(d) The Commission shall provide for adequate notice to any person who submits information of any decision that the information is not entitled to confidential treatment and of any decision to release information that the person who submits the information contends is entitled to confidential treatment. Any person who requests information and any person who submits information who is dissatisfied with a decision of the Commission to withhold or release information may request a declaratory ruling from the Commission under G.S. 150B-4 within 10 days after the Commission notifies the person of its decision. The information may not be released by the Commission until the Commission issues a declaratory ruling or, if judicial review of the final agency decision is sought by any party, the information may not be released by the Commission until a final judicial determination has been made."

## **EXEMPT OFF-FRAME MODULAR HOMES FROM CERTAIN DESIGN ELEMENTS REQUIRED BY THE NORTH CAROLINA BUILDING CODE**

**SECTION 9.** G.S. 143-139.1 reads as rewritten:

**"§ 143-139.1. Certification of manufactured buildings, structures or components by recognized independent testing laboratory; minimum standards for single-family, on-frame modular homes.**

(a) Certification. – The State Building Code may provide, in circumstances deemed appropriate by the Building Code Council, for testing, evaluation, inspection, and certification of buildings, structures or components manufactured off the site on which they are to be erected, by a recognized independent testing laboratory having follow-up inspection services approved by the Building Code Council. Approval of such buildings, structures or components shall be evidenced by labels or seals acceptable to the Council. All building units, structures or components bearing such labels or seals shall be deemed to meet the requirements of the State

Building Code and this Article without further inspection or payment of fees, except as may be required for the enforcement of the Code relative to the connection of units and components and enforcement of local ordinances governing zoning, utility connections, and foundations permits. The Building Code Council shall adopt and may amend from time to time such reasonable and appropriate rules and regulations as it deems necessary for approval of agencies offering such testing, evaluation, inspection, and certification services and for overseeing their operations. Such rules and regulations shall include provisions to insure that such agencies are independent and free of any potential conflicts of interest which might influence their judgment in exercising their functions under the Code. Such rules and regulations may include a schedule of reasonable fees to cover administrative expenses in approving and overseeing operations of such agencies and may require the posting of a bond or other security satisfactory to the Council guaranteeing faithful performance of duties under the Code.

The Building Code Council may also adopt rules to insure that any person that is not licensed, in accordance with G.S. 87-1, and that undertakes to erect a North Carolina labeled manufactured modular building, meets the manufacturer's installation instructions and applicable provisions of the State Building Code. Any such person, before securing a permit to erect a modular building, shall provide the code enforcement official proof that he has in force for each modular building to be erected a \$5,000 surety bond insuring compliance with the regulations of the State Building Code governing installation of modular buildings.

(b) Minimum Standards for Single-Family, On-Frame Modular Homes. – To qualify for a label or seal under subsection (a) of this section, a ~~single family~~ single-family, on-frame modular home must meet or exceed the following construction and design standards:

- (1) Roof pitch. – For homes with a single predominant roofline, the pitch of the roof shall be no less than five feet rise for every 12 feet of run.
- (2) Eave projection. – The eave projections of the roof shall be no less than 10 inches, which may not include a gutter around the perimeter of the home, unless the roof pitch is 8/12 or greater.
- (3) Exterior wall. – The minimum height of the exterior wall shall be at least seven feet six inches for the first story.
- (4) Siding and roofing materials. – The materials and texture for the exterior materials shall be compatible in composition, appearance, and durability to the exterior materials commonly used in standard residential construction.
- (5) Foundations. – The home shall be designed to require foundation supports around the perimeter. The supports may be in the form of piers, pier and curtain wall, piling foundations, a perimeter wall, or other approved perimeter supports."

- (1) One hundred seventy-five million dollars (\$175,000,000) for reimbursement of costs incurred by the manufacturer for purposes listed in Section 11.19(c) of S.L. 2021-180. Funds appropriated in this subsection are subject to proportionate recapture in the event the manufacturer fails to meet the ~~requirements set forth in this section.~~ preceding requirements.
- (2) Fifty million dollars (\$50,000,000) for payments to the manufacturer for creating and maintaining, ~~of the 5,000 up to 1,125~~ up to 1,125 eligible and expansion positions ~~required by this section, the final 1,125 positions (qualifying positions).~~ (qualifying positions) above 3,875 such positions. For the year in which a qualifying position is first filled, the Department shall pay the manufacturer the sum of forty-four thousand four hundred forty-four dollars and forty-four cents (\$44,444.44). A manufacturer that fails to maintain a qualifying position through the requirement term is disqualified from retaining the full amount received for the qualifying position in the year in which the failure occurs, may not again be paid for the qualifying position for any remaining year of the requirement term, and must pay to the Department a forfeiture amount. The forfeiture amount is equal to the product of forty-four thousand four hundred forty-four dollars and forty-four cents (\$44,444.44) multiplied by a fraction, the numerator of which is the number of years remaining in the requirement term, including the year of the failure, and the denominator of which is 20. The requirement term ends 20 years from the date that ~~at 5,000~~ at 4,500 eligible and expansion positions are filled or December 31, 2054, whichever is earlier. A manufacturer may receive an annual disbursement of a grant amount owed pursuant to the economic development agreement under G.S. 143B-437.57 only after the Economic Investment Committee established pursuant to G.S. 143B-437.54 has certified there are no outstanding forfeiture amounts."
