1 Strike everything after the enacting clause and insert the
2 following:

3 "NEW SECTION. **Sec. 1.** A new section is added to chapter 71.24
4 RCW to read as follows:

5 (1) The authority, in collaboration with the substance use
6 recovery services advisory committee established in subsection (2) of
7 this section, shall establish a substance use recovery services plan.
8 The purpose of the plan is to implement measures to assist persons
9 with substance use disorder in accessing outreach, treatment, and
10 recovery support services that are low-barrier, person-centered,
11 informed by people with lived experience, and culturally and
12 linguistically appropriate. The plan must articulate the manner in
13 which continual, rapid, and widespread access to a comprehensive
14 continuum of care will be provided to all persons with substance use
15 disorder.

16 (2)(a) The authority shall establish the substance use recovery
17 services advisory committee to collaborate with the authority in the
18 development and implementation of the substance use recovery services
19 plan under this section. The authority must, in consultation with the
20 University of Washington department of psychiatry and behavioral
21 sciences and an organization that represents the interests of people
22 who have been directly impacted by substance use and the criminal
23 legal system, appoint members to the advisory committee who have
24 relevant background related to the needs of persons with substance
25 use disorder.

26 (b) In its collaboration with the advisory committee to develop
27 the substance use recovery services plan, the authority must give due
28 consideration to the recommendations of the advisory committee. If
29 the authority determines that any of the advisory committee's
30 recommendations are not feasible to adopt and implement, the
31 authority must notify the advisory committee and request refinement
32 or modification of those recommendations.

1 (c) The advisory committee must convene as necessary for the
2 development of the substance use recovery services plan and to
3 provide consultation and advice related to the development and
4 adoption of rules to implement the plan. The advisory committee must
5 convene to monitor implementation of the plan and advise the
6 authority.

7 (3) The plan must consider:

8 (a) The manner in which persons with substance use disorder
9 currently access and interact with the behavioral health system;

10 (b) The points of intersection that persons with substance use
11 disorder have with the health care, criminal, civil legal, and child
12 welfare systems, including emergency departments, syringe service
13 programs, law enforcement, correctional facilities, and dependency
14 court;

15 (c) The various locations in which persons with untreated
16 substance use disorder congregate, including homeless encampments,
17 motels, and casinos;

18 (d) New community-based care access points, including the safe
19 station model in partnership with fire departments;

20 (e) Current regional capacity for existing public and private
21 programs providing substance use disorder assessments, each of the
22 American society of addiction medicine levels of care, and recovery
23 support services;

24 (f) Barriers to accessing the existing behavioral health system
25 for (i) indigent youth and adult populations in need of assessments,
26 services, treatment, and waivers of civil infraction penalties; and
27 (ii) populations chronically exposed to criminal legal system
28 responses relating to complex behavioral health conditions and the
29 consequences of trauma, and possible innovations that could reduce
30 those barriers and improve the quality and accessibility of care for
31 those populations;

32 (g) Evidence-based, research-based, and promising treatment and
33 recovery services appropriate for target populations;

34 (h) Workforce needs for the behavioral health services sector,
35 including addressing wage and retention challenges;

36 (i) Options for leveraging existing integrated managed care,
37 medicaid waiver, American Indian or Alaska Native fee-for-service
38 behavioral health benefits, and private insurance service capacity
39 for substance use disorders, including but not limited to
40 coordination with managed care organizations, behavioral health

1 administrative services organizations, the Washington health benefit
2 exchange, accountable communities of health, and the office of the
3 insurance commissioner;

4 (j) Framework and design assistance for jurisdictions to assist
5 in compliance with the requirements of RCW 10.31.110 for diversion of
6 individuals with complex behavioral health conditions to community-
7 based care whenever possible and appropriate, and identifying
8 resource gaps that impede jurisdictions in fully realizing the
9 potential impact of this approach;

10 (k) The design of recovery navigator programs in section 2 of
11 this act, including reporting requirements by behavioral health
12 administrative services organizations to monitor the effectiveness of
13 the programs and recommendations for program improvement;

14 (l) The design of ongoing qualitative and quantitative research
15 about the types of services desired by people with substance use
16 disorders and barriers they experience in accessing existing and
17 recommended services;

18 (m) The proposal of a funding framework in which, over time,
19 resources are shifted from punishment sectors to community-based care
20 interventions such that community-based care becomes the primary
21 strategy for addressing and resolving public order issues related to
22 behavioral health conditions;

23 (n) Strategic grant making to community organizations to promote
24 public understanding and eradicate stigma and prejudice against
25 persons with substance use disorder by promoting hope, empathy, and
26 recovery;

27 (o) Innovative mechanisms for real-time, peer-driven, noncoercive
28 outreach and engagement to individuals in active substance use
29 disorder across all settings and develop measures to enhance the
30 effectiveness of and opportunities for intervention across new and
31 existing points of contact with this population; and

32 (p) Diversion to community-based care for individuals with
33 substance use disorder across all points of the sequential intercept
34 model.

