2013 under the
44 Medicaid Comprehensive Waiver, the managed care organizations for the State shall
45 maintain the reimbursement rates last calculated pursuant to N.J.A.C.8:85, effective in fiscal
46 year 2013, through the end of fiscal year 2013.

47
48 In addition to the amounts hereinabove appropriated for Pharmaceutical Assistance to the Aged
49 and Disabled and Hearing Aid Assistance for the Aged and Disabled (CRF), there are
50 appropriated from the Casino Revenue Fund and available federal matching funds such

1 additional sums as may be required for the payment of claims, credits, and rebates, subject
2 to the approval of the Director of the Division of Budget and Accounting.

3 All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20
4 et seq.), during the current fiscal year are appropriated for payments to providers in the same
5 program class from which the recovery originated.

6 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
7 claims to providers of medical services, amounts may be transferred to and from the various
8 items of appropriation within the Medical Services for the Aged program classification,
9 subject to the approval of the Director of the Division of Budget and Accounting. Notice
10 thereof shall be provided to the Legislative Budget and Finance Officer on the effective date
11 of the approved transfer.

12 For the purposes of account balance maintenance, all object accounts in the Medical Services for
13 the Aged program classification shall be considered as one object. This will allow timely
14 payment of claims to providers of medical services, but ensure that no overspending will
15 occur in the program classification.

16 Notwithstanding the provisions of P.L.1988, c.92 (C.30:4E-5 et seq.) to the contrary, funds
17 appropriated for the Home Care Expansion Program (HCEP) shall be paid only for
18 individuals enrolled in the program as of June 30, 1996 who are not eligible for the Global
19 Budget for Long Term Care or alternative programs, and only for so long as those individuals
20 require services covered by the HCEP.

21 Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
22 receipts generated or savings realized in Casino Revenue Fund, Medical Services for the
23 Aged, or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from
24 initiatives included in the current fiscal year's annual appropriations act may be transferred
25 to administration accounts to fund costs incurred in realizing these additional receipts or
26 savings, subject to the approval of the Director of the Division of Budget and Accounting.

27 The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
28 Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the
29 payment of obligations applicable to prior fiscal years.

30 Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)
31 program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits,
32 notwithstanding any provision contained in contracts, wills, agreements, or other instruments.
33 Any provision in a contract of insurance, will, trust agreement, or other instrument which
34 reduces or excludes coverage or payment to an individual because of that individual's
35 eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be
36 made as a result of any such provision.

37 Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and
38 Disabled - Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194
39 (C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the Aged
40 and Disabled program shall be \$5 for generic drugs and \$7 for brand name drugs.

41 Notwithstanding the provisions of any law or regulation to the contrary, no State funds are
42 appropriated for the Drug Utilization Review Council in the Department of Human Services,
43 and therefore, the functions of the Council shall cease.

44 Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval
45 of a plan by the Commissioner of Human Services, no funds appropriated for the
46 Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975,
47 c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer, unless
48 participating pharmaceutical manufacturing companies execute contracts with the
49 Department of Human Services. Name brand manufacturers must provide for the payment
of rebates to the State on the same basis as provided for in subsections (a) through (c) of

1 section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

3 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
5 for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
7 P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical
9 manufacturing companies execute contracts with the Department of Human Services,
11 providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical
13 manufacturing companies for prescriptions purchased by the PAAD program shall continue
15 during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid
17 as secondary to Medicare Part D shall apply only to the amount paid by the State under the
19 PAAD program. All revenues from such rebates during the current fiscal year are
21 appropriated for the PAAD program.

23 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
25 the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the
27 Department of Human Services coordinating benefits with any voluntary prescription drug
29 mail-order or specialty pharmacy in a Medicare Part D provider network or private third party
31 liability plan network for beneficiaries enrolled in a Medicare Part D program or
33 beneficiaries with primary prescription coverage that requires use of mail order. The
35 mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order
37 pharmacy providers may dispense up to a 90-day supply on prescription refills with the
39 voluntary participation of the beneficiary, subject to the approval of the Commissioner of
41 Human Services and the Director of the Division of Budget and Accounting.

