...."

SECTION 7.(b) G.S. 130A-304 reads as rewritten:

"§ 130A-304. Confidential information protected.

(a) The following information received or prepared by the Department in the course of carrying out its duties and responsibilities under this Article is confidential information and shall not be subject to disclosure under G.S. 132-6:

- (1) Information which the Secretary determines is entitled to confidential treatment pursuant to G.S. 132-1.2. If the Secretary determines that

1 information received by the Department is not entitled to confidential  
2 treatment, the Secretary shall inform the person who provided the information  
3 of that determination at the time such determination is made. The Secretary  
4 may refuse to accept or may return any information that is claimed to be  
5 confidential that the Secretary determines is not entitled to confidential  
6 treatment.

7 (2) Information that is confidential under any provision of federal or state law.

8 (3) Information compiled in anticipation of enforcement or criminal proceedings,  
9 but only to the extent disclosure could reasonably be expected to interfere with  
10 the institution of such proceedings.

11 (4) Sensitive public security information, as defined in G.S. 132-1.7.

12 (b) Confidential information may be disclosed to officers, employees, or authorized  
13 representatives of federal or state agencies if such disclosure is necessary to carry out a proper  
14 function of the Department or the requesting agency or when relevant in any proceeding under  
15 this Article.

16 (c) Except as provided in subsection (b) of this section or as otherwise provided by law,  
17 any officer or employee of the State who knowingly discloses information designated as  
18 confidential under this section shall be guilty of a Class 1 misdemeanor and shall be removed  
19 from office or discharged from employment."

20 **SECTION 7.(c)** G.S. 143-215.3C reads as rewritten:

21 "**§ 143-215.3C. Confidential information protected.**

22 (a) Information obtained under this Article or Article 21A or 21B of this Chapter shall  
23 be available to the public except that, upon a showing satisfactory to the Commission by any  
24 person that information to which the Commission has access, if made public, would divulge  
25 methods or processes entitled to protection as trade secrets pursuant to G.S. 132-1.2, or would  
26 divulge sensitive public security information, as defined in G.S. 132-1.7, the Commission shall  
27 consider the information confidential.

28 (b) Effluent data, as defined in 40 Code of Federal Regulations § 2.302 (1 July 1993  
29 Edition) and emission data, as defined in 40 Code of Federal Regulations § 2.301 (1 July 1993  
30 Edition) is not entitled to confidential treatment under this section.

31 (c) Confidential information may be disclosed to any officer, employee, or authorized  
32 representative of any federal or state agency if disclosure is necessary to carry out a proper  
33 function of the Department or other agency or when relevant in any proceeding under this Article  
34 or Article 21A or Article 21B of this Chapter.

35 (d) The Commission shall provide for adequate notice to any person who submits  
36 information of any decision that the information is not entitled to confidential treatment and of  
37 any decision to release information that the person who submits the information contends is  
38 entitled to confidential treatment. Any person who requests information and any person who  
39 submits information who is dissatisfied with a decision of the Commission to withhold or release  
40 information may request a declaratory ruling from the Commission under G.S. 150B-4 within 10  
41 days after the Commission notifies the person of its decision. The information may not be  
42 released by the Commission until the Commission issues a declaratory ruling or, if judicial  
43 review of the final agency decision is sought by any party, the information may not be released  
44 by the Commission until a final judicial determination has been made."

45  
46 **EXEMPT OFF-FRAME MODULAR HOMES FROM CERTAIN DESIGN ELEMENTS**  
47 **REQUIRED BY THE NORTH CAROLINA BUILDING CODE**

48 **SECTION 9.** G.S. 143-139.1 reads as rewritten:

49 "**§ 143-139.1. Certification of manufactured buildings, structures or components by**  
50 **recognized independent testing laboratory; minimum standards for**  
51 **single-family, on-frame modular homes.**

1 (a) Certification. – The State Building Code may provide, in circumstances deemed  
2 appropriate by the Building Code Council, for testing, evaluation, inspection, and certification of  
3 buildings, structures or components manufactured off the site on which they are to be erected, by  
4 a recognized independent testing laboratory having follow-up inspection services approved by  
5 the Building Code Council. Approval of such buildings, structures or components shall be  
6 evidenced by labels or seals acceptable to the Council. All building units, structures or  
7 components bearing such labels or seals shall be deemed to meet the requirements of the State  
8 Building Code and this Article without further inspection or payment of fees, except as may be  
9 required for the enforcement of the Code relative to the connection of units and components and  
10 enforcement of local ordinances governing zoning, utility connections, and foundations permits.  
11 The Building Code Council shall adopt and may amend from time to time such reasonable and  
12 appropriate rules and regulations as it deems necessary for approval of agencies offering such  
13 testing, evaluation, inspection, and certification services and for overseeing their operations.  
14 Such rules and regulations shall include provisions to insure that such agencies are independent  
15 and free of any potential conflicts of interest which might influence their judgment in exercising  
16 their functions under the Code. Such rules and regulations may include a schedule of reasonable  
17 fees to cover administrative expenses in approving and overseeing operations of such agencies  
18 and may require the posting of a bond or other security satisfactory to the Council guaranteeing  
19 faithful performance of duties under the Code.

20 The Building Code Council may also adopt rules to insure that any person that is not licensed,  
21 in accordance with G.S. 87-1, and that undertakes to erect a North Carolina labeled manufactured  
22 modular building, meets the manufacturer's installation instructions and applicable provisions of  
23 the State Building Code. Any such person, before securing a permit to erect a modular building,  
24 shall provide the code enforcement official proof that he has in force for each modular building  
25 to be erected a \$5,000 surety bond insuring compliance with the regulations of the State Building  
26 Code governing installation of modular buildings.

27 (b) Minimum Standards for Single-Family, On-Frame Modular Homes. – To qualify for  
28 a label or seal under subsection (a) of this section, a ~~single-family~~ single-family, on-frame  
29 modular home must meet or exceed the following construction and design standards:

- 30 (1) Roof pitch. – For homes with a single predominant roofline, the pitch of the  
31 roof shall be no less than five feet rise for every 12 feet of run.
- 32 (2) Eave projection. – The eave projections of the roof shall be no less than 10  
33 inches, which may not include a gutter around the perimeter of the home,  
34 unless the roof pitch is 8/12 or greater.
- 35 (3) Exterior wall. – The minimum height of the exterior wall shall be at least seven  
36 feet six inches for the first story.
- 37 (4) Siding and roofing materials. – The materials and texture for the exterior  
38 materials shall be compatible in composition, appearance, and durability to  
39 the exterior materials commonly used in standard residential construction.
- 40 (5) Foundations. – The home shall be designed to require foundation supports  
41 around the perimeter. The supports may be in the form of piers, pier and  
42 curtain wall, piling foundations, a perimeter wall, or other approved perimeter  
43 supports."  
44

45 **EXTEND DEADLINE FOR SMALL MUNICIPALITIES TO ADOPT**  
46 **COMPREHENSIVE LAND-USE PLANS**

47 **SECTION 10.** Section 2.9(c) of S.L. 2019-111 reads as rewritten:

48 "**SECTION 2.9.(c)** Any local government that has adopted zoning regulations but that has  
49 not adopted a comprehensive plan shall adopt such plan no later than July 1, 2022, in order to  
50 retain the authority to adopt and apply zoning ~~regulations~~ regulations, except that municipalities

1 with a population of 1,500 or less according to the most recent federal decennial census shall  
2 adopt such plan no later than July 1, 2023."

3

4 **EFFECTIVE DATE**

5 **SECTION 12.** Except as otherwise provided, this act is effective when it becomes  
6 law.