35 (4) The plan and related rules adopted by the authority must give
36 due consideration to the needs of youth and include the following
37 substance use outreach, treatment, and recovery services, which must
38 be available in or accessible by all jurisdictions: Field-based
39 outreach and engagement; intensive case management; all American
40 society of addiction medicine substance use disorder treatment levels

1 of care, including evidence-based treatment, promising practices, and
2 innovative approaches; access to all medications for opioid use
3 disorder; and recovery support services. These services must be
4 equitably distributed across urban and rural settings. If feasible
5 and appropriate, service initiation shall be made available on demand
6 through 24 hour, seven days a week peer recovery coach response,
7 behavioral health walk-in centers, or other innovative rapid response
8 models. These services must, at a minimum, incorporate the following
9 principles: Establish low barriers to entry and reentry; improve the
10 health and safety of the individual; reduce the harm of substance use
11 and related activity for the public; include integrated and
12 coordinated services; incorporate structural competency and
13 antiracism; use noncoercive methods of retaining people in treatment
14 and recovery services, including contingency management; consider the
15 unique needs of rural communities; and have a focus on services that
16 increase social determinants of health.

17 (5) In developing the plan, the authority shall:

18 (a) Align the components of the plan with previous and ongoing
19 studies, plans, and reports, including the Washington state opioid
20 overdose and response plan, published by the authority, the roadmap
21 to recovery planning grant strategy being developed by the authority,
22 and plans associated with federal block grants; and

23 (b) Coordinate its work with the efforts of the blue ribbon
24 commission on the intersection of the criminal justice and behavioral
25 health crisis systems established in the governor's executive order
26 21-03 and the crisis response improvement strategy committee
27 established in chapter . . ., Laws of 2021 (Engrossed Second
28 Substitute House Bill No. 1477).

29 (6) The authority must submit the substance use recovery services
30 plan to the governor and the legislature by December 1, 2021. After
31 submitting the plan, the authority shall adopt rules and enter into
32 contracts with providers to implement the plan by December 1, 2022.
33 In addition to seeking public comment under chapter 34.05 RCW, the
34 authority must adopt rules in accordance with the recommendations of
35 the substance use recovery services advisory committee as provided in
36 subsection (2) of this section.

37 (7) In consultation with the substance use recovery services
38 advisory committee, the authority must submit a report on the
39 implementation of the substance use recovery services plan to the
40 appropriate committees of the legislature and governor by December

1 1st of each year, beginning in 2022. This report shall include
2 progress on the substance use disorder continuum of care, including
3 availability of outreach, treatment, and recovery support services
4 statewide.

5 (8) For the purposes of this section, "recovery support services"
6 means a collection of nontreatment resources that sustain long-term
7 recovery from substance use disorder, including recovery housing,
8 employment and education supports, peer recovery coaching, family
9 education, technological recovery supports, transportation and child
10 care assistance to facilitate treatment participation and early
11 recovery, and social connectedness.

12 (9) This section expires December 31, 2026.

13 NEW SECTION. **Sec. 2.** A new section is added to chapter 71.24
14 RCW to read as follows:

15 (1) Each behavioral health administrative services organization
16 shall establish a recovery navigator program. The program shall
17 provide community-based outreach, intake, assessment, and connection
18 to services and, as appropriate, long-term intensive case management
19 and recovery coaching services, to youth and adults with substance
20 use disorder who are referred to the program from diverse sources and
21 shall facilitate and coordinate connections to a broad range of
22 community resources for youth and adults with substance use disorder,
23 including treatment and recovery support services.