43 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
45 appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
47 is conditioned upon the Department of Human Services coordinating the benefits of the
49 PAAD program with the prescription drug benefits of the federal "Medicare Prescription
Drug, Improvement, and Modernization Act of 2003" as the primary payer due to the current
federal prohibition against State automatic enrollment of PAAD program recipients in the
federal program. The PAAD program benefit and reimbursement shall only be available to
cover the beneficiary cost share to in-network pharmacies and for deductible and coverage
gap costs (as determined by the Commissioner of Human Services) associated with
enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold
Prescription Discount Program, and for Medicare Part D premium costs for PAAD program
beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior
Gold Prescription Discount Program accounts shall be available as payment as a PAAD
program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not
enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
Modernization Act of 2003" and the current federal prohibition against State automatic
enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
recipients, no funds hereinabove appropriated from the PAAD account shall be expended for
any individual enrolled in the PAAD program unless the individual provides all data that may
be necessary to enroll the individual in Medicare Part D, including data required for the
subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
shall be conditioned upon the following provision: no funds shall be appropriated for the
refilling of a prescription drug until such time as the original prescription is 85% finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove

1 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
 shall be expended to cover medications not on the formulary of a PAAD program
 3 beneficiary’s Medicare Part D plan. This exclusion shall not apply to those drugs covered
 by PAAD which are specifically excluded by the federal “Medicare Prescription Drug,
 5 Improvement, and Modernization Act of 2003” (MMA). In addition, this exclusion shall not
 impact the beneficiary’s rights, guaranteed by the MMA, to appeal the medical necessity of
 7 coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
 9 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
 shall be expended for diabetic testing materials and supplies which are covered under the
 11 federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the
 treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used
 13 for baldness, weight loss, and skin conditions.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
 15 in the Pharmaceutical Assistance to the Aged and Disabled program classification shall be
 expended for fee-for-service prescription drug claims with no Medicare Part D coverage
 17 except under the following conditions: (1) the maximum allowable cost for legend and
 non-legend drugs shall be calculated based on the lowest of (i) the Estimated Acquisition
 19 Cost (EAC), defined as a drug’s wholesale acquisition cost less a volume discount of one (1)
 percent; (ii) the federal upper limit (FUL); or (iii) the State upper limit (SUL); and (iv) cost
 21 acquisition data submitted by providers of pharmaceutical services for single-source or
 brand-name multi-source drugs where an alternative pricing benchmark is not available; (2)
 23 pharmacy reimbursement for legend and non-legend drugs shall be calculated based on the
 (i) the lowest of the EAC, FUL or SUL plus a dispensing fee of \$3.73 to \$3.99; or a
 25 provider’s usual and customary charge; or (ii) the lower of cost acquisition data submitted
 by providers of pharmaceutical services for single-source or brand-name multi-source drugs,
 27 where an alternative pricing benchmark is not available, plus a professional fee; or a
 provider’s usual and customary charge. To effectuate the calculation of SUL rates and/or the
 29 calculation of single-source and brand-name multi-source legend and non-legend drug costs
 where an alternative pricing benchmark is not available, which is intended to be budget
 31 neutral, the Department of Human Services shall mandate ongoing submission of current
 drug acquisition data by providers, of pharmaceutical services. No funds hereinabove
 33 appropriated shall be paid to any entity that fails to submit required data.

Notwithstanding the provisions of any law or regulation to the contrary, of the amount
 35 hereinabove appropriated for the Community Based Senior Programs (CRF) account,
 \$400,000 shall be charged to the Casino Simulcasting Fund.

Notwithstanding the provisions of section 2 of P.L.1988, c.114 (C.26:2M-10) or any other law
 37 or regulation to the contrary, the amount appropriated for Community Based Senior Programs
 is subject to the following condition: private for-profit agencies shall be eligible grantees for
 39 funding from the Community Based Senior Programs account for Alzheimer’s Disease
 41 activities.

Total Appropriation, Federal Funds \$12,368,283,000

Notwithstanding the provisions of any State law or regulation to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds including grants for preventive measures; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases in previously anticipated grant awards for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100% of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and

1 Finance Officer of such grants; and all other grants of \$500,000 or less.

2 For the purposes of federal funds appropriations, "political subdivisions of the State" means
3 counties, municipalities, school districts, or agencies thereof, regional, county or municipal
4 authorities, or districts other than interstate authorities or districts; "discretion" refers to any
5 action in which an agency may determine either the amount of funds to be allocated or the
6 recipient of the allocation; and "grants" refers to one-time, or time limited awards, which are
7 received pursuant to submission of a grant application in competition with other grant
8 applications.

