***Analysis by the Legislative Reference Bureau***

Current law prohibits a person from carrying a firearm in certain buildings owned or leased by the state or a local government if properly posted. This bill allows the state or a local government to post vehicles that are part of a public mass transportation system. A person who carries a firearm on a posted vehicle is subject to a Class B forfeiture, which is the same penalty as carrying a firearm into a building that is posted by the state or a local government.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

5             943.13 (**1m**) (c) 4m. While carrying a firearm, enters or remains in any vehicle  
6             that is part of a public mass transportation system if the governmental unit that  
7             owns or operates the system has notified the actor not to enter or remain in the  
8             vehicle while carrying a firearm or with that type of firearm.