24 (2) The authority shall establish uniform program standards for
25 behavioral health administrative services organizations to follow in
26 the design of their recovery navigator programs. The uniform program
27 standards must be modeled upon the components of the law enforcement
28 assisted diversion program and address project management, field
29 engagement, biopsychosocial assessment, intensive case management and
30 care coordination, stabilization housing when available and
31 appropriate, and, as necessary, legal system coordination. The
32 authority must adopt the uniform program standards from the
33 components of the law enforcement assisted diversion program to
34 accommodate an expanded population of persons with substance use
35 disorder and allow for referrals from a broad range of sources. In
36 addition to accepting referrals from law enforcement, the uniform
37 program standards must provide guidance for accepting referrals on
38 behalf of an individual with substance use disorder from various
39 sources including, but not limited to, self-referral, family members

1 of the individual, emergency department personnel, persons engaged
2 with serving homeless encampments, fire department personnel,
3 emergency medical service personnel, community-based organizations,
4 members of the business community, harm reduction program personnel,
5 faith-based organization staff, and other sources within the criminal
6 legal system, as outlined within the sequential intercept model. In
7 developing response time requirements within the statewide program
8 standards, the authority shall require that responses to referrals
9 from law enforcement occur immediately for in-custody referrals and
10 shall strive for rapid response times to other appropriate settings
11 such as emergency departments.

12 (3) The authority shall provide funding to each behavioral health
13 administrative services organization for the development of its
14 recovery navigator program. Before receiving funding for
15 implementation and ongoing administration, each behavioral health
16 administrative services organization must submit a program plan that
17 demonstrates the ability to fully comply with statewide program
18 standards. The authority shall establish a schedule for the regular
19 review of behavioral health administrative services organizations'
20 programs. The authority shall arrange for technical assistance to be
21 provided by the LEAD national support bureau to all behavioral health
22 administrative services organizations.

23 (4) Each behavioral health administrative services organization
24 must have a substance use disorder regional administrator for its
25 recovery navigator program. The regional administrator shall be
26 responsible for assuring compliance with program standards, including
27 staffing standards. Each recovery navigator program must maintain a
28 sufficient number of appropriately trained personnel for providing
29 intake and referral services, conducting comprehensive
30 biopsychosocial assessments, providing intensive case management
31 services, and making warm handoffs to treatment and recovery support
32 services along the continuum of care. Program staff must include
33 people with lived experience with substance use disorder to the
34 extent possible. The substance use disorder regional administrator
35 must assure that staff who are conducting intake and referral
36 services and field assessments are paid a livable and competitive
37 wage and have appropriate initial training and receive continuing
38 education.

39 (5) Each recovery navigator program must submit quarterly reports
40 to the authority with information identified by the authority and the

1 substance use recovery services advisory committee. The reports must
2 be provided to the substance use recovery services advisory committee
3 for discussion at meetings following the submission of the reports.

4 NEW SECTION. **Sec. 3.** A new section is added to chapter 71.24
5 RCW to read as follows:

6 (1) Subject to the availability of amounts appropriated for this
7 specific purpose, the authority shall establish a grant program to:

8 (a) Provide treatment services for low-income individuals with
9 substance use disorder who are not eligible for medical assistance
10 programs under chapter 74.09 RCW, with priority for the use of the
11 funds for very low-income individuals; and

12 (b) Provide treatment services that are not eligible for federal
13 matching funds to individuals who are enrolled in medical assistance
14 programs under chapter 74.09 RCW.

15 (2) In establishing the grant program, the authority shall
16 consult with the substance use recovery services advisory committee
17 established in section 1 of this act, behavioral health
18 administrative services organizations, managed care organizations,
19 and regional behavioral health providers to adopt regional standards
20 that are consistent with the substance use recovery services plan
21 developed under section 1 of this act to provide sufficient access
22 for youth and adults to meet each region's needs for:

23 (a) Opioid treatment programs;

24 (b) Low-barrier buprenorphine clinics;

29 (f) Inpatient substance use disorder treatment services;

30 (g) Inpatient co-occurring disorder treatment services; and

31 (h) Behavioral health crisis walk-in and drop-off services.

32 (3) Funds in the grant program must be used to reimburse
33 providers for the provision of services to individuals identified in
34 subsection (1) of this section. The authority may use the funds to
35 support evidence-based practices and promising practices that are not
36 reimbursed by medical assistance or private insurance, including
37 contingency management. In addition, funds may be used to provide
38 assistance to organizations to establish or expand services as
39 reasonably necessary and feasible to increase the availability of

1 services to achieve the regional access standards developed under
2 subsection (2) of this section, including such items as training and
3 recruitment of personnel, reasonable modifications to existing
4 facilities to accommodate additional clients, start-up funding, and
5 similar forms of assistance. Funds may not be used to support the
6 ongoing operational costs of a provider or organization, except in
7 relation to payments for specific service encounters with an
8 individual identified in subsection (1) of this section or for
9 noninsurance reimbursable services.