9 The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated
10 for the same purposes. The Director of the Division of Budget and Accounting shall inform
11 the Legislative Budget and Finance Officer by November 1, 2012 of any unexpended
12 balances which are continued.

13 Out of the appropriations herein, the Director of the Division of Budget and Accounting is
14 empowered to approve payments to liquidate any unrecorded liabilities for materials
15 delivered or services rendered in prior fiscal years, upon the written recommendations of any
16 department head or the department head's designated representative. The Director of the
17 Division of Budget and Accounting shall reject any recommendations for payment which the
18 Director deems improper.

19 The sum herein appropriated to the Department of Transportation for the Hudson-Bergen Light
20 Rail Transit System is hereby appropriated, to the extent necessary, to pay the principal of
21 and interest on the grant anticipation notes issued by the New Jersey Transit Corporation.

22 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
23 claims to providers of medical services, amounts may be transferred to and from the various
24 items of appropriation within the General Medical Services program classification, and
25 within the federal matching funding, in the Division of Medical Assistance and Health
26 Services and Division of Disability Services in the Department of Human Services, and
27 within the Medical Services for the Aged program classification, and within the federal
28 matching funding, in the Division of Senior Services in the Department of Health, subject to
29 the approval of the Director of the Division of Budget and Accounting. Notice thereof shall
30 be provided to the Legislative Budget and Finance Officer on the effective date of the
31 approved transfer.

32 Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any
33 purchase by the State or by a State agency or local government unit of equipment, goods or
34 services related to homeland security and domestic preparedness, that is paid for or
35 reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other
36 federal agency, appropriated in the current fiscal year, may be made through the receipt of
37 public bids or as an alternative to public bidding and subject to the provisions of this
38 paragraph, through direct purchase without advertising for bids or rejecting bids already
39 received but not awarded. The equipment, goods or services purchased by a local government
40 unit shall be referred to in the grant agreement issued by the State administrative agency
41 administering such funds and shall be authorized by resolution of the governing body of the
42 local government unit entering into the grant agreement. Such resolution may, without
43 subsequent action of the local governing body, simultaneously accept the grant from the State
44 administrative agency, authorize the insertion of the revenue and offsetting appropriation in
45 the budget of the local government unit, and authorize the contracting agent of the local
46 government unit to procure the equipment, goods or services. A copy of such resolution shall
47 be filed with the chief financial officer of the local government unit, the State administrative
48 agency and the Division of Local Government Services in the Department of Community
49 Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be
50 holders of a current State contract for the equipment, goods or services sought, or (2) be
51 participating in a federal procurement program established by a federal department or agency,
52 or (3) have been approved by the State Treasurer in consultation with the New Jersey
53 Domestic Security Preparedness Task Force. All homeland security purchases herein shall

1 continue to be subject to all grant requirements and conditions approved by the State
administrative agency. The Director of the Division of Purchase and Property may enter into
3 or participate in purchasing agreements with one or more other states, or political
subdivisions or compact agencies thereof, for the purchase of such equipment, goods or
5 services, using monies appropriated under this act, to meet the domestic preparedness and
homeland security needs of this State. Such purchasing agreement may provide for the
7 sharing of costs and the methods of payments relating to such purchases. Furthermore, a
county government awarding a contract for Homeland Security equipment, goods or services,
9 may, with the approval of the vendor, extend the terms and conditions of the contract to any
other county government that wants to purchase under that contract, subject to notice and
11 documentation requirements issued by the Director of the Division of Local Government
Services.

13 Of the amounts appropriated for Income Maintenance Management, amounts may be transferred
to the various departments in accordance with the Division of Family Development's
15 agreements, subject to the approval of the Director of the Division of Budget and Accounting.
Any unobligated balances remaining from funds transferred to the departments shall be
17 transferred back to the Division of Family Development subject to the approval of the
Director of the Division of Budget and Accounting.