10 (4) The authority must establish regional access standards under
11 subsection (2) of this section by January 1, 2022, and begin
12 distributing grant funds by March 1, 2022.

13 NEW SECTION. **Sec. 4.** A new section is added to chapter 71.24
14 RCW to read as follows:

15 (1) Subject to the availability of amounts appropriated for this
16 specific purpose, the authority shall establish the expanded recovery
17 support services program to increase access to recovery services for
18 individuals in recovery from substance use disorder.

19 (2) In establishing the program, the authority shall consult with
20 the substance use recovery services advisory committee established in
21 section 1 of this act, behavioral health administrative services
22 organizations, regional behavioral health providers, and regional
23 community organizations that support individuals in recovery from
24 substance use disorder to adopt regional expanded recovery plans that
25 are consistent with the substance use recovery services plan
26 developed under section 1 of this act to provide sufficient access
27 for youth and adults to meet each region's needs for:

- 28 (a) Recovery housing;
- 29 (b) Employment pathways, support, training, and job placement;
- 30 (c) Education pathways, including recovery high schools and
31 collegiate recovery programs;
- 32 (d) Recovery coaching and substance use disorder peer support;
- 33 (e) Social connectedness initiatives, including the recovery café
34 model;
- 35 (f) Family support services, including family reconciliation
36 services;
- 37 (g) Technology-based recovery support services;
- 38 (h) Transportation assistance; and
- 39 (i) Legal support services.

1 (3) Funds in the expanded recovery support services program must
2 be used to reimburse providers for the provision of services to
3 individuals in recovery from substance use disorder. In addition, the
4 funds may be used to provide assistance to organizations to establish
5 or expand recovery support services as reasonably necessary and
6 feasible to increase the availability of services to achieve the
7 regional access standards developed under subsection (2) of this
8 section, including such items as training and recruitment of
9 personnel, reasonable modifications to existing facilities to
10 accommodate additional clients, and similar forms of assistance.

11 (4) The authority must establish regional expanded recovery plans
12 under subsection (2) of this section by January 1, 2022, and begin
13 distributing grant funds by March 1, 2022.

14 NEW SECTION. **Sec. 5.** A new section is added to chapter 71.24
15 RCW to read as follows:

16 (1) Subject to the availability of amounts appropriated for this
17 specific purpose, the authority shall establish a homeless outreach
18 stabilization transition program to expand access to modified
19 assertive community treatment services provided by multidisciplinary
20 behavioral health outreach teams to serve people who are living with
21 serious substance use disorders or co-occurring substance use
22 disorders and mental health conditions, are experiencing
23 homelessness, and whose severity of behavioral health symptom acuity
24 level creates a barrier to accessing and receiving conventional
25 behavioral health services and outreach models.

26 (a) In establishing the program, the authority shall consult with
27 behavioral health outreach organizations who have experience
28 delivering this service model in order to establish program
29 guidelines regarding multidisciplinary team staff types, service
30 intensity and quality fidelity standards, and criteria to ensure
31 programs are reaching the appropriate priority population.

32 (b) Funds for the homeless outreach stabilization transition
33 program must be used to reimburse organizations for the provision of
34 multidisciplinary outreach services to individuals who are living
35 with substance use disorders or co-occurring substance use and mental
36 health disorders and are experiencing homelessness or transitioning
37 from homelessness to housing. The funds may be used to provide
38 assistance to organizations to establish or expand services as
39 reasonably necessary to create a homeless outreach stabilization

1 transition program, including items such as training and recruitment
2 of personnel, outreach and engagement resources, client engagement
3 and health supplies, medications for people who do not have access to
4 insurance, and similar forms of assistance.

5 (c) The authority must establish one or more homeless outreach
6 stabilization transition programs by January 1, 2022, and begin
7 distributing grant funds by March 1, 2022.

8 (2) Subject to the availability of amounts appropriated for this
9 specific purpose, the authority shall establish a project for
10 psychiatric outreach to the homeless program to expand access to
11 behavioral health medical services for people who are experiencing
12 homelessness and living in permanent supportive housing.

13 (a) In establishing the program, the authority shall consult with
14 behavioral health medical providers, homeless service providers, and
15 permanent supportive housing providers that support people living
16 with substance use disorders, co-occurring substance use and mental
17 health conditions, and people who are currently or have formerly
18 experienced homelessness.

19 (b) Funds for the project for psychiatric outreach to the
20 homeless program must be used to reimburse organizations for the
21 provision of medical services to individuals who are living with or
22 in recovery from substance use disorders, co-occurring substance use
23 and mental health disorders, or other behavioral and physical health
24 conditions. Organizations must provide medical services to people who
25 are experiencing homelessness or are living in permanent supportive
26 housing and would be at risk of homelessness without access to
27 appropriate services. The funds may be used to provide assistance to
28 organizations to establish or expand behavioral health medical
29 services as reasonably necessary to create a project for psychiatric
30 outreach to the homeless program, including items such as training
31 and recruitment of personnel, outreach and engagement resources,
32 medical equipment and health supplies, medications for people who do
33 not have access to insurance, and similar forms of assistance.

34 (c) The authority must establish one or more projects for
35 psychiatric outreach to the homeless programs by January 1, 2022, and
36 begin distributing grant funds by March 1, 2022.

37 (3) Subject to the availability of amounts appropriated for this
38 specific purpose, the authority shall increase contingency management
39 resources for opioid treatment networks that are serving people
40 living with co-occurring stimulant use and opioid use disorder.

2 specific purpose, the authority shall develop a plan for implementing
3 a comprehensive statewide substance misuse prevention effort. The
4 plan must be completed by January 1, 2022.

5 (5) Subject to the availability of amounts appropriated for this
6 specific purpose, the authority shall administer a competitive grant
7 process to broaden existing local community coalition efforts to
8 prevent substance misuse by increasing relevant protective factors
9 while decreasing risk factors. Coalitions are to be open to all
10 stakeholders interested in substance misuse prevention, including,
11 but not limited to, representatives from people in recovery, law
12 enforcement, education, behavioral health, parent organizations,
13 treatment organizations, organizations serving youth, prevention
14 professionals, and business.

15 **Sec. 6.** RCW 10.31.110 and 2019 c 326 s 3 and 2019 c 325 s 5004
16 are each reenacted and amended to read as follows:

17 (1) When a police officer has reasonable cause to believe that
18 the individual has committed acts constituting a crime, and the
19 individual is known by history or consultation with the behavioral
20 health administrative services organization, managed care
21 organization, (~~behavioral health administrative services~~
22 ~~organization,~~) crisis hotline, (~~or~~) local crisis services
23 providers, or community health providers to suffer from a mental
24 disorder or substance use disorder, in addition to existing authority
25 under state law or local policy, as an alternative to arrest, the
26 arresting officer is authorized and encouraged to:

27 (a) Take the individual to a crisis stabilization unit as defined
28 in RCW 71.05.020. Individuals delivered to a crisis stabilization
29 unit pursuant to this section may be held by the facility for a
30 period of up to twelve hours. The individual must be examined by a
31 mental health professional or substance use disorder professional
32 within three hours of arrival;

33 (b) Take the individual to a triage facility as defined in RCW
34 71.05.020. An individual delivered to a triage facility which has
35 elected to operate as an involuntary facility may be held up to a
36 period of twelve hours. The individual must be examined by a mental
37 health professional or substance use disorder professional within
38 three hours of arrival;

1 (c) Refer the individual to a (~~mental health professional~~)
2 designated crisis responder for evaluation for initial detention and
3 proceeding under chapter 71.05 RCW; (~~or~~)

4 (d) Release the individual upon agreement to voluntary
5 participation in outpatient treatment;

6 (e) Refer the individual to youth, adult, or geriatric mobile
7 crisis response services, as appropriate; or

8 (f) Refer the individual to the regional entity responsible to
9 receive referrals in lieu of legal system involvement, including the
10 recovery navigator program described in section 2 of this act.

11 (2) If the individual is released to the community from the
12 facilities in subsection (1)(a) through (c) of this section, the
13 mental health provider or substance use disorder professional shall
14 make reasonable efforts to inform the arresting officer of the
15 planned release prior to release if the arresting officer has
16 specifically requested notification and provided contact information
17 to the provider.