19 Notwithstanding the provisions of any law or regulation to the contrary, in addition to the federal
funds hereinabove appropriated, there are appropriated to the appropriate executive agencies,
21 subject to the approval of the Director of the Division of Budget and Accounting, such
additional federal funds received during this fiscal year pursuant to any federal law
23 authorizing a federal economic stimulus program or any other similar federal program for the
purposes, projects, and programs set forth in such law; provided, however, that if the federal
25 law does not delineate the specific purposes, projects, and programs to be funded by the
federal funds, the purposes, projects, and programs to be funded by the federal funds shall
27 be subject to the approval of the Joint Budget Oversight Committee, and further provided,
however, that the State Treasurer shall report to the President of the Senate, the Speaker of
29 the General Assembly, the Chair of the Senate Budget and Appropriations Committee, and
the Chair of the Assembly Budget Committee at least quarterly on the receipt and utilization
31 of all additional federal funds received during this fiscal year pursuant to any federal law
authorizing a federal economic stimulus program.

33 Officials from the appropriate executive agencies are hereby authorized to take such steps, if any,
as may be necessary to qualify for, apply for, receive and expend such federal funds and to
35 make such commitments, representations and other agreements as may be required by the
federal government to receive federal funds under federal law authorizing the federal
37 economic stimulus program or any other similar federal law. Furthermore, and
notwithstanding any other law or regulation to the contrary, officials from the appropriate
39 executive agencies may encumber any of these federal funds appropriated pursuant to this
provision prior to entering into any contract, grant or other agreement obligating the federal
41 funds, subject to the approval of the Director of the Division of Budget and Accounting.

43 Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided
under the State Energy Program (SEP) and the Energy Efficiency and Conservation Block
Grant Program (Block Grant Program), pursuant to the American Recovery and Reinvestment
45 Act, Pub.L. 111-5 and any other similar type of federal stimulus law which may be
hereinafter enacted (collectively referred to as ARRA), are appropriated. Subject to the
47 approval of the Director of the Division of Budget and Accounting as set forth below, such
appropriations are to include the administrative costs of the respective agencies in
49 administering the specified programs provided such use is consistent with ARRA and federal
approvals. In the event that the administrative costs are not permitted to be paid from the
51 ARRA monies received by the State, there is hereby appropriated from the Clean Energy
Fund, subject to the approval of the Director of the Division of Budget and Accounting such
53 sums as shall be necessary to pay for the administrative costs of the agencies administering

1 the specified programs listed below. Notwithstanding the specific appropriations made below,
2 in the event that the federal funds received under ARRA are not in their entirety or in part
3 allocated to the specific purposes listed below, to permit flexibility in the handling of
4 appropriations, amounts may be transferred to and from the various items of the
5 appropriations listed below or may be used for such other purposes permitted under ARRA
6 subject to the approval of the Director of the Division of Budget and Accounting and upon
7 the recommendation of the State Treasurer. The federal funds provided pursuant to ARRA
8 with respect to the SEP shall be used only for purposes allowed under part D of Title III of
9 the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.), and the federal funds
10 provided pursuant to ARRA with respect to the Block Grant Program shall be used only for
11 implementation of programs authorized under subtitle E of Title V of the Energy
12 Independence and Security Act of 2007 (42 U.S.C. 17151 et seq.). With respect to all federal
13 funds which are appropriated pursuant to this provision, NJEDA, HMFA, the Office of
14 Energy Savings and the BPU shall prepare and timely submit to the United States Department
15 of Energy (USDOE) the reports required under subsection (c) of section 1512 of Pub.L.

18 a. SEP. SEP monies received by the State under ARRA are hereby appropriated to the Clean
19 Energy Fund and shall be allocated by the Board of Public Utilities (BPU) as
20 follows. The BPU shall enter into memoranda of understanding with the
21 applicable agencies listed below which memoranda of understanding shall
22 provide for the transfer of such monies to the applicable agencies for the
23 purposes listed below.