18 (3) In deciding whether to refer the individual to treatment
19 under this section, the police officer must be guided by local law
20 enforcement diversion guidelines for behavioral health developed and
21 mutually agreed upon with the prosecuting authority with an
22 opportunity for consultation and comment by the defense bar and
23 disability community. These guidelines must address, at a minimum,
24 the length, seriousness, and recency of the known criminal history of
25 the individual, the mental health history of the individual, if
26 available, the substance use disorder history of the individual, if
27 available, the opinions of a mental health professional, if
28 available, the opinions of a substance use disorder professional, if
29 available, and the circumstances surrounding the commission of the
30 alleged offense. The guidelines must include a process for clearing
31 outstanding warrants or referring the individual for assistance in
32 clearing outstanding warrants, if any, and issuing a new court date,
33 if appropriate, without booking or incarcerating the individual or
34 disqualifying (~~him or her~~) the individual from referral to
35 treatment under this section, and define the circumstances under
36 which such action is permissible. Referrals to services, care, and
37 treatment for substance use disorder must be made in accordance with
38 protocols developed for the recovery navigator program described in
39 section 2 of this act.

1 (4) Any agreement to participate in treatment or services in lieu
2 of jail booking or referring a case for prosecution shall not require
3 individuals to stipulate to any of the alleged facts regarding the
4 criminal activity as a prerequisite to participation in ~~((a mental~~
5 ~~health treatment))~~ the alternative response described in this
6 section. ~~((The))~~ Any agreement is inadmissible in any criminal or
7 civil proceeding. ~~((The agreement does))~~ Such agreements do not
8 create immunity from prosecution for the alleged criminal activity.

9 (5) If ~~((an individual violates such agreement and the mental~~
10 ~~health treatment alternative is no longer appropriate))~~ there are
11 required terms of participation in the services or treatment to which
12 an individual was referred under this section, and if the individual
13 violates such terms and is therefore no longer participating in
14 services:

15 (a) The ~~((mental health))~~ behavioral health or service provider
16 shall inform the referring law enforcement agency of the violation,
17 if consistent with the terms of the program and applicable law; and

18 (b) The original charges may be filed or referred to the
19 prosecutor, as appropriate, and the matter may proceed accordingly,
20 unless filing or referring the charges is inconsistent with the terms
21 of a local diversion program or a recovery navigator program
22 described in section 2 of this act.

23 (6) The police officer is immune from liability for any good
24 faith conduct under this section.

25 NEW SECTION. Sec. 7. A new section is added to chapter 43.101
26 RCW to read as follows:

27 (1) Beginning July 1, 2022, all law enforcement personnel
28 required to complete basic law enforcement training under RCW
29 43.101.200 must receive training on law enforcement interaction with
30 persons with substance use disorders, including referral to treatment
31 and recovery services and the unique referral processes for youth, as
32 part of the basic law enforcement training. The training must be
33 developed by the University of Washington behavioral health institute
34 in collaboration with the commission and agencies that have expertise
35 in the area of working with persons with substance use disorders,
36 including law enforcement diversion of such individuals to community-
37 based care. In developing the training, the behavioral health
38 institute must also examine existing courses certified by the
39 commission that relate to persons with a substance use disorder, and

1 should draw on existing training partnerships with the Washington
2 association of sheriffs and police chiefs.

3 (2) The training must consist of classroom instruction or
4 internet instruction and shall replicate likely field situations to
5 the maximum extent possible. The training should include, at a
6 minimum, core instruction in all of the following:

7 (a) Proper procedures for referring persons to the recovery
8 navigator program in accordance with section 2 of this act;

9 (b) The etiology of substance use disorders, including the role
10 of trauma;

11 (c) Barriers to treatment engagement experienced by many with
12 such disorders who have contact with the legal system;

13 (d) How to identify indicators of substance use disorder and how
14 to respond appropriately in a variety of common situations;

15 (e) Conflict resolution and de-escalation techniques for
16 potentially dangerous situations involving persons with a substance
17 use disorder;

18 (f) Appropriate language usage when interacting with persons with
19 a substance use disorder;

20 (g) Alternatives to lethal force when interacting with
21 potentially dangerous persons with a substance use disorder;

22 (h) The principles of recovery and the multiple pathways to

17	ADJUDICATIONS						

18 NOTE: References in the grid to days or weeks mean periods of
 19 confinement. "LS" means "local sanctions" as defined in RCW
 20 13.40.020.