25 for a grant and loan program to be developed and administered by the

45 to be leveraged with existing State energy rebate programs and the
46 federal investment tax credit, with grants prioritized based on the ability
47 to create jobs, generate energy, provide benefits to property residents

49 of all related solar renewable energy certificates for the purpose of
50 establishing a revolving fund to support additional solar energy projects
51 at HMFA-supported residential properties;

11 whose energy consumption patterns do not make them likely applicants;

12 (6) \$6,328,000 to the Office of Energy Savings in the Department of the
13 Treasury for the purposes of energy efficiency and renewable energy
14 programs and projects in State facilities, including State offices, State

16 (7) \$4,871,651 to the State Energy Office for implementing energy conservation
17 measures in State-owned and operated facilities; and

18 (8) \$2,093,363 for grants administered by the BPU to State departments,
19 agencies, authorities and public colleges and universities for energy
20 efficient equipment purposes which will reduce energy demand and
21 greenhouse gas emissions by replacing aging, energy intense equipment
22 with new, more efficient models.

23 In the event that any of the SEP monies appropriated pursuant to the preceding paragraph are
24 not expended by the date required by the USDOE, the appropriations of such
25 funds pursuant to the preceding paragraph are hereby cancelled, and such
26 unexpended funds are hereby appropriated, subject to the approval of the
27 USDOE and the Director of the Division of Budget and Accounting to the New
28 Jersey Department of the Treasury to establish a revolving energy efficiency
29 project fund (Energy Efficiency Project Fund) for the purposes of funding
30 energy efficiency and renewable energy programs and projects in State facilities,
31 including but not limited to State offices, State health facilities and State prisons.
32 The monies appropriated from the Energy Efficiency Project Fund shall be
33 repaid to the Energy Efficiency Project Fund by the department receiving such
34 monies as follows: of the amounts hereinabove appropriated in this Act to each
35 department receiving monies from the Energy Efficiency Project Fund, there is
36 hereby appropriated for deposit in the Energy Efficiency Project Fund an amount
37 equivalent to the annual repayment due to the Energy Efficiency Project Fund
38 or the actual savings achieved, whichever is greater.

43 programs and projects in State facilities, including State offices, State
44 health facilities and State prisons; and

45 (2) \$10,240,000 to the BPU for grants to cities, counties and other local units of
46 government which are not eligible to receive directly from the federal

49 and Workforce Development shall consider consistent with applicable federal law a formal
50 association of community based organizations to be a "local consortium" for the purposes of
51 receiving funding for the delivery of English as a Second Language or Civics
52 education/training.

53 In order to permit flexibility in the handling of appropriations and ensure the timely payment of

1 claims to providers of medical services, amounts may be transferred among accounts in the
 2 Child Integrated System of Care Services program classification. Amounts may also be
 3 transferred to and from various items of appropriation within the General Medical Services
 4 program classification of the Division of Medical Assistance and Health Services in the

for permission to transfer funds from one item of appropriation to a different item of
19 appropriation. For the purposes of this section, "item of appropriation" means the spending
authority identified by an organization code, appropriation source, and program code, unique to

31 appropriation;

33 (3) Requests for the transfer of State and other nonfederal funds, in amounts greater than
\$50,000, to or from any Special Purpose or Grant account in which the identifying organization
code, appropriation source, and program code, remain the same, provided that the transfer would

37 (4) Requests for the transfer of State funds, in amounts greater than \$50,000, between items
of appropriation in different departments or between items of appropriation in different
39 appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid,
Capital Construction and Debt Service;

41 (5) Requests for the transfer of federal funds, in amounts greater than \$300,000, from one
item of appropriation to another item of appropriation, if the amount of the transfer to an item in
43 combination with the amount of the appropriation to that item would result in an amount in
excess of the appropriation authority for that item, as defined by the program class;

45 (6) Requests for such other transfers as are appropriate in order to ensure compliance with
the legislative intent of this act.

47 b. The Joint Budget Oversight Committee or its successor may review all transfer requests
submitted for legislative approval and may direct the Legislative Budget and Finance Officer to
49 approve or disapprove any such transfer request. Transfers submitted for legislative approval

53 thereof and shall return them to the director. If any provision of this act or any supplement thereto

1 requires the Legislative Budget and Finance Officer to approve or disapprove requests for the
transfer of funds, the request shall be deemed to be approved by the Legislative Budget and
3 Finance Officer if, within 20 working days of the physical receipt of the request, he has not
disapproved the request and so notified the requesting officer. However, this time period shall
5 not pertain to any transfer request under review by the Joint Budget Oversight Committee or its