21 (1) The vertical axis of the grid is the current offense
 22 category. The current offense category is determined by the offense
 23 of adjudication.

24 (2) The horizontal axis of the grid is the number of prior
 25 adjudications included in the juvenile's criminal history. Each prior
 26 felony adjudication shall count as one point. Each prior violation,
 27 misdemeanor, and gross misdemeanor adjudication shall count as 1/4
 28 point. Fractional points shall be rounded down.

29 (3) The standard range disposition for each offense is determined
 30 by the intersection of the column defined by the prior adjudications
 31 and the row defined by the current offense category.

32 (4) RCW 13.40.180 applies if the offender is being sentenced for
 33 more than one offense.

1 (5) A current offense that is a violation is equivalent to an
2 offense category of E. However, a disposition for a violation shall
3 not include confinement.

4 OR

5 **OPTION B**

6 **SUSPENDED DISPOSITION ALTERNATIVE**

7 (1) If the offender is subject to a standard range disposition
8 involving confinement by the department, the court may impose the
9 standard range and suspend the disposition on condition that the
10 offender comply with one or more local sanctions and any educational
11 or treatment requirement. The treatment programs provided to the
12 offender must be either research-based best practice programs as
13 identified by the Washington state institute for public policy or the
14 joint legislative audit and review committee, or for chemical
15 dependency treatment programs or services, they must be evidence-
16 based or research-based best practice programs. For the purposes of
17 this subsection:

18 (a) "Evidence-based" means a program or practice that has had
19 multiple site random controlled trials across heterogeneous
20 populations demonstrating that the program or practice is effective
21 for the population; and

22 (b) "Research-based" means a program or practice that has some
23 research demonstrating effectiveness, but that does not yet meet the
24 standard of evidence-based practices.

25 (2) If the offender fails to comply with the suspended
26 disposition, the court may impose sanctions pursuant to RCW 13.40.200
27 or may revoke the suspended disposition and order the disposition's
28 execution.

29 (3) An offender is ineligible for the suspended disposition
30 option under this section if the offender:

31 (a) Is adjudicated of an A+ or A++ offense;

32 (b) Is fourteen years of age or older and is adjudicated of one
33 or more of the following offenses:

34 (i) A class A offense, or an attempt, conspiracy, or solicitation
35 to commit a class A offense;

36 (ii) Manslaughter in the first degree (RCW 9A.32.060);

37 (iii) Assault in the second degree (RCW 9A.36.021), extortion in
38 the first degree (RCW 9A.56.120), kidnapping in the second degree
39 (RCW 9A.40.030), drive-by shooting (RCW 9A.36.045), vehicular

1 homicide (RCW 46.61.520), hit and run death (RCW 46.52.020(4)(a)), or
 2 manslaughter 2 (RCW 9A.32.070); or
 3 (iv) Violation of the uniform controlled substances act (RCW
 4 69.50.401(2) (a) and (b)), when the offense includes infliction of
 5 bodily harm upon another or when during the commission or immediate
 6 withdrawal from the offense the respondent was armed with a deadly
 7 weapon;
 8 (c) Is ordered to serve a disposition for a firearm violation
 9 under RCW 13.40.193;
 10 (d) Is adjudicated of a sex offense as defined in RCW 9.94A.030;
 11 or
 12 (e) Has a prior option B disposition.

13 **OR**

14 **OPTION C**

15 **CHEMICAL DEPENDENCY/MENTAL HEALTH DISPOSITION ALTERNATIVE**

16 If the juvenile offender is subject to a standard range
 17 disposition of local sanctions or 15 to 36 weeks of confinement and
 18 has not committed a B++ or B+ offense, the court may impose a
 19 disposition under RCW 13.40.160(4) and 13.40.165.

20 **OR**

21 **OPTION D**

22 **MANIFEST INJUSTICE**

23 If the court determines that a disposition under option A, B, or C
 24 would effectuate a manifest injustice, the court shall impose a
 25 disposition outside the standard range under RCW 13.40.160(2).

1 2nd escape or attempted escape during 12-month period - 8 weeks

5 ²If the court finds that a respondent has violated terms of an order,
6 it may impose a penalty of up to 30 days of confinement.

7 **JUVENILE SENTENCING STANDARDS**

8 This schedule must be used for juvenile offenders. The court may
9 select sentencing option A, B, C, or D.

10 **OPTION A**
11 **JUVENILE OFFENDER SENTENCING GRID**
12 **STANDARD RANGE**

13	A++	129 to 260 weeks for all category A++ offenses

26	ADJUDICATIONS						

27 NOTE: References in the grid to days or weeks mean periods of
28 confinement. "LS" means "local sanctions" as defined in RCW
29 13.40.020.

30 (1) The vertical axis of the grid is the current offense
31 category. The current offense category is determined by the offense
32 of adjudication.

1 (2) The horizontal axis of the grid is the number of prior
2 adjudications included in the juvenile's criminal history. Each prior
3 felony adjudication shall count as one point. Each prior violation,
4 misdemeanor, and gross misdemeanor adjudication shall count as 1/4
5 point. Fractional points shall be rounded down.

6 (3) The standard range disposition for each offense is determined
7 by the intersection of the column defined by the prior adjudications
8 and the row defined by the current offense category.

9 (4) RCW 13.40.180 applies if the offender is being sentenced for
10 more than one offense.

11 (5) A current offense that is a violation is equivalent to an
12 offense category of E. However, a disposition for a violation shall
13 not include confinement.

14 **OR**

15 **OPTION B**

16 **SUSPENDED DISPOSITION ALTERNATIVE**

17 (1) If the offender is subject to a standard range disposition
18 involving confinement by the department, the court may impose the
19 standard range and suspend the disposition on condition that the
20 offender comply with one or more local sanctions and any educational
21 or treatment requirement. The treatment programs provided to the
22 offender must be either research-based best practice programs as
23 identified by the Washington state institute for public policy or the
24 joint legislative audit and review committee, or for chemical
25 dependency treatment programs or services, they must be evidence-
26 based or research-based best practice programs. For the purposes of
27 this subsection:

28 (a) "Evidence-based" means a program or practice that has had
29 multiple site random controlled trials across heterogeneous
30 populations demonstrating that the program or practice is effective
31 for the population; and

32 (b) "Research-based" means a program or practice that has some
33 research demonstrating effectiveness, but that does not yet meet the
34 standard of evidence-based practices.

35 (2) If the offender fails to comply with the suspended
36 disposition, the court may impose sanctions pursuant to RCW 13.40.200
37 or may revoke the suspended disposition and order the disposition's
38 execution.

1 (3) An offender is ineligible for the suspended disposition
2 option under this section if the offender:

3 (a) Is adjudicated of an A+ or A++ offense;

4 (b) Is fourteen years of age or older and is adjudicated of one
5 or more of the following offenses:

6 (i) A class A offense, or an attempt, conspiracy, or solicitation
7 to commit a class A offense;

8 (ii) Manslaughter in the first degree (RCW 9A.32.060);

9 (iii) Assault in the second degree (RCW 9A.36.021), extortion in
10 the first degree (RCW 9A.56.120), kidnapping in the second degree
11 (RCW 9A.40.030), drive-by shooting (RCW 9A.36.045), vehicular
12 homicide (RCW 46.61.520), hit and run death (RCW 46.52.020(4)(a)), or
13 manslaughter 2 (RCW 9A.32.070); or

14 (iv) Violation of the uniform controlled substances act (RCW
15 69.50.401(2) (a) and (b)), when the offense includes infliction of
16 bodily harm upon another or when during the commission or immediate
17 withdrawal from the offense the respondent was armed with a deadly
18 weapon;

19 (c) Is ordered to serve a disposition for a firearm violation
20 under RCW 13.40.193;

21 (d) Is adjudicated of a sex offense as defined in RCW 9.94A.030;
22 or

23 (e) Has a prior option B disposition.

24 **OR**

25 **OPTION C**

26 **CHEMICAL DEPENDENCY/MENTAL HEALTH DISPOSITION ALTERNATIVE**

27 If the juvenile offender is subject to a standard range
28 disposition of local sanctions or 15 to 36 weeks of confinement and
29 has not committed a B++ or B+ offense, the court may impose a
30 disposition under RCW 13.40.160(4) and 13.40.165.

31 **OR**

32 **OPTION D**

33 **MANIFEST INJUSTICE**

34 If the court determines that a disposition under option A, B, or C
35 would effectuate a manifest injustice, the court shall impose a
36 disposition outside the standard range under RCW 13.40.160(2).

1 **Sec. 21.** RCW 2.24.010 and 2013 c 27 s 3 are each amended to read
2 as follows:
